Slave From Antioch

Paul Kengor

Slave From Antioch:

Slave From Antioch Samuel W. Lockerman, 2002 If you re a slave survival is the key to everything This was especially true during the Crusades Levi understood this and developed his own rules However he was unprepared for the critical test the confrontation The delicate balance he lived by was threatened The choice was simple drop the rules or face almost certain violent death Surviving that tomorrow he would surely face the murderous revenge of those who now hated envied or had marked him Levi s decision thrust him on a course of random events filled with peril outside his control offering no return Saladin the great Moslem leader and Reynald de Chatillion wily Christian the most despised Prince of the Outremer both ordered events that demanded so much of Levi physically and spiritually As if to defy the laws of inertia Levi had only his wits to get through the tangled paths of reward and punishment greed and justice love and hatred Social Control in Late Antiquity Kate Cooper, Jamie Wood, 2020-10 Explores how in late antiquity women slaves and children claimed agency in small scale communities despite intimidation by the powerful **California, a Slave State** Jean Pfaelzer, 2023-01-01 The untold history of slavery and resistance in California from the Spanish missions indentured Native American ranch hands Indian boarding schools Black miners kidnapped Chinese prostitutes and convict laborers to victims of modern trafficking A searing survey of 250 years of human bondage in what is now the state of California Readers will be outraged Publishers Weekly California owes its origins and sunny prosperity to slavery Spanish invaders captured Indigenous people to build the chain of Catholic missions Russian otter hunters shipped Alaska Natives the first slaves transported into California and launched a Pacific slave triangle to China Plantation slaves were marched across the plains for the Gold Rush San Quentin Prison incubated California s carceral state Kidnapped Chinese girls were sold in caged brothels in early San Francisco Indian boarding schools supplied new farms and hotels with unfree child workers By looking west to California Jean Pfaelzer upends our understanding of slavery as a North South struggle and reveals how the enslaved in California fought fled and resisted human bondage In unyielding research and vivid interviews Pfaelzer exposes how California gorged on slavery an appetite that persists today in a global trade in human beings lured by promises of jobs but who instead are imprisoned in sweatshops and remote marijuana grows or sold as nannies and sex workers Slavery shreds California s utopian brand rewrites our understanding of the West and redefines America s uneasy paths to freedom Slavery in the Late Roman World, AD 275-425 Kyle Harper, 2011-05-12 Capitalizing on the rich historical record of late antiquity and employing sophisticated methodologies from social and economic history this book reinterprets the end of Roman slavery Kyle Harper challenges traditional interpretations of a transition from antiquity to the Middle Ages arguing instead that a deep divide runs through late antiquity separating the Roman slave system from its early medieval successors In the process he covers the economic social and institutional dimensions of ancient slavery and presents the most comprehensive analytical treatment of a pre modern slave system now available By scouring the late antique record he has uncovered a wealth of new

material providing fresh insights into the ancient slave system including slavery's role in agriculture and textile production its relation to sexual exploitation and the dynamics of social honor By demonstrating the vitality of slavery into the later Roman empire the author shows that Christianity triumphed amidst a genuine slave society

Anne Rice's Vampire Chronicles An Alphabettery Becket, Anne Rice, 2018-10-23 An annotated cosmology of Anne Rice's Vampiredom from A kasha to Z enobia all fifteen books of the Vampire Chronicles detailed by a longtime Anne Rice reader and scholar the who what where why and often how of her beloved characters mortal and im brought together in a book for the first time Illustrated by Mark Edward Geyer An Alphabettery of Anne Rice's Vampire Chronicles gathers together from all fifteen of the books in the series the facts details story lines genealogies of her characters vampiric subjects geographical influences and cultural and individual histories all of which Rice painstakingly researched and invented during her 40 year career to date through which she has enchanted and transported us Here are concise detailed biographies of every character no matter how central or minor to the cosmology Revealed are the intricacies and interconnectedness of characters and subjects throughout We see how Akasha Queen of Egypt and the first vampire is connected to Mekare the inheritor of the title of the Queen of the Damned etc and how these characters connect back to the darkest rebel outlaw of them all Lestat de Lioncourt And we see as well the ways in which Rice's vampires have evolved from warring civilizations to isolated covens to a unified race of blood drinkers led by their hero wanderer and sole monarch Prince Lestat For devoted and first time Anne Rice readers alike An Alphabettery of Anne Rice's Vampire Chronicles will be the holy grail of lore and revelation for those who have been and continue to be mesmerized by the worlds within worlds of these beloved tales of the undead

Reading Galatians John Anthony Dunne, 2025-05-15 Galatians is simultaneously one of Paul's most well known and least understood letters At times Galatians is reduced down to a single concept like freedom or to a single passage about either justification by faith or the fruit of the Spirit and yet the personal and scriptural argument that Paul was making to his original readers is usually ignored in the process Instead of treating Galatians like a first draft of Romans as is also typically done Reading Galatians highlights the unique features of Galatians which make it peculiar among the writings of Paul It also overviews Paul's engagement with the Galatians from his initial ministry among them to what transpired after he left and all the way through to his multifaceted response what we can glean about their reaction to it and why it still matters to us today

Paul's Declaration of Freedom from a Freed Slave's Perspective Robin G. Thompson, 2023-03-27 This project attempts to listen to voices that have seldom been heard While others have explored Paul's theology of Christian freedom they have not considered how Paul's declaration of freedom would have been received by those who most desired and valued freedom the slaves and freedpersons in the Galatian churches In this study Robin Thompson explores both Greek and Roman manumission considers how the ancient Mediterranean world conceived of freedom and then examines the freedom declared in Galatians from a freed slave's perspective She proposes that these freedpersons would likely have perceived this freedom

to be not only spiritual freedom but at least in the Christian communities individual freedom as well The Worst of Indignities: The Catholic Church on Slavery Paul Kengor,2023-06-26 Many Americans think of slavery as their nation s original sin But in truth slavery has involved peoples and cultures and countries far beyond the United States Slavery is as old as human history itself And yet the one living institution that has condemned slavery longer and more consistently than any other is the Roman Catholic Church In The Worst of Indignities The Catholic Church on Slavery bestselling author Paul Kengor shines a light on The record and biblical roots of the Church s teaching on slavery The efforts of individuals and institutions within the Church to not only bring about freedom for enslaved people but to care for their physical and spiritual needs The stories of former slaves whose lives of exemplary holiness have placed them on the path of sainthood At a time when race relations are so bitter we need the clarifying truth to unite us all The story of the Roman Catholic Church s bold and divine opposition to slavery is one unknown to Catholics and non Catholics alike It is time for that story to be told

Slave of Christ Murray J. Harris,2001-05-29 Exploring what it means to be a slave of Christ Murray J Harris assesses the nature of slavery in the Greco Roman world in this New Studies in Biblical Theology volume He describes the New Testament s attitude toward slavery and discusses related topics like spiritual freedom lordship ownership and privilege

Antioch-on-the-Orontes George Wicker Elderkin,Richard Stillwell,1934 **The Slaves of the Churches** Mary E. Sommar,2020-08-26 In recent years stories of religious universities and institutions grappling with their slave owning past have made headlines in the news People find it shocking that the Church itself could have been involved in such a sordid business This timely book the result of many years of research is a study of the origins of this problem Mary E Sommar examines how the church sought to establish norms for slave ownership on the part of ecclesiastical institutions and personnel and for others behavior towards such slaves The story begins in the New Testament era when the earliest Christian norms were established and continues up to thirteenth century establishment of a body of canon law that would persist into the twentieth century Along with her analysis of the various policies and statutes Sommar draws on chronicles letters and other documents from each of the various historical periods to provide insight into the situations of unfree ecclesiastical dependents She finds that unfree dependents of the Church actually had less chance of achieving freedom than did the slaves of other masters The church authorities duty to preserve the Church s patrimony for the needs of future generations led them to hold on tightly to their unfree human resources This accessibly written book does not present an apology for the behavior of past Christian leaders but attempts to learn what they did and to arrive at some understanding of why they made those choices Incarceration and Slavery in the Middle Ages and the Early Modern Age Albrecht Classen,2021-10-19 People in the Middle Ages and the early modern age more often suffered from imprisonment and enslavement than we might have assumed Incarceration and Slavery in the Middle Ages and the Early Modern Age approaches these topics from a wide variety of perspectives and demonstrates collectively the great relevance of the issues

involved Both incarceration and slavery were and continue to be most painful experiences and no one was guaranteed exemption from it High ranking nobles and royalties were often the victims of imprisonment and at times had to wait many years until their ransom was paid Similarly slavery existed throughout Christian Europe and in the Arab world However while imprisonment occasionally proved to be the catalyst for major writings and creativity slaves in the Ottoman empire and in Egypt succeeded in rising to the highest position in society Janissaries Mamluks and others

American Catholics and Slavery, 1789-1866 Kenneth J. Zanca, 1994 This work brings together in one place primary material dealing with the issue of American Catholics and slavery The anthology is organized in three parts Each part is preceded by an introduction offering an overview of the section and each of the one hundred documents Part I contains documents which established the Roman Catholic position on the morality of slave and slave holding Part II focuses on the context of the United States in the 18th and 19th centuries in which the Roman church existed Part III presents documents generated by Catholics themselves specifically relating to slavery

Contents Introduction PART ONE THE CATHOLIC TRADITION ON SLAVERY The Hebrew Scriptures The New Testament The Letters of Paul Church Fathers and Theologians Church Councils A Slave Code of a Catholic King Papal Encyclicals PART TWO THE CONTEXT 18TH AND 19TH CENTURY AMERICA An Overview Slavery The Socio Political Setting Abolition and Abolitionists Uniquely a Minority Protestant View American Colonization Society Papal Statements on the Evils of the Age A Catholic World View Nativism and Anti Catholicism Attack and Response Friendly Observations of Catholics by Southerners PART THREE CATHOLICS ON SLAVERY 1789 1866 Observers of Catholics and Slavery The Catholic Press on the Subject of Slavery The Work of Religious Among the Blacks Catholics as Slave Buyers Sellers and Masters Statements of Former Slaves of Catholics Baptism Registers Statements of Catholic Priests Theologizing on Slavery Bishops Pastoral Letters on Slavery Personal Letters on Slavery Personal Letters of Catholic Bishops A Civil War Diary The Second Plenary Council of Baltimore Notes Index

The Mameluke; Or, Slave Dynasty of Egypt, 1260-1517, A. D. Sir William Muir, 1896

Masters and Slaves in the House of the Lord John B. Boles, 2021-03-17 Much that is commonly accepted about slavery and religion in the Old South is challenged in this significant book The eight essays included here show that throughout the antebellum period southern whites and blacks worshipped together heard the same sermons took communion and were baptized together were subject to the same church discipline and were buried in the same cemeteries What was the black perception of white controlled religious ceremonies How did whites reconcile their faith with their racism Why did freedmen as soon as possible after the Civil War withdraw from the biracial churches and establish black denominations This book is essential reading for historians of religion the South and the Afro American experience

Christ's Associations John S. Kloppenborg, 2019-11-26 A groundbreaking investigation of early Christ groups in the ancient Mediterranean As an urban movement the early groups of Christ followers came into contact with the many small groups in Greek and Roman antiquity Organized around the workplace a deity a diasporic identity or a neighborhood these

associations gathered in small face to face meetings and provided the principal context for cultic and social interactions for their members Unlike most other groups however about which we have data on their rules of membership financial management and organizational hierarchy we have very little information about early Christ groups Drawing on data about associative practices throughout the ancient world this innovative study offers new insight into the structure and mission of the early Christ groups John S Kloppenborg situates the Christ associations within the broader historical context of the ancient Mediterranean and reveals that they were probably smaller than previously believed and did not have a uniform system of governance and that the attraction of Christ groups was based more on practice than theological belief **Text** Edward Augustus Freeman,1882 **Kingdom of Fools** Nick Page,2012-05-10 Fools Rebels Ignorant peasants That s how the Roman world saw the first Christians Led by fishermen tax collectors and renegade Pharisees the first Christians shunned power and welcomed the poor and uneducated Roman commentators mocked their upside down values but the apostle Paul himself a Roman citizen and a Pharisee to boot affirmed that God chose what is foolish in the world to shame the wise Its followers were persecuted and its leaders killed yet this ragged collection of lowly tradesmen women slaves and a smattering of turncoat high born Jews created a movement that changed the world How did this happen How did the kingdom of fools conquer the mighty empire that was Rome In this fascinating new biography of the early church Nick Page sets the biblical accounts alongside the latest historical and archaeological research exploring how the early Christians lived and worshipped and just why the Romans found this new branch of the Jewish faith so difficult to comprehend THE KINGDOM OF FOOLS is a fresh challenging accessible portrait of a movement so radical so dangerous so thrillingly different that it outlasted the empire that tried to destroy it and went on to become the driving force of our cultural development and claims more followers today than ever before in history American History-Teacher James P. Stobaugh,James Stobaugh,2012-03 Teacher Guide for the 34 week 9th 12th grade history course This convenient teacher s guide includes perforated three hole punched worksheets grading criteria and exams to assess student comprehension This curriculum reflects a solid educational process to help a student develop a Christian world view and form his her own understanding of history from that perspective **Slavery, Religion, and Race in Antebellum Missouri** Kevin D. Butler,2023-01-09 Antebellum Missouri s location at the intersection of North South and West makes it a location that allows one to examine regionalism in the United States in one location since Missouri contained characteristics of each region Missouri also provides a view of how religion functioned for people in the antebellum United States The institution of slavery transformed evangelical Christianity in the South from an influence with potential to erode slavery into an institution that was a bulwark for slavery For African Americans religion constituted part of their cultural resistance against the dehumanization of slavery Through conjure their traditional religion they sought control over their own lives and practical tools to aid them with everyday issues Christianity also provided control over their destiny and a belief system that in their hands affirmed the

sinfulness of slavery and confirmed that it was their right and their destiny to be free
