

1900 - 1950	1928	International Permanent Secretariat of Social Workers founded; Canada is a charter member; spear headed by Dr. Rene Sand, Belgian advocate of social medicine; predecessor to International Federation of Social Workers (IFSW).
	1928	<ul style="list-style-type: none"> The Milford Conference convenes to discuss whether social work is a disparate group of technical specialties or a unified profession with more similarities than differences among its specialties. In 1929 the report of the conference is published as <i>Social Case Work: Generic and Specific</i>.
	1929	<p>Famous Five women from Alberta (Murphy, McClung, Paribby, Edwards, McWhinney) win approval from Privy Council in England that women are included as "persons" making them eligible for appointment to Canada's Senate.</p> <ul style="list-style-type: none"> Stock market crashes and Great Depression begins.
	1930	Gordon Hamilton extends Richmond's "man in his environment" concept to "person-in-situation" within a organist context; Bertha Reynolds saw social work in a "between client and community" context.
	1931	Social worker Jane Addams becomes co recipient of the 1931 Nobel Peace Prize.
	1937	The AASSW declares that beginning in 1939 the requirement for social work accreditation will be a two-year master's degree program. The MSW becomes a requirement to be considered a professional social worker
	1939	American Association of Schools of Social Work, the accrediting body for social workers, declared MSW degree as the minimum requirement to be a professional social worker.

Social Work during from 1935 onwards

1950 - Present

1950 to the Present	1950	<ul style="list-style-type: none"> Canada has 8 graduate schools of social work offering two-year professional programs – Maritime School, Laval, University of Montreal, McGill, St. Patrick's, Toronto, Manitoba and UBC.
	1952	The CSWE is formed through a merger of the AASSW and the NASSA –the two competing organizations that had been setting standards for schools of social work. CSWE is soon granted the authority to accredit graduate (MSW) schools of social work.
	1954	In social casework, the so-called "diagnostic" and "functional" schools begin to merge and lose their separate identities. The functional school had been oriented toward a highly focused, goal-oriented approach to casework intervention. The diagnostic school had been influenced by Freudian theory, but adherents of this approach develop more of a psychosocial orientation in the 1950s.
	1955	On October 1, the National Association of Social Workers (NASW) is created through the merger of seven organizations – the AASSW, plus the American Association of Medical Social Workers (AAMSW), the American Association of Psychiatric Social Workers (AAPSW), the National Association of School Social Workers (NAASW), The American association of Group Workers (AAGW), the Association for the Study of Community Organization (ASCO), and the Social Work Research Group (SWRG). Membership is limited to members of the seven associations and subsequently to master's degree-level workers graduating from accredited schools of social work.

Social History And Social Policy:

Social History and Social Policy David J. Rothman, Stanton Wheeler, 2013-09-03 Social History and Social Policy is a collection of papers that explores the correlation of social history and social policy Each article in the book are prepared by social historians preoccupied in the study of the origins and structure of health systems urban planning schools and pension programs who seek to change the process of social policy formation The book is divided into three sections Part I serves as an introduction and provides the history of social institutions The second part deals with the history of social problems discussing public employee pension problems policies on health care and a few aspects of the history of criminal justice in the United States The last part provides the uses of history in the making of social policy The text will be a valuable source of insight for public administrators politicians policy makers political leaders and analysts The Handbook of Social Policy James Midgley, Martin B. Tracy, Michelle Livermore, 2000 Comprises 33 papers grouped under five themes The Nature of social policy The History of social policy Social policy and the social services The Political economy of social policy and International and future perspectives on social policy **Social Policy in Capitalist History** Ayşe Buğra, 2024-02-12 This invigorating book approaches social policy as a response to socioeconomic tensions and conflicts brought about by capitalist development exploring how such policy reflects and shapes the world of work and socioeconomic life Ayşe Buğra presents a historical overview of the ideas and politics of social policy in a discussion framed around the interrelated questions of poverty work and inequality *Social Policy and Practice in Canada* Alvin Finkel, 2006-04-17 Social Policy and Practice in Canada A History traces the history of social policy in Canada from the period of First Nations control to the present day exploring the various ways in which residents of the area known today as Canada have organized themselves to deal with or to ignore the needs of the ill the poor the elderly and the young This book is the first synthesis on social policy in Canada to provide a critical perspective on the evolution of social policy in the country While earlier work has treated each new social program as a major advance and reacted with shock to neoliberalism's attack on social programs Alvin Finkel demonstrates that right wing and left wing forces have always battled to shape social policy in Canada He argues that the notion of a welfare state consensus in the period after 1945 is misleading and that the social programs developed before the neoliberal counteroffensive were far less radical than they are sometimes depicted Social Policy and Practice in Canada A History begins by exploring the non state mechanisms employed by First Nations to insure the well being of their members It then deals with the role of the Church in New France and of voluntary organizations in British North America in helping the unfortunate After examining why voluntary organizations gradually gave way to state controlled programs the book assesses the evolution of social policy in Canada in a variety of areas including health care treatment of the elderly child care housing and poverty **Federal Social Policy** Donald T. Critchlow, Ellis W. Hawley, 2010-11-01 An Intellectual History of British Social Policy John Offer, 2006-01-18 The history of social policy is emerging as an area of growing interest to both students

and researchers This topical book charts the period from the 1830s to the present day providing a fresh analysis of the relationship between social theory and social policy in the UK Drawing on recent historical research the book reconsiders and challenges many long held beliefs about the evolution of social policy presents a wide ranging reappraisal of links between social theories and changes in social policy pays particular attention to the importance of idealist social thought as an intellectual framework for understanding the welfare state has a distinctive focus on the importance of ideas in the history of social policy

A Subject Index to Current Literature Australian Public Affairs Information Service, **The Oxford Handbook of U.S. Social Policy** Daniel Béland, Christopher Howard, Kimberly J. Morgan, 2015 The American welfare state has long been a source of political contention and academic debate This Oxford Handbook pulls together much of our current knowledge about the origins development functions and challenges of American social policy After the Introduction the first substantive part of the handbook offers an historical overview of U S social policy from the colonial era to the present This is followed by a set of chapters on different theoretical perspectives available for understanding and explaining the development of U S social policy The three following parts of the volume focus on concrete social programs for the elderly the poor and near poor the disabled and workers and families Policy areas covered include health care pensions food assistance housing unemployment benefits disability benefits workers compensation family support and programs for soldiers and veterans The final part of the book focuses on some of the consequences of the U S welfare state for poverty inequality and citizenship Many of the chapters comprising this handbook emphasize the disjointed patterns of policy making inherent to U S policymaking and the public private mix of social provision in which the government helps certain groups of citizens directly e g social insurance or indirectly e g tax expenditures regulations The contributing authors are experts from political science sociology history economics and other social sciences

Richardson, William Henry Chaloner, 1996 [The Goals of Social Policy](#) Martin I A Bulmer, Jane Lewis, David Piachaud, 2022-03-07 First published in 1989 The Goals of Social Policy is an invaluable text that will give students an admirable introduction to the central concerns of the study of social policy It asks what have been the traditional concerns of social policy as a subject of academic study and what its context should be in the changed political environment of twenty first century Three issues receive close attention for their future implications social policy and the family focusing on gender social policy and community including race and public order issues and social policy and the economy Retrospective chapters examine the relationship between social policy and social research social theory and social work The book will appeal particularly to students of social policy social work sociology and political science as well as to those in applied fields such as criminology health studies education and women s studies with interests in social policy It will also appeal to the general reader interested in keeping abreast of the latest thinking about social policy

Social Policy for Social Work, Social Care and the Caring Professions Steve J Hothersall, Janine Bolger, 2020-11-29 This revised second edition analyses social

policy in Scotland since devolution in 1999 and reflects the nascent and distinctively Scottish policy agenda. Along with updated chapters there are two new inclusions: a chapter analysing post-devolution Scotland and a chapter on the likely impacts of Brexit on and within Scotland. Providing diagrams, tables and a range of activities, the book maintains an innovative and pedagogic emphasis to introduce students to a wealth of materials, ideas and practical responses to the increasingly complex and diverse situations faced by social workers and other professionals. Part 1 of the book looks at what social policy is, how and why it is made, and highlights the importance of the relationship between social policy and the law. Part 2 refers to specific themes of social exclusion, poverty and more, visible for this revised edition, austerity, considering their complex and multidimensional forms and discussing the range of policies currently extant that aim to combat such disadvantage. Part 3 provides a comprehensive overview of policy for practice, considering concepts of health inequality, mental health, older people, disability, children and families, education, substance use, criminal justice, asylum and immigration, and homelessness. This book will be of interest to undergraduate and postgraduate students as well as post-qualified professionals seeking to understand the complexities of the social policy landscape in Scotland and its influence on social work and related forms of professional practice.

Advanced introduction to Social Policy Daniel Béland, Rianne Mahon, 2016-11-25 Elgar

Advanced Introductions are stimulating and thoughtful introductions to major fields in the social sciences and law, expertly written by the world's leading scholars. Designed to be accessible yet rigorous, they offer concise and lucid surveys of the substantive and policy issues associated with discrete subject areas. *Advanced Introduction to Social Policy* offers a concise overview of the field that takes newer realities into account without rejecting the insights found in the traditional social policy canon. Daniel Béland and Rianne Mahon draw on both classic and contemporary theories to illuminate the broad processes that are putting pressure on existing social policy arrangements and raising new research questions. These processes provide the canvass against which the authors assess the social policy implications of changing gender relations, the increasing salience of ethnic diversity and the growing importance of the Global South as a site of social policy innovation.

The Social Construction of Social Policy Colin Samson, Nigel South, 1996-06-12 This volume draws together an impressive series of papers that explore enduring and new problems in the construction and analysis of British social policy. Critical but accessible, the various chapters cover methodological issues and the nature of competing claims about social policy, knowledge, racism and health services, citizenship and access to housing and other amenities, and the importance of the environment as an emerging area for social policy debate.

The Student's Companion to Social Policy Pete Alcock, Margaret May, Sharon Wright, 2012-01-30 These essays convey the immediacy of social policy's intellectual and political engagements with the world and its practical applications in research and employment. They also provide an overview of resources available to students.

International Social Policy Pete Alcock, Gary Craig, 2009-03-24 The second edition of this textbook provides an accessible and structured look at social policy in a global comparative context. With detailed explanations of the

Social Policy in Post-Apartheid South Africa Ndangwa Noyoo, 2019-11-01 This book critically examines the current social policy in post apartheid South Africa and proposes an alternative social policy agenda to create a new development pathway for the country Taking social policy as a vehicle that will facilitate the creation of a new society altogether namely the Good Society the author argues for the adoption of policy that will socially re engineer South Africa The author shows how the policy tools and development interventions which were undertaken by the post apartheid state in driving South Africa s transformation agenda failed to emancipate many individuals families and communities from the cycle of intergenerational poverty and underdevelopment He contends that social policy interventions that foster the social re engineering of South African society must take place to untangle the inherited colonial apartheid social order This book includes comparative analyses on the Global South and Global North to present the ways in which countries such as post Second World War Great Britain and Sweden and post independence Zambia of the 1960s and 1970s were able to use social policy to create new societies altogether or places similar to the Good Society The conceptual and methodological issues that form the basis for this book reside in public policy making and the public good and will be of interest to scholars of social policy social development and

South African society **The Cambridge Social History of Britain, 1750-1950** F. M. L. Thompson, 1990 Whilst in certain quarters it may be fashionable to suppose that there is no such thing as society historians they have had no difficulty in finding their subject The difficulty rather is that an outpouring of research and writing is hard for anyone but the specialist to keep up with the literature or grasp the overall picture In these three volumes as is the tradition in Cambridge Histories a team of specialists has assembled the jigsaw of topical monographic research and presented an interpretation of the development of modern British society since 1750 from three perspectives those of regional communities the working and living environment and social institutions Each volume is self contained and each contribution thematically defined contains its own chronology of the period under review Taken as a whole they offer an authoritative and comprehensive view of the manner and method of the shaping of society in the two centuries of unprecedented demographic and economic change
