**The Skins of Dead Men** Dean Ing,1998      **Dead Men's Tales** Frederick Harcourt Kitchin,1926      Starkweather Dreams Christopher Conlon,2009 Christopher Conlon author of poetry collections Gilbert and Garbo in Love The Weeping Time and Mary Falls and the novel Midnight on Mourn Street turns his attention to the short violent lives of Charles Starkweather and Caril Ann Fugate With a haunting depth and sensitivity Conlon explores the possibilities that made human beings turn savage in the middle of America and follows the doomed pair on a bloodthirsty journey made all the more tragic by its reality      **The Skin** Curzio Malaparte,2013-11-05 This is the first unexpurgated English edition of Curzio Malaparte s legendary work The Skin The book begins in 1943 with Allied forces cementing their grip on the devastated city of Naples The sometime Fascist and ever resourceful Curzio Malaparte is working with the Americans as a liaison officer He looks after Colonel Jack Hamilton a Christian gentleman an American in the noblest sense of the word who speaks French and cites the classics and holds his nose as the two men tour the squalid streets of a city in ruins where liberation is only another word for desperation Veterans of the disbanded Italian army beg for work A rare specimen from the city s famous aquarium is served up at a ceremonial dinner for high Allied officers Prostitution is rampant The smell of death is everywhere Subtle cynical evasive manipulative unnerving always astonishing Malaparte is a supreme artist of the unreliable both the product and the prophet of a world gone rotten to the core      **the bakitara** John Roscoe,1968      **Amazing Stories** ,1927      Secrets of the Highwayman: An Immortal Warriors Novel Sara Mackenzie,2017-08-18 An Immortal Warrior one given the power to make right what once went wrong in a time not his own 1814 Cornwall England Nathaniel Raven a gentleman highwayman known as The Raven is both reckless and hot headed When his friend murders him in an act of betrayal Nathaniel s infamous memory passes into time and his life is left unfinished Present day Cornwall Melanie Jones a solicitor from London has arrived at Ravenswood to sort out the estate But instead of the simple restful job she expected she is confronted by a handsome ghost The Raven has been brought back to life by the Sorceress the ruler of the between worlds and with Melanie s help he must resolve the secrets from the night he died Melanie and Nathaniel soon discover a burning unstoppable desire in each other s arms Can they defeat the lethal danger that is threatening to destroy them and find a future together Book 2 in the Immortal Warriors series following on from Return of the Highlander and followed by Passions of the Ghost Secrets of the Highwayman was a RITA nominee for Paranormal book of the year 4 Stars Mackenzie s immortal warriors are once again trying to rectify an old wrong This new chapter adds even more mystical elements to the series as a notorious highwayman tried to change his family s tragic history Mackenzie aka author Sara Bennett demonstrates a rare gift for blending paranormal elements including time travel to create stories that are emotionally multifaceted as well as action packed This is one multitalented author Romantic Times 2006 5 stars The second in the Immortal Warriors series Secrets of the Highwayman by newcomer paranormal author Sara Mackenzie is just as fast paced and spellbinding as its predecessor

Return of the Highlander You will be as swept away in the adventure of Nathaniel Raven and his pursuit of the monstrous Pengorren as the vibrant Melanie is Very imaginative Secrets of the Highwayman has so many intricate plot twists you won't be able to put it down I can't wait for the next in the series Passions of the Ghost to hit the bookshelves A Romance Review 2006

**Skin Dancer**, **The Ferryman** Christopher Golden,2008-09-02 Struggling to rebuild a relationship with her former lover David Bairstow Janine Hartschorn discovers that a mysterious force with the power to conjure up ghosts from David's past and the knowledge of her own near death experience will do anything to keep them apart Reprint

**Second Skin** Michael Wiley,2015-11-01 An intriguing mystery featuring homicide detective Daniel Turner in the second of this atmospheric crime noir series following Blue Avenue When one of her students is found dead English teacher Lillian Turner and her husband Navy war veteran Johnny Bellefleur are drawn into the investigation Having made a macabre discovery which throws a disturbing new light on the case Johnny and Lillian find themselves involved in something darker and more dangerous than they could have imagined With their marriage cracking under the strain and Johnny's sanity under threat the pair is warned to stay out of the case by Lillian's brother homicide detective Daniel Turner Just what is Daniel's connection to the dead girl Does he know more than he's letting on Can Lillian trust her own brother

*Skin Deep* Gary Kemble,2015-07-01 When washed up journalist Harry Hendrick wakes with a hangover and a strange symbol tattooed on his neck he shrugs it off as a bad night out When more tattoos appear accompanied by visions of war torn Afghanistan bikies boat people murder bar fights and a mysterious woman he begins to dig a little deeper There's a federal election looming with pundits tipping a landslide win for opposition leader Andrew Cardinal Harry knows there's a link between these disturbing visions and Cardinal's shadowy past and is compelled to right wrongs one way or another With an intense and immediate sense of place a cracking pace and a great everyman hero Skin Deep is by turns thrilling and haunting and will keep readers glued to the page Angela Slatter

[Color of the Skin](#) Mitiku Ashebir,2017-10-25 Color of the Skin talks about the color of human skin which ironically does not exist However rather than rejecting the premises of traditional awareness about skin color the book uses existing perceptions as departure points in examining the inherent characteristics and social trappings surrounding skin color The book defines the subject namely color of the skin with considerable precision elaborating on its various aspects by dialing forward accounts of ponderings that occurred far back in time and place but that are still fresh and substantive It successfully distills a few fundamental concepts that widely contrast in some instances clash with existing popularly known and commonly understood notions concerning skin color The book provides comparative descriptions in settings representing two countries Ethiopia where color of the skin is straightforward literal and simple where it is used primarily for identifying people and the United States where color of the skin is heavily loaded complex formal institutionalized and often political The parameters in each abode provide adequate details indicating the scope and implications of the consequences of the resultant attitudes actions and practices thereof especially in the latter The author

proposes that color is a continuum by hosting a virtual tour through reading trips from the equator out in four directions north east west and south narrating all the way describing and interpreting the topography of human color which cascades in all directions Further the writer suggests that no two persons will have the same color tone spread and texture This is equivalent to saying that there is an individual color but there is no group color It is close to saying that color of the skin is like fingerprints each person s being different from the next So the gross color division of black and white may be salvaged only when used for convenience and only for immediate references Any effort to institutionalize and formalize color betrays its natural constitution and thereby compounds the social economic and political problems that it has caused Progressively the book postulates credible concepts that demonstrate grouping people into black and white is arbitrary is subjective and worse in very significant ways is often prodded with intentional and exploitive motives The book invites readers to imagine the reverse of the current world order surrounding the color of skin putting everyone in good view to appreciate what the world might look like if fortunes tagged to color lines were overturned around the world The scenario presented under the section Imagining the Reverse is one of the light parts of the book but at its core the discourse here is indeed about a very serious matter The author observes that the various configurations used to differentiate countries by slicing them into developed and developing and second and third world countries follow skin color contours The issue of skin color is elevated to international levels drawing plausible conclusions that unfortunately the disadvantages of such perspectives outweigh the advantages The perceptions derived from such consensus affect world outlook on a number of issues immigration bilateral and multilateral economic relations and individual country s aspirations to mention a few perhaps rendering faulty designs on a national and international scale The writer takes futuristic perspective touching on global warming never mind the causes for now flagging it as a colossal development that can have an impact on the color of the skin big time In this vein the author surmises that global warming is likely to relentlessly rub against the human skin turning lighter skin to dull Brown may be the universal color of the future The principal motivation of going the distance the book has stretched to pursuing the issue of skin color is to ameliorate the stark differences biases and prejudices that old positions have unabatedly generated for a long time both in specific countries and worldwide Accordingly a few indicators that are considered to be harbingers of a friendlier cohesive fair peaceful and prosperous world have been identified The layout of the preferences to achieve a new positive and more functional world order leans on cooperation understanding collaboration and peace all demands of global realities of today and tomorrow The discussions that close the book in addition to heralding where the author is going with the stretch of ideas on color of skin demonstrate that integration the impetus for the book is a two way traffic and cannot happen without all parties involved being intentional and prepared to change Often life is about overcoming differences and savoring similarities Where there are differences changes and adaptations are required The section on integration demonstrates this phenomenon Tangentially the book also offers unassuming proposition for peace between Israel and

Palestine and a point of view for restructuring the US refugee program      *Skin* Rick Dallison,2016-12-13 A deadly virus spares only those of fairest skin but humanity's fate rests in the hands of one black man In 2019 attempts upon his life force controversial author and historian Professor Walter Banga to flee to Africa to hide amongst his distant relatives the Mbuti pygmies There he is drawn into their desperate life and death struggle to survive While hiding from a brutal Interhamwe militia they unknowingly unleash a lethal unstoppable virus upon humanity Among a handful of survivors transported to CDC in Atlanta Banga watches as the world around him falls into panic and chaos Fearing for their lives he and eleven other survivors escape to the wilderness hiding from a strange new world Ruthlessly sought by white zealots as the survivors are forced to make their final stand the outcome of which will change mankind forever      **The wild ass' skin.
