Contribution in the Emotions Section of the American Sociological Association With contributions from leading scholars from different areas in the discipline such as neurosociology culture economics mental health gender social movements discussing state of art theory and research on emotions in sociology this volume will generate wider appeal to the sociological community

Caged Emotions Ben Laws,2022-05-04 This book focuses on the emotional experience of imprisonment In no uncertain terms prisons seethe with emotions and feelings Based on two empirically rigorous studies this book analyses how prisoners attempt to adapt and control their emotions It begins with an account of male and female prisoners held in medium security prisons and then moves to the particular case of emotions in solitary confinement There has been a turn towards emotions in criminology but this is the first book to centralize the subject of prisoner emotions in a detailed manner The ethnographic study of feelings has much to contribute to broader debates about survival in prison and pathways to desistance Most importantly it emphasizes that full blooded depictions of prisoners belong at the heart of academic inquiry **Adult**

Crying Ad J.J.M. Vingerhoets,Randolph R. Cornelius,2012-12-06 Crying is a typical human expression of emotion Surprisingly until now little scientific attention has been devoted to this phenomenon Many textbooks on emotion fail to pay attention to it and in scientific journals there are hardly any contributions focusing on this behavior In contrast there is much interest from the lay public allowing pseudo scientists to formulate theories that have little or no scientific basis Is there any evidence in support of statements that crying is healthy or that not crying may result in toxification How do people react to the crying of others Is crying important for the diagnosis of depression and if so how This book aims to fill this gap in scientific literature Crying is discussed from several perspectives and specific attention is given to methodological issues and assessment Each chapter provides a review and a summary of the relevant scientific literature **Socio-emotional Skills in Relation to**

Aggressive and Prosocial Behaviors: From Early Childhood to Adolescence Carmen Belacchi,Eleonora Farina,Paola Molina,Nicoletta Businaro,2022-11-16 **Emotions, Technology, and Behaviors** Sharon Y. Tettegah,Dorothy L.

Espelage,2015-10-26 Exploring the connections between technology emotions and behaviors is increasingly important as we spend more and more time online and in digital environments Technology Emotions and Behavior explains the role of technology in the evolution of both emotions and behaviors and their interaction with each other It discusses emotion modeling distraction and contagion as related to digital narrative and virtual spaces It examines issues of trust and technology behaviors used by individuals who are cut off from technology and how individuals use technology to cope after disasters such as Hurricane Sandy Technology Emotions and Behaviors ends by exploring the construct of empathy and perspective taking through online videos and socially shared activities Practitioners and researchers will find this text useful in their work Reviews the intersection between emotional contagion and emotional socialization theory in virtual interactions Examines cross cultural communicative feedback Discusses the multi dimensions of trust in technology Covers digilante rhetoric and its emotional appeal Devotes an entire section to cyberbullying **Emotion in Organizations** Stephen

Fineman,2000-09-05 This Second Edition contains key themes with all new contributors and is a completely separate work from the first Emotion in Organization presents original work from leading scholars in the field they engage with emotion as a qualitative phenomenon which shapes and is shaped by organizational life Examining how emotion cannot be simply separated from thinking judgment decision making and other so called rational organizational processes the book challenges us to build a passionate theory of organizations The introduction reviews the expansion of organizational emotion studies and their appeal to several social scientific disciplines Divided into four parts the book reveals through stories interview
