## Small Texan:

**The Small Texan** John Thomas Edson,1969      The Texan Scouts Joseph A. Altsheler,2019-11-26 The Texan Scouts by Joseph A Altsheler is the story of the Battle at the Alamo Altsheler s cow rancher hero Ned must survive and watch as his town crumbles at the hands of war Excerpt The horseman rode slowly toward the west stopping once or twice to examine the wide circle of the horizon with eyes that were trained to note every aspect of the wilderness On his right the plains melted away in gentle swell after swell until they met the horizon Their brown surface was broken only by the spiked and thorny cactus and stray bits of chaparral On his left was the wide bed of a river that flowed through the sand breaking here and there into several streams and then reuniting only to scatter its volume a hundred yards further into three or four channels A bird of prey flew on strong wings over the water dipped and then rose again but there was no other sign of life Beyond the country southward rolled away gray and bare sterile and desolate      **Uniquely Texas** Mary Dodson Wade,2008-05-28 Discusses the features that make Texas a one of a kind place including state government state symbols sports and cultural features      **The Texan Star & The Texan Scouts** Joseph Alexander Altsheler,2019-06-03 The story is set in the early stages of the Texas revolution Stephen Austin and his young friend Ned begin the adventure of traveling back to Texas to warn the others of Santa Anna s plan to take his army north Along the way they will have encounters with the Mexican army the Native Americans and the Texan cowboys      **Chariton Review 33.1** Truman State University Press,2010-04-30 Chariton Review Spring 2010      *Texas* William H. Brooker,1897      **The Conquest of Texas** Gary Clayton Anderson,2005 At the very heart of Texas mythology are the Texas Rangers Until now most histories have justified their actions and vilified their opponents But Anderson tells how the Texas government encouraged the rangers to annihilate Indian villages including women and children spreading terror so that the survivors and neighboring Native groups would want to leave The policy succeeded by the 1870s Indians had been driven from central and western Texas Anderson offers a new paradigm for understanding the violence dominating Texas history By confronting head on the romanticized version of Texas history that made heroes of Houston Lamar and Baylor this account helps us understand that the history of the Lone Star state is darker and more complex than the mythmakers allowed Book jacket      **Six Decades in Texas** Francis Richard Lubbock,1900 History of Texas from Its First Settlement in 1685 to Its Annexation to the United States in 1846 Henderson K. Yoakum,1855      **The History of Texas** ,2014-01-28 The History of Texas is fully revised and updated in this fifth edition to reflect the latest scholarship in its coverage of Texas history from the pre Columbian era to the present Fully revised to reflect the most recent scholarly findings Offers extensive coverage of twentieth century Texas history Includes an overview of Texas history up to the Election of 2012 Provides online resources for students and instructors including a test bank maps presentation slides and more      Texas, the Dark Corner of the Confederacy B. *Inside the Texas Revolution* James E. Crisp, 2021-07-19 Herman Ehrenberg wrote the longest most complete and most vivid memoir of any soldier in the Texan revolutionary army His narrative was published in Germany in 1843 but it was little used by Texas historians until the twentieth century when the first and very problematic attempts at translation into English were made Inside the Texas Revolution The Enigmatic Memoir of Herman Ehrenberg is a product of the translation skills of the late Louis E Brister with the assistance of James C Kearney both noted specialists on Germans in Texas The volume s editor James E Crisp has spent much of the last 27 years solving many of the mysteries that still surrounded Ehrenberg s life It was Crisp who discovered that Ehrenberg lived in the Texas Republic until at least 1840 and spent the spring of that year as ranger on the frontier Ehrenberg was not a historian but an ordinary citizen whose narrative of the Texas Revolution contains both spectacular eyewitness accounts of action and almost mythologized versions of major events that he did not witness himself This volume points out where Ehrenberg is lying or embellishing explains why he is doing so and narrates the actual relevant facts as far as they can be determined Ehrenberg s book is both a testament by a young Texan everyman who presents a laudatory paean to the Texan cause and a German s explanation of Texas and its fight for freedom against Mexico to his fellow Germans with a powerful subtext that patriotic Germans should aspire to a similar struggle and a similar outcome a free democratic republic
