Schneider, 2012-12-15 Over the past thirty years narrative poems have made a comeback against the lyric approach to poetry that has dominated the past century Drawing on a decade of conferences and critical seminars on the topic The Contemporary Narrative Poem examines this resurgence of narrative and the cultural and literary forces motivating it Gathering ten essays from poet critics who write from a wide range of perspectives and address a wide range of works the collection transcends narrow conceptions of narrative antinarrative and metanarrative The authors ask several questions What formal strategies do recent narrative poems take What social cultural and epistemological issues are raised in such poems. How do contemporary narrative poems differ from modernist narrative poems. In what ways has history been incorporated into the recent narrative poetry How have poets used the lyric within narrative poems How do experimental poets redefine narrative itself through their work And what role does consciousness play in the contemporary narrative poem The answers they supply will engage every poet and student of poetry Love, Lucy April Lindner, 2015-01-27 While backpacking through Florence Italy during the summer before she heads off to college Lucy Sommersworth finds herself falling in love with the culture the architecture the food and Jesse Palladino a handsome street musician After a whirlwind romance Lucy returns home determined to move on from her vacation flirtation But just because summer is over doesn t mean Lucy and Jesse have to be does it In this stunning novel April Lindner perfectly captures the highs and lows of a summer love that might just be meant to last beyond the season Far from Over April Lindner, 2016-04-12 A captivating digital original companion novella to April Lindner's Love Lucy Jesse Palladino is used to

S. Gwynn, April Lindner, 2005 Edited by poets about poets Contemporary American Poetry is a chronologically organized anthology covering major poets born after 1920 Slag Mark Sullivan, 2005 Poignant poems about moments of grace light beaming through darkness and beauty found in unexpected places Sullivan employs a consistently investigative approach that immediately draws readers in His curiosity and humility are disarming and readers will willingly follow his path of discovery without fear of getting lost becoming overpowered or feeling emotionally spent Sullivan's deftly written poems have a wonderful and appealing balance of emotion and intellect Lyrical elegant and polished his poetry resonates with distinctive imagery and music A strong new poetic voice whose poems add a little more light to the world BooklistThe poems in Slag begin with everyday experiences a glance at a construction site or the boredom of waiting for a bus and then use such unpromising events to explore what Mexican poet Octavio Paz once called the dark forgotten miracle of being alive Whether meditating on New York s diamond district or the death of the last person to have known Van Gogh Mark Sullivan s lyric consciousness expands from initial points of contact to ever broadening associations. The result is an evocative reflective poetry that recognizes in the slow advance of the loris across its Bronx Zoo cage what it means to love the world or to fear it Sullivan pays special attention to animals and the natural world to the visual arts and to the relentless stimulation of the nation's largest city his free verse creating a lucid language where slam dunks and Zeno's paradoxes coexist where the stillness of a snail discovered in a package of spinach reveals the process that makes the world The poetry of Mark Sullivan slows time down sees the world calmly clearly as a whole with a precise and tender attention that strives to do justice to the complex mysteries of existence In this it is a classical poetry for our time wise humane objective deeply felt paying homage to the wonder and sorrow of our world Louis Asekoff author of North StarFrom Slag What are stones butthe slowest of clocks half lives ticking down every millennium or so subatomic gearsmeshing like ocean liners The Clearing Philip White, 2007 Focusing on transformations of love and self over time and in bereavement White s subjects are autobiographical love marriage the deaths of his father mother and more centrally his first wife Questioning memory and self deception the poems employ language and metaphors drawn from ordinary life Winner Walt McDonald First Book Competition 2007 Provided by publisher Skin April Lindner, 2013 Haven t we all been told how beauty is thin as truth And don t we believe and disbelieve this lie we d carve and starve for We d suck it till the juice ran down our arms Skin compels us repels us Beauty may be only skin deep a fine covering sensuous at times Translatorlucent almost Translatorparent and yet so obdurate Skin
