Slave Power:

The Slave Power Leonard L. Richards, 2000-08-01 From the signing of the Constitution to the eve of the Civil War there persisted the belief that slaveholding southerners held the reins of the American national government and used their power to ensure the extension of slavery Later termed the Slave Power theory this idea was no mere figment of a lunatic fringe s imagination It was as Leonard L Richards shows in this innovative reexamination of the Slave Power endorsed at midcentury by such eminent and circumspect men as Abraham Lincoln William Henry Seward Charles Sumner the editors and owners of the New York Times and the Atlantic Monthly and the president of Harvard College With *The Slave Power* Richards reopens a discussion effectively closed by historians since the 1920s when the Slave Power theory was dismissed first as a distortion of reality and later as a manifestation of the paranoid style in the early Republic and attempts to understand why such reputable leaders accepted this thesis wholeheartedly as truth and why hundreds of thousands of voters responded to their call to arms Through incisive biographical cameos and narrative vignettes Richards explains the evolution of the Slave Power argument over time tracing the oft repeated scenario of northern outcry against the perceived slaveocracy followed by still another victory for the South the three fifths rule in congressional representation admission of Missouri as a slave state in 1820 the Indian removal of 1830 annexation of Texas in 1845 the Wilmot Proviso of 1847 the Fugitive Slave Law of 1850 and more Richards probes inter and intraparty strategies of the Democrats Free Soilers Whigs and Republicans and revisits national debates over sectional conflicts to elucidate just how the southern Democratic slaveholders with the help of some northerners assumed protected and eventually lost a dominance that extended from the White House to the Speaker s chair to the Supreme Court *The Slave Power* reveals in a direct and compelling way the importance of slavery in the structure of national politics from the earliest moments of the federal Union through the emergence of the Republican Party Extraordinary in its research and interpretation it will challenge and edify all readers of American history

Territorial Slave Code Henry Wilson, 1860 Liberty Power Corey M. Brooks, 2016-01-14 Abraham Lincoln's Republican Party was the first party built on opposition to slavery to win on the national stage but its victory was rooted in the earlier efforts of under appreciated antislavery third parties Liberty Power tells the story of how abolitionist activists built the most transformative third party movement in American history and effectively reshaped political structures in the decades leading up to the Civil War As Corey M Brooks explains abolitionist trailblazers who organized first the Liberty Party and later the more moderate Free Soil Party confronted formidable opposition from a two party system expressly constructed to suppress disputes over slavery Identifying the Whigs and Democrats as the mainstays of the southern Slave Power's national supremacy savvy abolitionists insisted that only a party independent of slaveholder influence could wrest the federal government from its grip A series of shrewd electoral lobbying and legislative tactics enabled these antislavery third parties to wield influence far beyond their numbers In the process these parties transformed the national political debate and laid the groundwork for the success of the Republican Party and the end of American slavery **History of the Rise and Fall of the Slave Power in America** Henry Wilson, 1969 **The Slave Power** John Elliott Cairnes, 1863 *The Slave Power; Its Character, Career & Probable Designs* John Elliott Cairnes, 1968 **Negro President** Garry Wills, 2005 Moving beyond the recent revisionist debate over Jefferson's own slaves and his relationship with Sally Hemings Wills instead probes the heart of Jefferson's presidency and political life revealing how the might of the slave states remained a concern behind his most important policies and decisions **The Slave Power** Theodore Parker, 1916 *Fugitive Slaves (1619-1865)* Marion Gleason McDougall, 1891

Uncover the mysteries within Explore with is enigmatic creation, Embark on a Mystery with **Slave Power** .
