major liquidations of 1942 **Irena's Gift** Karen Kirsten, 2024-07-23 Weaving mystery history and memoir Irena's Gift is the captivating account of one woman's personal quest to uncover the unspoken and give voice to her family's secret war-torn history. From the glittering concert halls of interbellum Warsaw to the vermin-infested prison where an SS officer is convinced to save a Jewish child's life to the author's upbringing in a Christian home, this is a story of resilience, sacrifice, Jewish identity, intergenerational trauma, and the secrets we keep to protect ourselves and those we love. For readers of *When Time Stopped* by Ariana Neumann, *I Want You to Know We're Still Here* by Esther Safran Foer, and *House of Glass* by Hadley Freeman, *Irena's Gift* interrogates the messy complexity of family, both its tenderness and nurture but also its corrosive anger and rejection.

GERALDINE BROOKS New York Times bestselling author and Pulitzer Prize winner. In 1942 in German-occupied Poland, a Jewish baby girl was smuggled out of the Warsaw ghetto in a backpack. That baby, Joasia, knew nothing about this extraordinary event until she was thirty-two when a letter arrived from a stranger. She also learned that the parents who raised her were actually her aunt and uncle. Joasia kept this knowledge hidden from her own daughter, Karen, until an innocent question unexpectedly revealed the truth. Determined to understand the generational trauma that cloaked her family in silence, her own origins, and to help heal her mother's pain, Karen set out to unearth decades of secrets and piece together a hidden history from the glittering days of pre-war Poland to the little-known Radom Prison, where of 500 resistance members tortured, only 10 survived, her grandfather, the only known Jewish one. There, Karen finds answers, yet not easy ones. As she exposes her family's saga of love and betrayal, countless brushes with death, precarious hiding places, and the astounding negotiation with an SS officer who saved her mother's life, Karen must reconcile the complicated, multi-faceted truths behind human behavior. *Irena's Gift* weaves together a mystery, history, and memoir to tell a story of sacrifice, impossible choices, impossible odds, and the way trauma reverberates throughout generations. Yet it is also a story of resilience and bravery, revealing how love and hope too can not only prevail through the worst imaginable circumstances but resonate through time.

The Dark Heart of Hitler's Europe Martin Winstone, 2014-10-30 After the German attack on Poland in 1939, vast swathes of Polish territory, including Warsaw and Krakow, were occupied by the Nazis in an administration which became known as the General Government. The region was not directly incorporated into the Third Reich but was ruled by a German regime headed by the brutal and corrupt Governor General Hans Frank. This was indeed the dark heart of Hitler's empire. As the first genuine Nazi colony, the General Government became the principal racial laboratory of the Third Reich. As such, it was the site and main source of victims of Aktion Reinhard, the largest killing operation in human history, in which at least 1.7 million Jews were murdered in just 18 months, and of a campaign of terror, exploitation, and ultimately ethnic cleansing against the Polish population, which was intended to serve as a template for the rest of eastern Europe. It was a place where 42,000 people could be shot in two days, where thousands of children could be abducted from their families, never to see their homeland again, and where guidebooks could invite German tourists to enjoy

the culture and nightlife of cities that were now free of Jews This book provides a thorough history of the Nazi occupation regime and the experiences of the Poles Jews and others who were trapped in its clutches Employing sources ranging from diaries and testimony to previously underused material such as travel guides and poetry Martin Winstone provides a unique insight into the occupation regime which dominated much of Poland during World War II with such disastrous consequences
