Heinzen, Wind Goodfriend, 2020-10-15 This award winning text invites students to discover social psychology's relevance to their lives. Authors Thomas Heinzen and Wind Goodfriend capture student interest by weaving stories drawn from their own personal experiences with compelling examples from everyday life, all carefully placed in historical context. Social psychology is presented as an evolving science; driven conversations in chapters build on core questions central to scientific inquiry while a methods in context approach cultivates psychological literacy. The Second Edition has been thoroughly updated with new pop culture examples, additional diversity coverage, recent controversies related to the Zimbardo and Milgram studies, and over a hundred new citations from the latest research. This title is accompanied by a complete teaching and learning package.

Amazon Natalie Berg, Miya Knights, 2021-11-03 Amazon, one of the world's most valuable companies, is worth more than Walmart, Netflix, Target, Nike, and Costco combined. What are the secrets to its success? How can these insights be applied to other businesses in the e-commerce sector? The retail industry is facing unprecedented challenges. Across all sectors and markets, retailers are shifting their business models and customer engagement strategies to ensure they survive. Amazon offers unique insight into the company's persistent dissatisfaction with the status quo and innovation, and how it has fundamentally changed the ways in which we shop. This fully updated second edition explores Amazon's response to the coronavirus pandemic, the convergence of physical and digital retail, e-commerce economics and sustainability, as well as future policy implications. Written by industry-leading retail analysts and with the first edition now translated into more than a dozen languages, Amazon is an invaluable resource for discovering the lessons that can be learned from the company's unprecedented rise to dominance. *FT Guide to Management* Ann Francke, 2014-02-05 From motivating a team and developing star talent to controlling budgets and fostering innovation, *The Financial Times Guide to Management* is your authoritative guide to becoming an effective manager.
