Nixon Jonathan Lowy,2016-06-15 A darkly comic fictional trip through 1970s Americana with Richard Nixon and Elvis
Presley riding shotgun On December 21st 1970 a drug addled Elvis Presley showed up unannounced at the entrance gate of
the White House with a handwritten request to meet with President Nixon Elvis lamented the Beatles as a real force for anti
American spirit and assured the commander in chief I m on your side With aides watching and flashbulbs popping Nixon
presented Elvis with an FBI Special Narcotics Agent badge an ecstatic Elvis put his arms around the President pulling him in
for a spontaneous embrace It was a surreal yet undeniably real moment in history But the stranger than fiction story doesn t
end or begin there Against the backdrop of that historical meeting Jonathan Lowy weaves a vivid web of stories about the
eccentric cast of characters whose lives were forever changed by the encounter Some of the stories are fact some are fiction
but all are unforgettable We meet a colonel who spends his tormented days at the Pentagon trying to develop the right PR
spin on the My Lai massacre an eager beaver policy wonk who cooks up feel good White House programs to distract the
public from the war and a disabled black veteran whose act of protest in a Rose Garden ceremony sets off a spectacular chain
of events In the middle of the fray stand Richard Nixon his integrity and presidency becoming more precarious by the day
and Elvis Presley desperately searching for what he s lost along the way to stardom Impossible to put down and peopled with
a memorable cast of characters Elvis and Nixon is a sleek incisive exploration of America at a crucial tipping point
