Harrow Amanda Troyer, 2014-08-27 Sixteen year old Brenna doesn't believe her vivid imagination can hurt her until she wakes up in a church covered in blood. Blood that isn't hers. She thinks her life can't get much worse but when she finally finds a way to escape her abusive home her imagination turns to nightmarish hallucinations. Niven likes staying inside the abandoned church hiding from his violent father. The two bond through art and misery but Brenna knows good things in her life don't last long. Her delusions take a horrific turn when she thinks she sees two men gruesomely murdered by a monster in the church basement but in the end she's the one with blood on her hands.

Harrow Joy Williams, 2021-09-14 In her first novel since the Pulitzer Prize nominated *The Quick and the Dead* the legendary writer takes us into an uncertain landscape after an environmental apocalypse a world in which only the man made has value but some still wish to salvage the authentic. She practices camouflage except that instead of adapting to its environment Williams's imagination by remaining true to itself reveals new colorations in the ecology around her.

A O Scott *The New York Times Book Review* Khristen is a teenager who her mother believes was marked by greatness as a baby when she died for a moment and then came back to life. After Khristen's failing boarding school for gifted teens closes its doors and she finds that her mother has disappeared she ranges across the dead landscape and washes up at a resort on the shores of a mysterious putrid lake the elderly residents there call Big Girl. In a rotting honeycomb of rooms these old ones plot actions to punish corporations and people they consider culpable in the destruction of the final scraps of nature's beauty. What will Khristen and Jeffrey the precocious ten year old boy she meets there learn from this gabby seditious lot in the worst of health but with kamikaze hearts an army of the aged and ill determined to refresh through crackpot violence a plundered earth. Rivetingly strange and beautiful and delivered with Williams's searing deadpan wit *Harrow* is their intertwined tale of paradise lost and of their reasons against all reasonableness to try and recover something of it.
