Illuminating Humor of the Bible Steven Walker, 2013-06-18 Humor smiles and chuckles and sometimes laughs so loud in virtually every book of the Bible so it's remarkable how readers manage to overlook it It's also unfortunate Humor graces biblical texts at so many levels that to miss the humor is to miss not only much of the emotional impact of the Bible but much of its meaning Illuminating Humor of the Bible shows how and how much comic elements contribute to understanding the most vital book in our culture Biblical humor has been seriously underestimated We have not begun to appreciate why humor winks with such unexpected frequency and understated significance from this revered text It's time to shine a spotlight on scriptural wit to illuminate the ways humor refracts biblical meaning Unveiled by the frank perspective of humor Bible texts reveal implications that will surprise the most informed readers The reader response lamp of humor lights up dark corners of biblical significance inaccessible until now Awareness of the irony and wit and satire and slapstick enables not just better readings but better ways to read Go where no Bible reader has gone before Try eight fresh and relevant methods of reading the Bible better through the lens of its humor
