**Victor Pestoff, Taco Brandsen, Bram
Verschuere**

Social Economy Health And Welfare In Four Canadian Provinces:

Social Economy Université du Québec à Montréal. Laboratoire de recherche sur les pratiques et les politiques sociales, 2002 A solidarity based economic model involving revised relationships between the state market and informal economy is outlined in this collection of essays on the social economy of four Canadian provinces **Researching the Social Economy** Jack Quarter, Laurie Mook, Sherida Ryan, 2010-01-01 In this volume contributors representing an inter regional and international network of scholars and community organizations analyse how the social economy in its many manifestations interacts with and shares characteristics of organizations in the other sectors of the economy The first study of its kind Researching the Social Economy enriches our understanding of how this important cluster of organizations contributes to Canadian society in both economic and social terms and lays the groundwork for future study Laurie Mook is an assistant professor in the School of Community Resources and Development at the University of Arizona Jack Quarter is a professor and co director of the Social Economy Centre at the Ontario Institute for Studies in Education University of Toronto Sherida Ryan is the co ordinator of the Community University Research Alliance on Social Business for Marginalized Social Groups at the Ontario Institute for Studies in Education University of Toronto Canadian Social Policy Anne Westhues, Brian Wharf, 2012-05-25 Social policy shapes the daily lives of every Canadian citizen and should reflect the beliefs of a majority of Canadians on just approaches to the promotion of health safety and well being Too often those on the front lines social workers nurses and teachers observe that policies do not work well for the most vulnerable groups in society In the first part of this new edition of Canadian Social Policy Westhues and Wharf argue that service deliverers have discretion in how policies are implemented and the exercise of this discretion is how citizens experience policy whether or not it is fair and reasonable They show the reader how social policy is made and they encourage active citizenship to produce policies that are more socially just New material includes an examination of the reproduction of systemic racism through the implementation of human rights policy and a comparative analysis of the policy making process in Quebec and English Canada The second part of the book discusses policy issues currently under debate in Canada Included are new chapters that explore parental leave policies and housing as a determinant of health All chapters contain newly updated statistical data and research and policy analysis A reworked section on the process of policy making and the addition of questions for critical reflection enhance the suitability of the book as a core resource in social policy courses The final chapter explores how front line workers in the human services can advocate for change in organizational policies that will benefit the people supported

Changing Politics of Canadian Social Policy, Second Edition James J. Rice, Michael J. Prince, 2013-03-05 A consistent bestseller since its publication in 2000 Changing Politics of Canadian Social Policy is a one of a kind resource in the fields of political science and social work Examining current conditions affecting the development of social policies in Canada this book offers in depth critical analysis of how these policies first arose and the implications they pose for future policy

development This new edition of Changing Politics of Canadian Social Policy features updated chapters while retaining the first edition's analytical focus on economic globalization societal pluralization and social protection The authors offer fresh considerations of gender relations and families community agencies and the voluntary sector as well as the social policy activities of all levels of government in the Canadian federation Changing Politics of Canadian Social Policy will continue to provide the much needed groundwork for students and policymakers as well as propose real solutions for the future

Landscapes of Voluntarism Christine Milligan, David Conradson, 2011 The appeal of voluntary action as a solution to growing welfare needs in advanced capitalist countries raises important questions about the social impacts and spatial equity of such provision For the first time these issues are addressed within a single book exploring the complex relationship between voluntary action society and space *Canadian Political Economy* Heather Whiteside, 2020-11-19 Engaging with themes of conflict change and crisis this book reinvigorates the distinct interdisciplinary field of Canadian political economy

How Ottawa Spends, 2004-2005 G. Bruce Doern, 2004-10-19 Drawing on the work of academics and other experts from across Canada Carleton University's School of Public Policy and Administration's annual book takes a focused and robust look at an era where a political coronation seemed inevitable but high expectations had to be managed downwards almost immediately A less than buoyant fiscal surplus escalating concerns about liberal ethics and corruption and a growing volatility in public opinion are examined as are Canadians' increasingly uncertain views about the new Liberal leadership versus the old Liberal Party's ten year hold on power A new Conservative Party and a suddenly feisty New Democratic Party are also a central part of the new 2004-2005 Canadian political and policy milieu Contemporary Canadian Federalism Alain-G. Gagnon, 2009-06-06 First published in French in 2006 *Le fédéralisme canadien contemporain* was immediately recognised as the most comprehensive collection of reflections on Canadian federalism by leading Quebecois scholars This remarkable translation of a range of Quebecois voices makes their insightful and underrepresented perspectives available to English language audiences Offering alternative views of the Canadian federal model's realities by covering its foundations traditions and institutions Contemporary Canadian Federalism considers the ways in which federalism relates to issues such as regionalism multiculturalism rights and freedoms financial distribution and public policy Filled with stimulating work that bridges the gap between distinctive traditions in English and French Canadian scholarship on federalism this important volume is required reading for understanding provincial federal relations and Canadian governance **The Culture of**

Welfare Markets Ingo Bode, 2007-10-24 This book examines the rise of welfare markets in Western societies and explores their functioning regulation and embeddedness by addressing the particular field of old age provision including both retirement provision and elderly care It goes beyond a mere social policy analysis by investigating major cultural underpinnings of the new quasi markets with these underpinnings embracing collective normative representations of how societies should institutionally handle old age The book looks at whether pension and care systems are converging under the

influence of globalization with marketization being a key phenomenon and to what extent this is creating a transnational culture of welfare markets This book the first book to systematically describe and analyse the phenomenon of welfare markets elucidates the complex cultural underpinnings of care and pensions systems in an era of marketization arguing that we are facing a cultural struggle over the way late modern societies conceptualize institutional old age provision

Funding Policies and the Nonprofit Sector in Western Canada Peter R. Elson, 2016-01-01 The chapters in this collection offer compelling and candid analyses of the realities of nonprofit funding in Western Canada

Social Fabric Or Patchwork Quilt Jeff Keshen, Raymond Benjamin Blake, 2006-01-01 Both historical and contemporary features of Canadian social welfare are explored in this wide ranging and in depth collection Social Fabric or Patchwork Quilt explores the evolution of the Canadian social welfare state from a system based upon voluntarism and philanthropy to one in which the State's involvement has increased considerably It also shows how the roles of governments at all levels have changed in recent times Chapters describe the developing Canadian welfare state from Confederation to the present Beginning with an integrative framework in the general introduction the selected essays represent many perspectives chronological regional multidisciplinary and ideological An important feature of this collection is the consideration of providers and recipients Such wide ranging outlooks are possible given the diverse backgrounds of contributors which include historians sociologists social workers public policy experts and political scientists As well as historical and sociological studies topics include key programs discussed in detail the quality of services received by principal target groups new directions in research some contributions even revisit foundational older works and key government documents

New Public Governance, the Third Sector, and Co-Production Victor Pestoff, Taco Brandsen, Bram Verschuere, 2013-06-19 In recent years public management research in a variety of disciplines has paid increasing attention to the role of citizens and the third sector in the provision of public services Several of these efforts have employed the concept of co production to better understand and explain this trend This book aims to go further by systematizing the growing body of academic papers and reports that focus on various aspects of co production and its potential contribution to new public governance It has an interdisciplinary focus that makes a unique contribution to the body of knowledge in this field at the cross roads of a number of disciplines including business administration policy studies political science public management sociology third sector studies etc The unique presentation of them together in this volume both allows for comparing and contrasting these different perspectives and for potential theoretical collaboration and development More particularly this volume addresses the following concerns What is the nature of co production and what challenges does it face How can we conceptualize the concept of co production How does co production work in practice How does co production unfold in reality What can be the effects of co production And more specific firstly how can co production contribute to service quality and service management in public services and secondly what is the input of co production on growing citizen involvement and development of participative democracy

Working

in a Global Era Vivian Shalla, 2011-10-03 Now in its second edition this reader presents a critical examination of the changing structure of work in Canada and abroad Its focus is on the role of Canadian labour in the globalized world Contributors include David Livingstone Pat Armstrong Meg Luxton Dave Broad and other prominent Canadian scholars Each of the seven themed sections begins with a contextual introduction by Vivian Shalla and concludes with critical thinking questions and suggestions for further reading New to this edition All new content 14 up to date chapters reflecting the current state of research on work in Canada New section on informal care work More workplace based chapters that provide a view from the shop floor *Reframing Global Social Policy* Christopher Deeming, Paul Smyth, 2018 As neoliberalism begins to reach its limits and the new landscape of social and public policy that it has left in its wake becomes clearer there is a great need to define and explain the new roles that social policy non governmental organizations and citizens are taking on In this book internationally renowned contributors provide a sustained analysis of this new landscape reframing social and public policy and bringing in the latest thinking on social investment and inclusive growth on a global scale Scholars and practitioners working in development human geography politics and international political economy will all need this book as they look at what s to come *Territory, Democracy and Justice* S. Greer, 2005-12-16 Territory Democracy and Justice brings together experts from six countries to ask what territorial decentralization does and what it means for democracy policymaking and the welfare state Integrated and international in a fragmented field the chapters identify the importance and consequences of territorial decentralization The authors analyze the successes the generalizable ideas and the international lessons in the study of comparative territorial politics as well as new directions for research **Pensions at Work** Jack Quarter, Isla Carmichael, Sherida Ryan, 2008-05-24 Pension funds have come to play an increasingly important role within the new economy According to Statistics Canada in 2006 trustee pension funds in Canada had 836 billion of assets and represented the savings of 4.6 million Canadian workers Pensions at Work is a unique collection of papers that uses a labour perspective to deal with the socially responsible investment of pension funds Featuring leading Canadian and international scholars it builds on existing scholarship on socially responsible investment and on the growing interest of the Canadian labour movement in joint trusteeship What is unique about this collection is that it synthesizes three distinct themes socially responsible investment pension funds and labour studies The contributors address an array of critical issues such as gaps in the education of union trustees of pension funds the impact of human capital criteria on shareholder returns the influence of corporate engagement upon corporate performance and the nature of public private partnerships PPPs Although the essays in Pensions at Work all address the nexus between socially responsible investment pension funds and unions each looks at a particular manifestation of that relationship through a different disciplinary lens This collection moves the discussion to pension funds in which union representatives are also trustees a relatively new approach that will be of great interest to institutional investors the labour movement and instructors in labour studies programs **Shifting**

Terrain Nick J. Mulé, Gloria C. Desantis, 2017-05-30 Canadian advocacy has evolved over the past few decades A core function of the nonprofit sector advocacy endures in an unsympathetic neoliberal landscape one dominated by a rise in government surveillance ongoing government funding cuts and confusion over what activities are permissible Exploring the unpredictable and fluid nature of public policy advocacy work carried out by nonprofit organizations across Canada The Shifting Terrain sheds light on the strictures and opportunities of this crucial aspect of the voluntary sector Authors from diverse backgrounds including academics activists practitioners and legal experts illustrate what the shifting course of advocacy means in philosophical theoretical political and practical terms Offering a critique of advocacy practices directed at the nonprofit provincial territorial government interface and beyond this anthology outlines regulatory changes made by the Canada Revenue Agency exposes the conflicted internal structures and processes of advocacy work challenges permissible advocacy activities presents provocative thinking about alternative ways forward and proposes recommendations for improvement A comparative historical study and a contemporary examination The Shifting Terrain invites readers to contemplate the implications of advocacy for public participation the shaping of public policy and Canadian democracy

L'économie sociale au Québec Gabriel Arsenault, 2018-04-25 T00:00:00-04:00 Comment le Québec est-il parvenu à développer un véritable système pour son économie sociale S'appuyant sur un impressionnant corpus de données statistiques et documentaires ainsi que sur plus de 70 entretiens effectués auprès de plus de fonctionnaires et de leaders de la société civile Gabriel Arsenault démontre que la trajectoire distincte du Québec dans ce domaine s'explique par deux facteurs clés la grande mobilisation de sa gauche et sa tradition de concertation

Health Promotion and Quality of Life in Canada Dennis Raphael, 2010-02-01 Health and quality of life are vital social reflections The way a society distributes resources amongst its population tells us a great deal about the society itself This unique volume unites readings that explore the integral link between quality of life and public policy choices The first section discusses individual perspectives on health promotion and quality of life and provides a conceptual basis for determining an individual's or community's standard The next section addresses community and policy perspectives to show how quality of life is related both to the health of the population as a whole and to collective choices that determine how material resources are distributed in society Part three places quality of life and population health within a political economy framework and uses the social determinants of health concept to illustrate how societies differ in their willingness to support their members' quality of life and health Part four examines vulnerable populations and their issues the Indigenous community persons with disabilities women and the gender gap and the effects of race and immigrant status on employment opportunities The final section suggests ways in which health promotion quality of life and the social determinants of health agendas can come together It provides an up-to-date analysis of the barriers facing those attempting to improve quality of life and health as well as the means to accomplish those goals

Welfare State and Canadian Federalism Keith Banting, 1987-09-01 The first edition of The Welfare State and

Canadian Federalism focused on the impact of federalism on social policy during a period of economic growth and expanding social expenditures The revised edition extends the analysis by asking how the federal system has shaped the social policy response to neo conservatism recession and restraint It analyses policy trends in detail examines the implications of constitutional changes including the Charter and highlights the continuing role of federalism
