fun bedtime stories increase the odds of getting at least a half night's sleep. Combining great bedtime stories with promises of continued fun increase sleep time dramatically or at least a little bit. With the right bedtime story book in hand, adults can expect to get at least one more glorious full hour of one eye open sleep per night. Caroline, also known as Grandma Doe, has tested this theory. She can confirm that after reading her new book *The Dreaming House* to her grandkids before bedtime, she's gotten at least 4 hours of sleep IN A ROW on the nights that they've had sleepovers. It should be noted though that Grandma Doe has always gotten less sleep than her grandkids, no matter which stories have been read to them at bedtime. Sometimes grandkids are not at fault for staying up past bedtime. Like many fun-loving Grannies out there, Grandma Doe often gets redirected by the parents of her grandkids for her reluctance to end the playing and to just go to sleep. Often Grandma Doe's grandkids head out to dreamland well before she is ready to be done playing. Grandmas are just that way sometimes.
