SDB Moloney, 2013-11-19 The command to love is central to the Gospel of John Internationally respected scholar Francis Moloney offers a thorough exploration of this theme focusing not only on Jesus s words but also on his actions Instead of merely telling people that they must love one another Jesus acts to make God's love known and calls all who follow him to do the same This capstone work on John's Gospel uses a narrative approach to delve deeply into a theme at the heart of the Fourth Gospel and the life of the Christian church Uniting rigorous exegesis with theological and pastoral insight it makes a substantive contribution to contemporary Johannine scholarship The Social Setting of Jesus and the Gospels Wolfgang Stegemann, Bruce J. Alan Streett, 2022-11-11 Songs of Resistance Challenging Caesar and Empire examines New Testament hymns in light of

their historical and cultural contexts Such a reading yields new insights Rather than finding theological truths alone one also discovers lyrics that contest and defy Rome's great tradition. The early Christ followers sang songs that opposed the empire's worldview and offered an alternative vision for society These songs were a first century equivalent of modern day protest songs But instead of marching and singing in the streets believers gathered in private spaces where they lifted their voices to Jesus and retold the story of his execution as an enemy of the state and how God raised him from the dead to rule over the universe As they sang believers were emboldened to remain faithful to Christ and withstand the temptation to comply with the sociopolitical agenda of the empire Johannine Social Identity Formation after the Fall of the Jerusalem Temple Christopher A. Porter, 2021-10-25 In Johannine Social Identity Formation after the Fall of the Jerusalem Temple Christopher Porter reads the Fourth Gospel through the lens of social identity theory as means of reconciling the social dislocation and trauma of the destruction of the Jerusalem temple Analysing the Fourth Gospel in conversation with other temple removed texts of Qumran Philo and Josephus the gospel's intent to renegotiate cultic life without the temple can be seen Through this analysis it is argued that the Fourth Gospel primarily functions as an intra mural Jewish text attempting to negotiate the formation of a Jesus follower social identity in direct continuity with earlier Jewish shared social narratives Finally this work reviews the Johannine Community as an outcome of the Gospel identity formation *Bring Them into the Land* Jeffrey P. Garcia, Daniel Machiela, Chad Pierce, Benjamin Wold, 2025-06-10 This collection of studies honors Professor R Steven Notley s research collegiality and friendship In this volume scholars including Dr Notley's academic peers colleagues and former students engage issues gathered around the study of biblical texts within their geographical archaeological and linguistic contexts Throughout his career Professor Notley has distinguished himself as a world renowned historical geographer and researcher of the cultural and linguistic context of the Gospels His voice has been influential in the so called Jerusalem School of Synoptic Research typified by an approach to the Gospels in which their Jewish historical and social contexts are central This basic approach has grown significantly over recent decades and now constitutes a major area of New Testament study Additionaly Professor Notley has spent nearly forty years introducing groups of students and scholars to the land of Israel stressing the importance of historical geography for study of the Bible Especially noteworthy is his extensive scholarly collaboration over several decades with both Christian and Jewish scholars **Slave of All** Narry Santos, 2003-06-01 The Gospel of Mark is often described as a paradoxical gospel a riddle that teases its readers response and a narrative that possesses an enigmatic and puzzling character Santos argues that this puzzling character is seen clearly in the paradox of authority and servanthood in the gospel In tracing and analyzing this paradox throughout the Markan narrative he first develops a literary method for the study of paradox and having applied the results to authority and servanthood in Mark he discusses key contributions of the paradox to the three Markan issues of the disciples role in the Gospel the Messianic Secret and a profile of the Markan community **Facing the Mob** Benjamin Browning, 2022-02-25 Whether you are reading the

story of Pilate's encounter with angry crowds during the trial of Jesus or reading one of the numerous accounts of mob violence in the book of Acts you will find that the threat of crowd violence is a common theme in the New Testament particularly in the Gospels and Acts In Facing the Mob Benjamin Browning provides a thorough examination of how government officials in the early Roman Empire responded to civil unrest He then uses these insights from the ancient world to provide readers of the New Testament with tools that will help them to interpret civil unrest passages more effectively
