An all new multi age children s ministry program that will help your kids learn how they can talk with God *One True Life*
Christopher Kavin Rowe,2016-01-01 In this groundbreaking cross disciplinary work of philosophy and biblical studies New
Testament scholar C Kavin Rowe explores the promise and problems inherent in engaging rival philosophical claims to what
is true Juxtaposing the Roman Stoics Seneca Epictetus and Marcus Aurelius with the Christian saints Paul Luke and Justin
Martyr and incorporating the contemporary views of Jeffrey Stout Alasdair McIntyre Charles Taylor Martha Nussbaum Pierre
Hadot and others the author suggests that in a world of religious pluralism there is negligible gain in sampling from separate
belief systems This thought provoking volume reconceives the relationship between ancient philosophy and emergent
Christianity as a rivalry between strong traditions of life and offers powerful arguments for the exclusive commitment to a
community of belief and a particular form of philosophical life as the path to existential truth Letters of the Divine Word
Robert B. Price,2011-05-26 The Christian doctrine of God has traditionally been presented in two parts an account of the
existence and attributes of God on the one hand and an account of God s triunity on the other The present study is an
analysis of Karl Barth s doctrine of the divine attributes or perfections as it appears in his Church Dogmatics II 1 Barth s
doctrine of the divine perfections has received comparatively little attention and what attention it has received is typically
very selective Authors unaware of larger structural themes in Barth s account often misconstrue significant details of Barth s
text Others wrongly discount the implications of Barth s doctrine of the perfections for his theology as a whole The aim of
this study is primarily to clarify what Barth says about the perfections and secondarily to relate this to broader themes in
Barth s theology T T Clark Studies in Systematic Theology is a series of monographs in the field of Christian doctrine with a
particular focus on constructive engagement with major topics through historical analysis or contemporary restatement
