Social Work In Canada An Introduction:

Social Work in Canada Steven F. Hick, Jackie Stokes, 2016-07-15 Social workers seek to make a positive difference in people's lives. But what is it like to be a social worker? What exactly do social workers do to help individuals, families, and communities discover their own unique strengths and overcome difficult barriers? This updated and expanded edition introduces the major concepts and contemporary issues in Canadian social work. It encourages students to consider social work as a career path and to join other professionals in helping people make positive changes in their lives and communities. Features of this new edition: Thoroughly updated by a nationwide team of Canadian authors and contributors. Compelling stories from the field providing a sense of what it's like to be a social worker today. A new chapter on social work practice in the field of mental health. Up-to-date coverage of developments in Indigenous social work theory and practice. A survey of the unique history of social work practice in Quebec. Career profiles of social work activists and practitioners from coast to coast.

Book jacket **Social Work in Canada** Steven F. Hick, Associate Professor in the School of Social Work. Steven Hick, 2009-03 *Social Work in Canada* is a comprehensive introduction to the major concepts and contemporary issues in Canadian social work. Intended primarily for university and college-level social work courses, this book will also be useful for allied health professionals seeking a basic understanding of the field. This book fills a need for an introductory-level text written from a truly Canadian perspective. This book emphasizes the importance of being clear about one's values and world view before beginning to practice social work. From publisher's website **An Introduction to Social Work Practice in Canada** Shankar A. Yelaja, 1985 **Case Critical** Ben Carniol, 2005 A classic text in social work education. *Case Critical* opens the door on Canada's social services from the perspective of social workers themselves and service users or cases: people whose voices we rarely hear. This completely revised and updated fifth edition includes new interviews and topics of discussion to reinforce Carniol's passionate case for social work as liberation practice. *Social Work in Canada* Steven F. Hick, 2005-07-01 *Social Work in Canada* provides an introduction to the key concepts and contemporary issues in social work in Canada. It is intended for those who may be thinking of entering the social services for social work students and for allied professionals seeking a basic understanding of the field. This book introduces the reader to the fundamentals of sound practice in the context of such challenges as inequality, poverty, homelessness, violence, globalization, and discrimination.

Social Work in an International Perspective Charlotte De Kock, Christian Van Kerckhove, Eva Vens, 2014-02-18 In this work, academics and practitioners from all five continents highlight the history of the social work profession and its underlying academic and social paradigms. The authors come from Australia, Austria, Brazil, Belgium, Canada, Ghana, Great Britain, India, New Zealand, South Africa, and the United States. The structure of this work allows the reader to trace back the historical and political influences in the interpretation of social work in the authors' countries. Special attention is given to the notions of human rights and social diversity. Are human rights universal, and which impact does this universality have on the

social work profession How does categorical work relate to generalist practice and does this in its turn relate to the conception of diversity The authors approach these main queries in an exemplary and balanced manner using both theoretical analysis and case studies **The SAGE Handbook of Social Work** Mel Gray,James Midgley,Stephen A Webb,2012-07-06 The SAGE Handbook of Social Work is the world s first generic major reference work to provide an authoritative guide to the theory method and values of social work in one volume Drawn from an international field of excellence the contributors each offer a critical analysis of their individual area of expertise The result is this invaluable resource collection that not only reflects upon the condition of social work today but also looks to future developments

Africentric Social Work Delores V. Mullings,2021-05-31T00:00:00Z This edited collection focuses on Africentric social work practice providing invaluable assistance to undergraduate students in developing foundational skills and knowledge to further their understanding of how to initiate and maintain best practices with African Canadians In social work education and field practice students will benefit from the depth and breadth of this book s discussions of social health and educational concerns related to Black people across Canada The book s contributors present a broad spectrum of personal and professional experiences as African Canadian social work practitioners students and educators They address issues that African Canadians confront daily which social work educators and potential practitioners need to understand to provide racially and culturally relevant services The book presents students with an invaluable opportunity to develop their practical skills through case studies and critical thinking exercises with recommendations for how to ethically and culturally engage in African centred service provision [Anarchist Perspectives for Social Work](#) Alexander W. Sawatsky,2024 This book seeks to rigorously and specifically engage with anarchist theory and find application to social work fields of practice and social work theory **The Oxford Handbook of Power, Politics, and Social Work** Rajendra Baikady,Jaroslav Przeperski,Sajid

S.M.,M. Rezaul Islam,2024 This Handbook examines the impetus for the development growth and relevance of social work as a profession in different political social and cultural contexts Contributions align with overarching contemporary themes such as changing governance structures around the world digitalization and globalization and decolonization The book is also in line with the advancement of global agendas for social work and social development led by the IASSW ICSW IFSW This contemporary text engages comprehensively with diverse political systems across the world and explores the interactions with and implications for social work policy practice and education in these countries and globally **The Routledge Handbook of Social Work Theory** Malcolm Payne,Emma Reith-Hall,2019-06-25 The Routledge Handbook of Social Work Theory provides an interdisciplinary and international introduction to social work theory It presents an analytical review of the wide array of theoretical ideas that influence social work on a global scale It sets the agenda for future trends within social work theory Separated into four parts this handbook examines important themes within the discourses on social work theory as well as offering a critical evaluation of how theoretical ideas influence social work as a profession and in practice It

includes a diverse range of interdisciplinary topics covering the aims and nature of social work social work values and ethics social work practice theories and the use of theory in different fields of practice The contributors show how and why theory is so important to social work and analyze the impact these concepts have made on social intervention Bringing together an international team of leading academics within the social work field and newer contributors close to practice this handbook is essential reading for all those studying social work as well as practitioners policymakers and those involved in the associated fields of health and social care

Doing Anti-Oppressive Practice, Third Edition Donna Baines, 2020-05-06T00:00:00Z This updated third edition of the immensely popular *Doing Anti Oppressive Practice* introduces students to anti oppressive social work its historical and theoretical roots and the specific contexts of anti oppressive social work practice Key to this practice is the understanding that the problems faced by an individual are rooted in the inequalities and oppression of the socio political structure of society rather than in personal characteristics or individual choices Moreover the contributors show that social justice and social change working against racism sexism and class oppression can and must be a key component of social work practice Drawing on concrete examples from specific practice contexts personal experience and case work including child welfare poverty mental health addictions and disability the contributors demonstrate how to translate social justice theory into everyday practice This new edition adds chapters on working with refugee immigrant and racialized families children older adults cognitive behavioural therapy and using social media as a tool for social change

History of Canadian Social Welfare: Oxford Bibliographies Online Research Guide Oxford University Press, 2010-05-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from *Oxford Bibliographies Online Social Work* a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work *Oxford Bibliographies Online* covers most subject disciplines within the social science and humanities for more information visit www.aboutobo.com

Doing Anti-Oppressive Social Work, 4th ed. Donna Baines, Natalie Clark, Bindi Bennett, 2022-11-15T00:00:00Z *Doing Anti Oppressive Social Work* brings together critical social work authors to passionately engage with pressing social issues and to pose new solutions practices and analysis in the context of growing

inequities and the need for reconciliation decolonization and far reaching change The book presents strong intersectional perspectives and practice engaging closely with decolonization re Indigenization resistance and social justice Like the first three editions the 4th edition foregrounds the voices of those less heard in social work academia and to provide cutting edge critical reflection and skills including social work s relationship to the state and social work s responsibility to individuals communities and its own ethics and standards of practice Indigenous Black racialized transgender dis Ability and allied scholars offer identity engaged and intersectional analyses on a wide range of issues facing those working with intersectional cultural humility racism and child welfare poverty and single mothers critical gerontology and older people and immigrant and racialized families This 4th edition of *Doing Anti Oppressive Social Work* goes well beyond its predecessors updating and revising popular chapters but also problematizing AOP and engaging closely with new and emerging issues

Encyclopedia of Canadian Social Work Francis J. Turner, 2009-07-23 All of us as Canadians are touched throughout our lives by some aspect of social welfare either as recipients donors or taxpayers But despite the importance of the social network in our country there has been no single source of information about this critical component of our society Even professionals in the field of social work or social services have not had a comprehensive volume addressing the myriad features of this critical societal structure The *Encyclopedia of Canadian Social Work* fills this need Over five hundred topics important to Canadian social work are covered written by a highly diverse group of social workers covering all aspects of the field and all areas of the country Practitioners policy makers academics social advocates researchers students and administrators present a rich overview of the complexity and diversity of social work and social welfare as it exists in Canada The principal finding from this project underscores the long held perception that there is a Canadian model of social work that is unique and stands as a useful model to other countries The *Encyclopedia of Canadian Social Work* will be an important source of information both to Canadians and to interested groups around the world The *Encyclopedia of Canadian Social Work* is available in e book version by subscription or from university and college libraries through the following vendors Canadian Electronic Library Ebrary MyiLibrary and Netlibrary

Social Work Theories and Methods Mel Gray, Stephen A Webb, 2012-06-21 An excellent book that provides a good deal of valuable material to stimulate debate and to alert readers of the need to engage more critically with the wider world in which social work is located Professor Keith Popple Professor of Social Work London South Bank University This exciting book draws together the key contemporary theories theorists and perspectives used in social work and explains how they are applied in practice and critiqued by social workers It provides An outline of the contribution made by a key theorist theory or perspective to social work A selective bibliography of each thinker or approach A glossary defining key traditions with cross links to key theorists and perspectives A timeline of key publications Study questions at the end of each chapter The book will be valuable for undergraduate graduate students post qualifying students and researchers in social work

Canadian Social Policy, Fifth Edition Anne Westhues, Brian Wharf, 2012-05-25 Social policy shapes the daily

lives of every Canadian citizen and should reflect the beliefs of a majority of Canadians on just approaches to the promotion of health safety and well being Too often those on the front lines social workers nurses and teachers observe that policies do not work well for the most vulnerable groups in society In the first part of this new edition of Canadian Social Policy Westhues and Wharf argue that service deliverers have discretion in how policies are implemented and the exercise of this discretion is how citizens experience policy whether or not it is fair and reasonable They show the reader how social policy is made and they encourage active citizenship to produce policies that are more socially just New material includes an examination of the reproduction of systemic racism through the implementation of human rights policy and a comparative analysis of the policy making process in Quebec and English Canada The second part of the book discusses policy issues currently under debate in Canada Included are new chapters that explore parental leave policies and housing as a determinant of health All chapters contain newly updated statistical data and research and policy analysis A reworked section on the process of policy making and the addition of questions for critical reflection enhance the suitability of the book as a core resource in social policy courses The final chapter explores how front line workers in the human services can advocate for change in organizational policies that will benefit the people supported

Handbook of International Social Work Lynne M. Healy, Rosemary J. Link, 2011-10-20 Global knowledge is increasingly essential for all aspects of social work Today s professionals respond to concerns including permeable borders the upheavals of war displaced workers natural disasters international adoption and human trafficking Everywhere social workers work with service users and colleagues from diverse cultures and countries Globally relevant concepts such as human rights development and inclusion offer new perspectives to enhance policy and practice and facilitate the international exchange of ideas This handbook is the first major reference text to provide a solid foundation of knowledge for students and researchers alike The extensive collection of 73 chapters confirms the integral and necessary nature of international social work knowledge to all areas of practice policy and research Chapters systematically map the key issues organizations competencies training and research needs and ethical guidelines central to international social work practice today emphasizing the linkages among social work development and human rights practice In depth country case studies and policy examples encourage readers to understand how their practice in social work touches on international issues regardless of whether the work is done at home or abroad Representing all regions of the world a wide range of contributors that are leaders in their fields have put together an exhaustive collection that represents the state of play of international social work today

Encyclopedia of Social Welfare History in North America John M. Herrick, Paul H. Stuart, 2005 This encyclopedia provides readers with basic information about the history of social welfare in Canada Mexico and the United States The intent of the encyclopedia is to provide readers with information about how these three nations have dealt with social welfare issues some similar across borders others unique as well as to describe important events developments and the lives and work of some key contributors to social welfare developments

Social Work Practice in Autism and Intellectual and Developmental Disabilities Kevin P. Stoddart, Ann Fudge

Schormans, 2025-01-28 In Canada social work both the profession and the academic discipline has given inadequate attention to individuals living with autism and intellectual and developmental disabilities This is true regardless of whether the social work role is in a clinical capacity community based programs academic research and educational endeavours or an advocacy role or supporting self advocacy for basic needs and rights to services and supports Many people with autism and intellectual and developmental disabilities and their supporters value community involvement and integration quality of life and access to a wide range of services so it is likely that social workers will encounter these clients in their careers Consequently the onus is on the social work profession to attend more fully and carefully to preparing students practitioners and researchers This peer reviewed volume provides a range of perspectives practices and ideas relative to social work s engagements with individuals living with autism intellectual disabilities and developmental disabilities Contributors include social work practitioners academic and community based researchers educators activists and self advocates Reflecting different ways of theorizing speaking about and working with people with autism intellectual disabilities and developmental disabilities it explores both tensions and possibilities for social work practice research education advocacy and policy development that better meet their needs and desires for their lives

Social Work In Canada An Introduction Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Work In Canada An Introduction has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Work In Canada An Introduction has opened up a world of possibilities. Downloading Social Work In Canada An Introduction provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly

convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Work In Canada An Introduction has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Work In Canada An Introduction. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Work In Canada An Introduction. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Work In Canada An Introduction, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Work In Canada An Introduction has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
