Social Treatment

Rachel S Tattersall

Social Treatment:

Social Treatment James K. Whittaker, The book has two principal purposes To provide an introduction to interpersonal helping in the context of social work practice and to develop a conceptual framework for interpersonal helping called social treatment that will enable the social worker and members of other helping professions effectively to use all the various methods and strategies currently practiced The book offers an orderly and systematic way of proceeding through a complex and often confused area of practice in it large issues such as remediation versus prevention are explored along with concrete suggestions for intervention with individuals families and small groups Theoretical systems are considered not merely for the techniques they suggest but also for the values and views of man inherent in them The helping process itself is analyzed from the point of view of the consumer as well as the worker A conceptual framework for practice is developed that allows for systematic eclecticism in theory and technique providing a framework for evaluating and comparing different methods of social treatment The author defines social treatment as an approach to interpersonal helping which utilizes direct and indirect strategies of intervention to aid individuals families and small groups in improving social functioning and coping with social problems Beginning with a discussion of the concept of remediation within the context of the larger contemporary issues of social reform and environmental protection Professor Whittaker proceeds to consider several critical issues in present social work practice such as client advocacy service delivery systems and professionalization Subsequent chapters discuss the multiple roles that social work practitioners perform the major theoretical bases of social treatment the treatment sequence from intake to after care and the full range of helping activities that practitioners undertake indirectly on behalf of their clients The final chapter explores current trends and future directions in social treatment In the Appendix a framework for evaluating methods of interpersonal helping is developed and 21 approaches to social treatment are described and resource bibliographies are provided This book brief lucid and systematic is a major step toward that redefinition and will be invaluable to beginning students and advanced practitioners in social work and in all the other professional and paraprofessional fields engaged in providing human services James K Whittaker is Charles O Cressey endowed professor in the School of Social Work University of Washington He is a frequent consultant on child care training both in the Seattle area and nationally and is a consultant on research and training to the Child Development and Mental Retardation Center University of Washington He has served as director of the Social Welfare Program He is also a founding member of the International Association for Outcome Based Evaluation Research on Family and Children s Services in Italy as well as an associate board member of European Scientific Association for Residential and Foster Care for Children and Adolescents in Belgium

Social Treatment James K. Whittaker, Elizabeth M. Tracy, 1989 The book has two principal purposes To provide an introduction to interpersonal helping in the context of social work practice and to develop a conceptual framework for interpersonal helping called social treatment that will enable the social worker and members of other helping professions

effectively to use all the various methods and strategies currently practiced The book offers an orderly and systematic way of proceeding through a complex and often confused area of practice in it large issues such as remediation versus prevention are explored along with concrete suggestions for intervention with individuals families and small groups Theoretical systems are considered not merely for the techniques they suggest but also for the values and views of man inherent in them The helping process itself is analyzed from the point of view of the consumer as well as the worker A conceptual framework for practice is developed that allows for systematic eclecticism in theory and technique providing a framework for evaluating and comparing different methods of social treatment The author defines social treatment as an approach to interpersonal helping which utilizes direct and indirect strategies of intervention to aid individuals families and small groups in improving social functioning and coping with social problems Beginning with a discussion of the concept of remediation within the context of the larger contemporary issues of social reform and environmental protection Professor Whittaker proceeds to consider several critical issues in present social work practice such as client advocacy service delivery systems and professionalization Subsequent chapters discuss the multiple roles that social work practitioners perform the major theoretical bases of social treatment the treatment sequence from intake to after care and the full range of helping activities that practitioners undertake indirectly on behalf of their clients The final chapter explores current trends and future directions in social treatment In the Appendix a framework for evaluating methods of interpersonal helping is developed and 21 approaches to social treatment are described and resource bibliographies are provided This book brief lucid and systematic is a major step toward that redefinition and will be invaluable to beginning students and advanced practitioners in social work and in all the other professional and paraprofessional fields engaged in providing human services James K Whittaker is Charles O Cressey endowed professor in the School of Social Work University of Washington He is a frequent consultant on child care training both in the Seattle area and nationally and is a consultant on research and training to the Child Development and Mental Retardation Center University of Washington He has served as director of the Social Welfare Program He is also a founding member of the International Association for Outcome Based Evaluation Research on Family and Children s Services in Italy as well as an associate board member of European Scientific Association for Residential and Foster Care for Children and Adolescents in Belgium

Social Treatment Christina Behrendt, 2017-07-05 The book has two principal purposes To provide an introduction to interpersonal helping in the context of social work practice and to develop a conceptual framework for interpersonal helping called social treatment that will enable the social worker and members of other helping professions effectively to use all the various methods and strategies currently practiced The book offers an orderly and systematic way of proceeding through a complex and often confused area of practice in it large issues such as remediation versus prevention are explored along with concrete suggestions for intervention with individuals families and small groups Theoretical systems are considered not merely for the techniques they suggest but also for the values and views of man inherent in them The

helping process itself is analyzed from the point of view of the consumer as well as the worker A conceptual framework for practice is developed that allows for systematic eclecticism in theory and technique providing a framework for evaluating and comparing different methods of social treatment The author defines social treatment as an approach to interpersonal helping which utilizes direct and indirect strategies of intervention to aid individuals families and small groups in improving social functioning and coping with social problems Beginning with a discussion of the concept of remediation within the context of the larger contemporary issues of social reform and environmental protection Professor Whittaker proceeds to consider several critical issues in present social work practice such as client advocacy service delivery systems and professionalization Subsequent chapters discuss the multiple roles that social work practitioners perform the major theoretical bases of social treatment the treatment sequence from intake to after care and the full range of helping activities that practitioners undertake indirectly on behalf of their clients The fin

Social Treatment of the Adult Offender National Conference on Social Welfare. Committee on Social Treatment of the Adult Offender,1938 Social Work Treatment 4th Edition Francis J. Turner,1996-09-01 **Social Work Treatment** Francis J. Turner,2011-03-15 First published in 1974 Social Work Treatment remains the most popular and trusted compendium of theories available to social work students and practitioners It explores the full range of theoretical approaches that drive social work treatment and knowledge development from psychoanalysis to crisis intervention This treasure trove of practice knowledge equips professionals with a broad array of theoretical approaches each of which shine a spotlight on a different aspect of the human condition Emphasizing the importance of a broad based theoretical approach to practice it helps the reader avoid the pitfalls of becoming overly identified with a narrow focus that limits their understanding of clients and their contexts This sweeping overview of the field untangles the increasingly complex problems ideologies and value sets that define contemporary social work practice The result is an essential A to Z reference that charts the full range of theoretical approaches available to social workers regardless of their setting or specialty **Relevance of Social Work in Counselling** Mr. Rohit Manglik,2024-04-23

EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels **Diagnosis in Social Work** Francis J Turner,2013-04-03 How can you make necessary professional judgments without being judgmental Assessment and diagnostic skills are essential professional tools for the social worker but all too often they are neglected or downplayed Diagnosis in Social Work argues for the reinstatement of social diagnosis to its former place as an essential concept in social work This courageous book demonstrates the detrimental impact of the loss of diagnostic skills on the quality of social work intervention Combining meticulous history with insightful analysis Diagnosis in Social Work shows how the concept of diagnosis in social work has been misunderstood It examines the negative narrow definition of diagnosis

offered in commonly used texts Diagnosis in Social Work includes the tools you need to use the power of correct careful diagnosis including case examples of social work diagnoses a thorough profile of the judgments constituting a social work diagnosis suggestions to enhance diagnostic acumen an analysis of diagnosis as a process and a fact ways to use computers in diagnosis an assessment of the risks of diagnosis Diagnosis in Social Work includes everything social work practitioners need to know about the process and meaning of this sorely neglected part of the field It is an ideal textbook as well and it offers suggestions for further research **The Social Significance of Mental Disease and Defect** Helen Hunt

Andrews,1918 **Social Workers' Desk Reference** Albert R. Roberts,Gilbert J. Greene,2002 Following in the groundbreaking path of its predecessor the second edition of the Social Workers Desk Reference provides reliable and highly accessible information about effective services and treatment approaches across the full spectrum of social work practice

The Social Welfare Forum National Conference on Social Welfare,1919 *Social Work Practicum and Supervision* Mr. Rohit Manglik,2023-09-23 In this book we will study about the subject of Social Work Practicum and Supervision exploring its key themes developments and importance in the broader context of the discipline The book offers foundational and in depth understanding tailored to build academic insight and critical thought **Proceedings of the National**
