The New English Bible Library Edition Green Hardback:

Green Sabbath and the Last Vista of Hope, The Chinedu Daniel Obasi, Chinedu Daniel Obasi s latest literary contribution The Green Sabbath and the Last Vista of Hope is the result of a careful examination of numerous newsworthy occurrences transpiring on the world stage and their apocalyptic implications Readers will be soberly intrigued by how intertwined these occurrences are and how they crystalize and verify the predictions made by Daniel the apostle John and other Bible prophets Obasi begins by highlighting several environmental and ecological developments and their parallels to what Jesus called the early birth pangs of end time unfolding From here he points to the responses from political and ecclesiastical leaders regarding these developments and how this is all laying the foundation for the diminishing of religious and civil liberty as foretold in Revelation 13 While this well researched book discusses many topics including global warming Catholicism the old and new covenants and Islam the author skillfully ties everything together to alert as many as possible to the solemn times in which we live and the need to increase awareness and preparedness However his greatest emphasis is on the One who is truly in charge of the past present and future the One in whom we can place our confidence **Leading on Empty** Wayne Cordeiro,2010-04-01 Wayne Cordeiro found himself paralyzed by burnout He had been in ministry for 30 years and 10 years after founding what is now the largest church in Hawaii he found himself depleted Wayne took a season out of his growing ministry to recharge and refocus on the truly important He was able to get back in touch with his life get back in proper balance and re energize his spirit through Christ in a way that propelled him forward to greater levels of service Wayne first gave this message at a recent Willow Creek Leadership Summit where it was the highest rated presentation by those in attendance Pulling no punches Wayne talks about the walls leaders must break through and how to move on with integrity Included are ways to care for oneself physically and emotionally as well as spiritually *Religious Books and Serials in Print 1978-1979* R.R. Bowker Company. Department of Bibliography,1978-11 **The Power of Your Subconscious Mind** Joseph Murphy,2008-08-26 The bestseller by a preeminent teacher of the New Thought movement now revised and expanded with never before published commentary from the author One of the bestselling self help books of all time The Power of Your Subconscious Mind has helped millions around the world achieve remarkable goals simply by changing the way they think Dr Murphy s mind focusing techniques are based on a simple principle If you believe in something without reservation and picture it in your mind you can remove the subconscious obstacles that prevent you from achieving the results you want and your belief can become a reality As an advocate of what is now popularly known as the Law of Attraction Murphy shows that anyone can unleash extraordinary mental powers to build self confidence to create harmonious relationships to gain professional success to amass wealth to conquer fears and phobias to banish bad habits and even to effect physical healing and promote overall well being and happiness The Publishers' Trade List Annual ,1995 **With God we live without God** Martin Lind,2018-11-01 30 reflections and prayers that draw inspiration from the theological challenges thought
