Service one of the first women to be an Assistant Attorney General of the United States and the biographer of California's first woman lawyer Clara Foltz. Survivor, pioneer leader and fervent defender of the powerless and colorful mobsters alike, Barbara Babcock led by example and by the written word and recounts her part of history in this candid and personal memoir. For women lawyers, Barbara Babcock has led the way. How? By being smarter and tougher than the men, also more empathetic and self-aware. Funny, shrewd, and telling her memoir *Fish Raincoats* is a joy to read. Evan Thomas, author of *Being Nixon: A Man Divided*. An immensely engaging, articulate and detail-rich memoir from a pioneer who helped forge the path for women in the legal profession. Barbara Babcock taught, mentored and inspired generations of law students to look beyond the billable hour; she has chronicled her times in the modern Women's Movement, the challenges and characters she met along the way with insight, humility and grace. Thelton E. Henderson, Senior U.S. District Judge, San Francisco. Life will afford you no better sherpa on the extraordinary journey women have taken in the legal profession than Barbara Babcock. From her description of her career in DC courtrooms to her role in the battle to defeat the Bork nomination and her pathbreaking biography of another woman, first she is the same warm and generous storyteller and narrator who welcomed untold numbers of new students to Stanford Law School and assured us all that we indeed had a place in the life of the law. This should be required reading for anyone who isn't certain that they have a place at the lawyers' table. Babcock's amazing life has made a space for so many of us. Her story will do the same. Dahlia Lithwick, Senior Editor, *Slate*. But men are writing the history. Barbara Babcock thought to herself in response to a sexist comment about women in the law years ago: Not anymore. Babcock spins her formidable legal career into insightful stories about how she made her way and made her field her own. The best kind of personal history. Emily Bazelon, author of *Sticks and Stones: Defeating the Culture of Bullying and Rediscovering the Power of Character and Empathy*. *Fish Raincoats* is a compelling new addition to the *Journeys*, also available in paperback and clothbound editions. Quality digital formatting includes linked notes, active Contents, active URLs in notes, and all the original images, thirteen most in color from the print editions. *Frame by Frame III* Audrey T.
