methods **Social Studies for Young Children** Gayle Mindes, Mark Newman, 2021-08-30 This book anchors the social studies as the central unifying force for young children Teachers use the inquiry process to foster child development of social skills and citizenship ideals in their first classroom experiences Curriculum is built starting with children s natural curiosity to foster literacy in all its form speaking listening reading writing Along the way young children acquire knowledge and academic skills in civics economics geography and history Shown throughout are ways to promote social learning self concept development social skills and citizenship behaviors Featured here are individually appropriate and culturally relevant developmental practices Considered are the importance of family collaboration and funds of knowledge children bring to early care and education Contributors to this edition bring expertise from bilingual early education literacy special education and the social studies Beginning with citizenship and community building the authors consider all aspects of teaching young children leading to a progression of capacity to engage civically in school and community Social Studies for Today's Children William Burk Ragan, John D. McAulay, 1964 *Social Studies and Me!* Sally Anderson, 2011 Young children are naturally interested in their world They are learning to understand who they are who their family members are and what it means to have friends They are curious about their communities who lives and works there how things are made and what they cost They are beginning to ask questions about their environment and the greater world With Social Studies and Me teachers can support children s curiosity by using storybooks to engage them in social studies and literacy learning and deepen their understanding of skills and concepts Themes include I Am a Person Families Friends Communities and The Big World **Teaching Young Children Social Studies** Gayle Mindes, 2006-09-30 By coherently combining principles of child development and social studies content this work provides a practical guide to building a successful curriculum for preschool through grade three In keeping with the major premise of the Teaching Young Children series i e knowledge of child development is equal in importance to subject knowledge the authors effectively intertwine social learning in young children and development of self concept with the theme based curriculum of the National Council for Social Studies the principles of multicultural education parent collaboration to support learning and creating connections between classroom and community **Working with Children in Social Studies** Edith P. Merritt, 1961 *Little World Social Studies* Jean Robertson, Ellen Mitten, 2010-08-01 Little World Social Studies builds on our geography series to teach young children about their communities and their country Kid friendly real world examples included when information to help all children become better citizens Social Studies for Children Association for Childhood Education International, 1956 *Social Studies: Growth of a Nation* Pearson Scott Foresman, 2009-07-01 With rich content that captures children s imaginations and built in reading and vocabulary instruction your child will not only be learning he ll be preparing for success while learning the responsibilities of citizenship at every grade level Captivate your child with numerous colorful visuals and activities that will engage their interest in social studies Connect Experience Understand Connecting is all about activating prior knowledge

and jumpstarting your child's journey into social studies Essential Questions help students see the big ideas they're learning about and activate prior knowledge They allow students to engage in an active discussion of what they already know about the topic but also encourage them to think further Scott Foresman Social Studies offers a variety of ways for your child to think critically about key concepts so they actively experience the world they live in Developing true understanding means that students don't simply memorize facts dates and places It means taking what they've learned and transferring that knowledge to new content situations ideas and to their own lives The goal is to help students become successful learners who will remember not only what they have learned but how to learn more Children and Their World David A. Welton, John T.

Mallan, 1981-01-01 Designed for preservice teachers this text consolidates social studies content into a framework for practical instruction and lesson planning It places social studies in a thoroughly modern context and explores how such factors as language diversity and standards at the local state and national level affect teachers The text retains its hallmark features such as model unit lessons teacher tested activities technology updates and authentic children's work and the Resource Handbook serves as a valuable tool for on the job use The emphasis on current topics includes coverage of constructivist learning cooperative learning service learning character education and the teaching of children with limited English proficiency Specific examples from the NCSS help students connect standards to the model lessons and activities presented in the text
