Slaves And Nonwhite Free Persons In The 1790 Federal Census Of New York:

Slaves and Nonwhite Free Persons in the 1790 Federal Census of New York Gilbert S. Bahn, 2000 John Jay and Alexander Hamilton on Black Enslavement Arthur Scherr, 2025-01-10 In this groundbreaking study Arthur Scherr examines the positions on slavery held by two of the most famous New Yorkers of the early American Republic John Jay and Alexander Hamilton Using Hamilton's 1779 proposal to free Southern slaves on the condition that they fight in the Continental Army as a starting point Scherr assesses the pair's positions on enslavement Utilizing often untouched resources Scherr offers a re-evaluation of Hamilton and Jay's modern status as antislavery icons **The Ties That Buy** Ellen Hartigan-O'Connor, 2012-02 In 1770 tavernkeeper Abigail Stoneman called in her debts by flourishing a handful of playing cards before the Rhode Island Court of Common Pleas Scrawled on the cards were the IOUs of drinkers whose links to Stoneman testified to women's paradoxical place in the urban economy of the late eighteenth and early nineteenth centuries Stoneman did traditional women's work boarding feeding cleaning and selling alcohol but her customers like her creditors underscore her connections to an expansive commercial society These connections are central to *The Ties That Buy* Historian Ellen Hartigan O'Connor traces the lives of urban women in early America to reveal how they used the ties of residence work credit and money to shape consumer culture at a time when the politics of the marketplace was gaining national significance Covering the period 1750-1820 the book analyzes how women such as Stoneman used and were used by shifting forms of credit and cash in an economy transitioning between neighborly exchanges and investment-oriented transactions In this world commerce reached into every part of life At the hearths of multifamily homes renters lodgers and recent acquaintances lived together and struck financial deals for survival Landladies enslaved washerwomen shopkeepers and hucksters sustained themselves by serving the mobile population A new economic practice in America shopping mobilized hierarchical and friendly relationships into wide-ranging consumer networks that depended on these same market connections Rhetoric emerging after the Revolution downplayed the significance of expanding female economic life in the interest of stabilizing the political order But women were quintessential market participants with fluid occupational identities cross-class social and economic connections and a firm investment in cash and commercial goods for power and meaning **The American Census Handbook** Thomas Jay Kemp, 2001 Offers a guide to census indexes including federal state county and town records available in print and online arranged by year geographically and by topic Encyclopedia of African American History, 1619-1895 Paul Finkelman, 2006-04-06 It is impossible to understand America without understanding the history of African Americans In nearly seven hundred entries the *Encyclopedia of African American History 1619-1895* documents the full range of the African American experience during that period from the arrival of the first slave ship to the death of Frederick Douglass and shows how all aspects of American culture history and national identity have been profoundly influenced by the experience of African Americans The *Encyclopedia* covers an extraordinary range of subjects Major topics such as

Abolitionism Black Nationalism the Civil War the Dred Scott case Reconstruction Slave Rebellions and Insurrections the Underground Railroad and Voting Rights are given the in depth treatment one would expect But the encyclopedia also contains hundreds of fascinating entries on less obvious subjects such as the African Grove Theatre Black Seafarers Buffalo Soldiers the Catholic Church and African Americans Cemeteries and Burials Gender Midwifery New York African Free Schools Oratory and Verbal Arts Religion and Slavery the Secret Six and much more In addition the Encyclopedia offers brief biographies of important African Americans as well as white Americans who have played a significant role in African American history from Crispus Attucks John Brown and Henry Ward Beecher to Olaudah Equiano Frederick Douglass Sarah Grimke Sojourner Truth Nat Turner Phillis Wheatley and many others All of the Encyclopedia s alphabetically arranged entries are accessibly written and free of jargon and technical terms To facilitate ease of use many composite entries gather similar topics under one headword The entry for Slave Narratives for example includes three subentries The Slave Narrative in America from the Colonial Period to the Civil War Interpreting Slave Narratives and African and British Slave Narratives A headnote detailing the various subentries introduces each composite entry Selective bibliographies and cross references appear at the end of each article to direct readers to related articles within the Encyclopedia and to primary sources and scholarly works beyond it A topical outline chronology of major events nearly 300 black and white illustrations and comprehensive index further enhance the work s usefulness *The New York Genealogical and Biographical Record* ,2000

Everton's Genealogical Helper ,2000-07 **Ethnic Genealogy** Jessie Smith,1983-11-22 This work will be useful to librarians to genealogists and to persons searching American Indian Asian American black American and Hispanic American ancestries Family researchers or librarians will find this comprehensive user friendly work invaluable Reference Books Bulletin **North Star Country** Milton C. Sernett,2001-12-01 North Star Country is the story of the remarkable transformation of Upstate New York s famous Burned over District where the flames of religious revival sparked an abolitionist movement that eventually burst into the conflagration of the Civil War Milton C Sernett details the regional presence of African Americans from the pre Revolutionary War era through the Civil War both as champions of liberty and as beneficiaries of a humanitarian spirit generated from evangelical impulses He includes in his narrative the struggles of great abolitionists among them Harriet Tubman Frederick Douglass Gerrit Smith Beriah Green Jermain Loguen and Samuel May and of many lesser known characters who rescued fugitives from slave hunters maintained safe houses along the Underground Railroad and otherwise furthered the cause of freedom both regionally and in the nation as a whole Sernett concludes with a compelling examination of the moral choices made during the Civil War by upstate New Yorkers both black and white and of the post Appomattox campaign to secure freedom for the newly emancipated List of Pre-1840 Federal District and Circuit Court Records United States National Archives and Records Service,Debra Newman Ham,National Archives (U.S.),1972 *The Rising Generation* Sarah L. H. Gronningsater,2024-07-30 Chronicles the history of emancipation

through the cradle to grave experiences of a remarkable generation of black northerners The Rising Generation chronicles the long history of emancipation in the United States through the cradle to grave experiences of a generation of black New Yorkers Born into precarious freedom after the American Revolution and reaching adulthood in the lead up to the Civil War this remarkable generation ultimately played an outsized role in political and legal conflicts over slavery s future influencing both the nation s path to the Civil War and changes to the US Constitution Through exhaustive research in archives across New York State where the largest enslaved population in the North resided at the time of the American Revolution Sarah L H Gronningsater begins by exploring how English colonial laws shaped late eighteenth century gradual abolition acts that freed children born to enslaved mothers The boys and girls affected by these laws were born into a quasi free legal status They were technically not enslaved but were nonetheless required to labor as servants until they reached adulthood Parents teachers and mentors of these children of gradual abolition found multiple ways to protect and nurture the boys and girls in their midst They supported and founded schools formed ties with white lawyers and abolitionists petitioned local and state officials for better laws guarded against kidnapping and cruelty and shaped New York s evolving identity as a free state Black fathers used their votes during annual state elections in the early 1800s to influence legislative antislavery efforts After many but not all black men in the state were disfranchised by a race based property requirement in 1822 black citizens across New York organized to regain equal suffrage and to expand and protect other crucial non gendered features of state citizenship Women and children were critical participants in these efforts Gronningsater shows how as the children of gradual abolition reached adulthood they took the lessons of their youth into midcentury campaigns for legal equality political inclusion equitable common school education and the expansion of freedom across the nation

From Here to Equality, Second Edition William A. Darity Jr.,Andrea Kirsten Mullen,2022-07-27 Racism and discrimination have choked economic opportunity for African Americans at nearly every turn At several historic moments the trajectory of racial inequality could have been altered dramatically But neither Reconstruction nor the New Deal nor the civil rights struggle led to an economically just and fair nation Today systematic inequality persists in the form of housing discrimination unequal education police brutality mass incarceration employment discrimination and massive wealth and opportunity gaps Economic data indicates that for every dollar the average white household holds in wealth the average black household possesses a mere ten cents This compelling and sharply argued book addresses economic injustices head on and make the most comprehensive case to date for economic reparations for U S descendants of slavery Using innovative methods that link monetary values to historical wrongs William Darity Jr and A Kirsten Mullen assess the literal and figurative costs of justice denied in the 155 years since the end of the Civil War and offer a detailed roadmap for an effective reparations program including a substantial payment to each documented U S black descendant of slavery This new edition features a new foreword addressing the latest developments on the local state and federal level and considering current prospects for a

comprehensive reparations program *Against the Odds* Jane G. Landers, 2013-10-18 The seven contributions contained in this collection address various forms of manumission throughout the American South as well as the Caribbean Topics include color class and identity on the eve of the Haitian revolution where free persons of color stood in the hierarchy of wealth in antebellum *Black Confederates and Afro-Yankees in Civil War Virginia* Ervin L. Jordan, 1995 A study of the role of Afro Virginians in the Civil War *The Encyclopedia of New York State* Peter Eisenstadt, 2005-05-19 The Encyclopedia of New York State is one of the most complete works on the Empire State to be published in a half century In nearly 2 000 pages and 4 000 signed entries this single volume captures the impressive complexity of New York State as a historic crossroads of people and ideas as a cradle of abolitionism and feminism and as an apex of modern urban suburban and rural life The Encyclopedia is packed with fascinating details from fields ranging from sociology and geography to history Did you know that Manhattan s Lower East Side was once the most populated neighborhood in the world but Hamilton County in the Adirondacks is the least densely populated county east of the Mississippi New York is the only state to border both the Great Lakes and the Atlantic Ocean the Erie Canal opened New York City to rich farmland upstate and to the west Entries by experts chronicle New York s varied areas politics and persuasions with a cornucopia of subjects from environmentalism to higher education to railroads weaving the state s diverse regions and peoples into one idea of New York State Lavishly illustrated with 500 photographs and figures 120 maps and 140 tables the Encyclopedia is key to understanding the state s past present and future It is a crucial reference for students teachers historians and business people for New Yorkers of all persuasions and for anyone interested in finding out more about New York State *Port Cities of the Atlantic World* Jacob Steere-Williams, Blake C. Scott, 2023-12-14 Traces the maritime routes and the historical networks that link port cities around the Atlantic world Port Cities of the Atlantic World brings together a collection of essays that examine the centuries long transatlantic transportation of people goods and ideas with a focus on the impact of that trade on what would become the American South Employing a wide temporal range and broad geographic scope the scholars contributing to this volume call for a sea facing history of the South one that connects that terrestrial region to this expansive maritime history By bringing the study up to the 20th century in the collection s final section the editors Jacob Steere Williams and Blake C Scott make the case for the lasting influence of these port cities and Atlantic world history on the economy society and culture of the contemporary South **Generations of Captivity** Ira Berlin, 2004-09-30 Ira Berlin traces the history of African American slavery in the United States from its beginnings in the seventeenth century to its fiery demise nearly three hundred years later Most Americans black and white have a singular vision of slavery one fixed in the mid nineteenth century when most American slaves grew cotton resided in the deep South and subscribed to Christianity Here however Berlin offers a dynamic vision a major reinterpretation in which slaves and their owners continually renegotiated the terms of captivity Slavery was thus made and remade by successive generations of Africans and African Americans who lived through settlement and

adaptation plantation life economic transformations revolution forced migration war and ultimately emancipation Berlin's understanding of the processes that continually transformed the lives of slaves makes *Generations of Captivity* essential reading for anyone interested in the evolution of antebellum America Connecting the Charter Generation to the development of Atlantic society in the seventeenth century the Plantation Generation to the reconstruction of colonial society in the eighteenth century the Revolutionary Generation to the Age of Revolutions and the Migration Generation to American expansionism in the nineteenth century Berlin integrates the history of slavery into the larger story of American life He demonstrates how enslaved black people by adapting to changing circumstances prepared for the moment when they could seize liberty and declare themselves the Freedom Generation This epic story told by a master historian provides a rich understanding of the experience of African American slaves an experience that continues to mobilize American thought and passions today **The Searcher** ,2006 **Knights of the Razor** Douglas Walter Bristol,2009-11 They advocated economic independence from whites and founded insurance companies that became some of the largest black owned corporations L Diane Barnes Alabama Review [Special List - National Archives and Records Service](#) United States.
