And the perfect person to help her is Nick Brown, her charming attractive new neighbor who she feels drawn to for reasons she can't explain. But little does she know Nick is an author, her favorite fantasy author Nick who has his reasons for using a pen name and pushing people away soon realizes that the beautiful quiet girl from down the hall is the same Lily he fell in love with over email months ago. Unwilling to complicate things even more between them, he agrees to set her up with someone else though this simple favor between two neighbors is anything but not when he can't get her off his mind.
