Steinberg,2014-02-24 Group work is a popular and widely used social work method Focusing particularly on the central role of mutual aid in effective group work this text presents the theoretical base outlines core principles and introduces the skills for translating those theories and principles into practice A Mutual Aid Model for Social Work with Groups will help readers to catalyze the strengths of group members such that they become better problem solvers in all areas of life from the

playroom to the boardroom Increased coverage of evaluation and evidence based practice speaks to the field's growing concern with monitoring process and assessing progress The book also includes worker based obstacles to mutual aid their impact and their antidotes pre group planning including new discussion on curriculum groups group building by prioritizing certain goals and norms in the new group the significance of time and place on mutual aid and the role of the group worker maintaining mutual aid during so called individual problem solving an expanded discussion of anti oppression and anti oppressive practice unlocking a group's potential to make difference and conflict useful special considerations in working with time limited open ended and very large groups Case examples are used throughout to help bridge the gap between theory and practice and exercises for class or field help learners to immediately apply conceptual material to their practice All resources required to carry out the exercises are contained in over 20 appendices at the end of the book Key points at the end of each chapter recap the major concepts presented and a roster of recommended reading for each chapter points the reader to further resources on each topic Designed to support ethical and successful practice this textbook is an essential addition to the library of any social work student or human service practitioner working with groups **Father**

Involvement in Canada Jessica Ball, Kerry Daly, 2012-12-01 The landscape of Canadian fatherhood has changed dramatically over the past several decades Shifting family structures policy issues and cultural expectations affect men's interactions with their children and influence the way they perceive their own roles as fathers The traditional notion of fatherhood may have changed but fathers are as important today as ever before Father Involvement in Canada brings together more than a dozen leading scholars of fatherhood issues to examine the roles of Canadian fathers from many angles Looking at the experiences of fathers from different ethnicities age groups marital statuses gender partnering and economic brackets the authors examine issues such as the impact of poverty access to paternity leave and the availability of support from social institutions National in scope this is the first book of its kind to summarize and challenge current scholarship on Canadian fatherhood and offer new concepts theoretical frameworks and research directions Social Justice in Group Work Anneliese

Singh, Carmen Salazar, 2013-10-18 This book spotlights the unique contribution of the Journal for Specialists in Group Work to the social justice literature and of group work to a social justice agenda Although the term social justice may be relatively new in the counseling and psychology literature the underlying values attention to inequities advocacy and empowerment strategies for members of marginalized and oppressed populations are not new in group work Group leaders have been attending to these concerns all along and group work itself is an ideal venue for the realization of social justice concerns However until now there has been a limited amount of scholarship on group work with a stated focus on social justice This groundbreaking book emphasizes action through a practical approach featuring research and case studies of social justice group work in community and school settings Chapters highlight how group workers infuse social justice consciousness into their work address social justice issues and implement social justice practice Authors review the history practice and future

opportunities for social justice advocacy within group modalities They also address guidelines for the training and supervision of practitioners engaging in social justice group work This book was published as a special issue of the Journal for Specialists in Group Work *Eco-activism and Social Work* Dyann Ross, Martin Brueckner, Marilyn Palmer, Wallea Eaglehawk, 2019-11-28 Social workers are called upon to shift from a human centric bias to an ecological ethical sensibility by embracing love as integral to their justice mission and by extending the idea of social justice to include environmental and species justice This book presents the love ethic model as a way to do eco justice work using public campaigns research community arts practice and other nonviolent direct action strategies The model is premised on an active and ongoing commitment to the eco values of love eco justice and nonviolence for the purpose of upholding the public interest The love ethic model is informed by the stories of eco activists who used nonviolent actions to address ecological issues such as pollution degradation of the environment exploitation of farm animals mining industry overriding First Nation Peoples land rights and human health and social costs related to the natural resource industries private land developments and government infrastructure projects Informed by practice insights by activists from a range of eco justice concerns this innovative book provides new directions in social work and environmental studies involving transformational change leadership and dialogical group work between interest groups It should be considered essential reading for social work students researchers and practitioners as well as eco activists more generally
