Social Theory A Reader:

The New Social Theory Reader Steven Seidman, Jeffrey C. Alexander, 2001 This comprehensive reader will give undergraduate students a structured introduction to the writers and works which have shaped the exciting and yet daunting field of social theory Throughout the text key figures are placed in debate with each other and the editorial introductions give an orienting overview of the main points at stake and the areas of agreement and disagreement between the protagonists The first section sets out some of the main schools of thought including Habermas and Honneth on New Critical Theory Bourdieu and Luhmann on Institutional Structuralism and Jameson and Hall on Cultural Studies Thereafter the reader becomes issues based looking at Justice and Truth Nationalism Multiculturalism Globalisation gender sexuality race post coloniality The New Social Theory Reader is an essential companion for students who will not just use it on their theory course but return to it again and again for theoretical foundations for substantive subjects and issues

Social Theory Jonathan Joseph, 2005 Covering a wide area of political sociology and social and political theory this Reader offers a selection of extracts incorporating both primary and secondary readings As well as a general introduction to the concept of social theory each section is prefaced by an introduction to the relevant theorists and each reading is accompanied by a short explanatory introduction Including a broad range of texts the book offers a general introduction to the main writings of political sociology and social theory While other texts tend to focus either on either traditional or contemporary figures this Reader is unique in tracing a connecting strand from the work of Marx Weber and Durkheim to more contemporary social theorists And by focusing on the theories of social conflict cohesion and consent it also acts as a guide to issues in sociological political and cultural analysis Includes sections on Marx and Engels Gramsci Durkheim and Parsons Weber The Frankfurt School Adorno and Horkheimer Marcuse Habermas Foucault Introduces core social concepts and key features of modern society Structure and Agency Ideology Discourse and Legitimation The State Economy Civil Society Key Features Covers the main social thinkers and the most important concepts Focuses on how writers contribute to our understanding of social conflict cohesion and consent Substantial introductions to each part place the readings in context

Social Theory Roberta Garner, Black Hawk Hancock, 2014-04-29 The organization of this popular social theory reader which pairs classical articles with contemporary theoretical and empirical studies highlights the historical flow of social theory and demonstrates how disagreements and confrontations shape theory over time Written in clear down to earth language the introductions to each selection link theorists to one another illustrating how theoretical traditions are not rigidly separate but are always in conversation addressing and challenging each other The third edition incorporates significant changes more readings reflecting a wide diversity of theorists a completely revamped chapter on gender new chapters on race and culture and unique material on the transitional giants who have helped to transform classical theory into contemporary theory As well new contextual and biographical materials surround each reading and each chapter includes a study guide with key terms

and innovative discussion questions and classroom exercises The result is a fresh take on social theory that foregrounds a plurality of perspectives and reflects contemporary trends in the field while still managing to be a teachable and affordable text

The New Social Theory Reader Jeffrey C. Alexander, Steven Seidman, 2008 This is the first anthology to thematize the dramatic upward and downward shifts that have created the new social theory and to present this new and exciting body of work in a thoroughly trans disciplinary manner In this revised second edition readers are provided with a much greater range of thinkers and perspectives including new sections on such issues as imperialism power civilization clash health and performance The first section sets out the main schools of contemporary thought from Habermas and Honneth on new critical theory to Jameson and Hall on cultural studies and Foucault and Bourdieu on poststructuralism The sections that follow trace theory debates as they become more issues based and engaged They are the post foundational debates over morality justice and epistemological truth the social meaning of nationalism multiculturalism and globalization identity debates around gender sexuality race the self and post coloniality This new edition provides more ample biographical and intellectual introductions to each thinker and substantial introductions to each of the major sections The editors introduce the volume with a newly revised interpretive overview of social theory today The New Social Theory Reader is an essential reliable guide to current theoretical debates Publisher's website
