Award finalist David Plante's extraordinary diaries of a life lived among the artistic elite in 1960s London. Nikos and I live together as lovers as everyone knows and we seem to be accepted because it's known that we are lovers. In fact we are according to the law criminals in our making love with each other but it is as if the laws don't apply. It is as if all the conventions of sex and clothes and art and music and drink and drugs don't apply here in London. In the 1960s strangers to their new city and from the different worlds of New York and Athens, David and Nikos embarked on a life together, a partnership that would endure for forty years. At a moment of absolute respect for differences, London offered a freedom in love unattainable in their previous homes. Friendships with Stephen and Natasha Spender, Francis Bacon, Sonia Orwell, W. H. Auden, Christopher Isherwood, Steven Runciman, David Hockney, and R. B. Kitaj; meetings with such Bloomsbury luminaries as E. M. Forster and Duncan Grant; and a developing friendship with Philip Roth living in London with Claire Bloom opened up worlds within worlds. Connections appeared to crisscross invisibly through the air, interconnecting everyone. David Plante has kept a diary of his life for more than half a century. Both a deeply personal memoir and a fascinating and significant work of cultural history, this first volume spans his first twenty years in London, beginning in the mid sixties and pieces together fragments of diaries, notes, sketches, and drawings to reveal a beautiful, intimate portrait of a relationship and a luminous evocation of a world of writers, poets, artists, and thinkers. **The Writers Directory**, 2013 *LGBTQ America Today* John Charles Hawley, 2008-11-30 Lesbian, gay, bisexual, transgender, and queer culture is a vibrant and rapidly evolving segment of the American mosaic. This book gives students and general readers a current guide to the people and issues at the forefront of contemporary LGBTQ America. Included are more than 600 alphabetically arranged entries on literature and the arts, associations and organizations, individuals, law, and public policy concerns, health, and relationships, sexual issues, and numerous other topics. Entries are written by distinguished authorities and cite works for further reading, and the encyclopedia closes with a selected general bibliography. Students in social studies, history, and literature classes will welcome this book's illumination of American cultural diversity. LGBTQ Americans have endured many struggles, and during the last decade, in particular, they have made tremendous contributions to our multicultural society. Drawing on the expertise of numerous expert contributors, this book gives students and general readers a current overview of contemporary LGBTQ American culture. Sweeping in scope, the encyclopedia looks at literature and the arts, associations and organizations, individuals, law, and public policy concerns, health, and relationships, sexual practices, and various other areas. Entries cite works for further reading, and the encyclopedia closes with a selected general bibliography. While extensive biographical entries give readers a sense of the lives of prominent lesbian, gay, bisexual, transgender, and queer Americans, the many topical entries provide full coverage of the challenges and contributions for which these people are known. The encyclopedia supports the social studies curriculum by helping students learn about cultural diversity, and it supports the literature curriculum by helping students learn about LGBTQ writers and their works. **The Library Journal Book Review**, 1971

**The Publishers Weekly** ,1974      **Contemporary literary criticism** Daniel G. Marowski, Sharon R. Gunton, 1973

Entries include critical commentary brief biographical information a portrait when available a list of principal works and may also include a further reading section

**The Age of Terror** David Plante, 2000-01-01 Set in the seamy world of the Russian sex slave trade The Age of Terror is the harrowing story of Joe a disillusioned young American expatriate and lapsed Catholic who searches for life's meaning in the Soviet Union on the eve of its disintegration Plante plays brilliantly with our assumptions of both the United States and Russia and ultimately proclaims a universal theme of sacredness and redemption
