Social World Of Imprisoned Girls:

The Social World of Imprisoned Girls Rose Giallombardo, 1981 **Analysing Women's Imprisonment** Pat Carlen, Anne Worrall, 2013-01-11 In both the UK and the rest of the world there have been rapid increases in the numbers of women in prison which has led to an acceleration of interest in women's crimes and the social control of women and women's experience of both prison and the criminal justice system is very different to men's This text is concerned to address the key issues relating to women's imprisonment contributing at the same time to an understanding of prison issues in general and the historical and contemporary politics of gender and penal justice What are women's prisons for What are they like Why are lone mothers ethnic minority and very poor women disproportionately represented in the women's prison population Should babies be sent to prison with their mothers These are amongst the issues with which this book is concerned **Analysing Women's Imprisonment** is written as an introductory text to the subject aiming to guide students of penology carefully through the main historical and contemporary discourses on women's imprisonment Each chapter has a clear summary concepts to know essay questions and recommendations for further reading and will help students prepare confidently for seminars course examinations and project work **Female World** Jessie Bernard, 1982-02 An exuberant celebration of women's unique strengths and differences **Lesbians, Women & Society** E M Ettorre, 2022-09-01 First published in 1980 *Lesbians Women and Society* presents an analysis of lesbianism as a phenomenon that developed from a personal problem or individual deviance to a social movement with political ambitions Social lesbianism an important concept introduced in the text refers to the emergence of a public expression of lesbianism and is a stage in the process of establishing a lesbian group identity It thrusts the issue into the public eye and lends vitality to society's awareness Two groups of social lesbians are visible those fearful of change who cling to traditional and social views sick but not sorry and those who wish to challenge such traditional views in favour of a more public approach sorry but we're not sick But regardless of their relationships to the dominant sexual ideology as a group social lesbians threaten the structure of power in society This critical analysis thus challenges many people's views of lesbianism and points out to the uninformed observer the complexities which are involved in the contemporary lesbian experience This book will be of interest to students of sociology gender studies feminist theory and sexuality studies **Criminal Intimacy** Regina Kunzel, 2022-03-22 Sex is usually assumed to be a closely guarded secret of prison life But it has long been the subject of intense scrutiny by both prison administrators and reformers as well as a source of fascination and anxiety for the American public Historically sex behind bars has evoked radically different responses from professionals and the public alike In *Criminal Intimacy* Regina Kunzel tracks these varying interpretations and reveals their foundational influence on modern thinking about sexuality and identity Historians have held the fusion of sexual desire and identity to be the defining marker of sexual modernity but sex behind bars often involving otherwise heterosexual prisoners calls those assumptions into question By exploring the sexual lives of prisoners and the sexual culture

of prisons over the past two centuries along with the impact of a range of issues including race class and gender sexual violence prisoners rights activism and the HIV epidemic Kunzel discovers a world whose surprising plurality and mutability reveals the fissures and fault lines beneath modern sexuality itself Drawing on a wide range of sources including physicians psychiatrists sociologists correctional administrators journalists and prisoners themselves as well as depictions of prison life in popular culture Kunzel argues for the importance of the prison to the history of sexuality and for the centrality of ideas about sex and sexuality to the modern prison In the process she deepens and complicates our understanding of sexuality in America

Trapped in a Vice Alexandra Cox,2018-01-30 Trapped in a Vice explores the consequences of a juvenile justice system that is aimed at promoting change in the lives of young people yet ultimately relies upon tools and strategies that enmesh them in a system that they struggle to move beyond The system rather than the crimes themselves is the vice Trapped in a Vice explores the lives of the young people and adults in the criminal justice system revealing the ways that they struggle to manage the expectations of that system these stories from the ground level of the justice system demonstrate the complex exchange of policy and practice

Finding Freedom in Confinement Kent R. Kerley Ph.D.,2018-01-25 What is the nature and impact of faith and religion in prison This book summarizes contemporary and cutting edge research on religion in correctional contexts enabling a scientific understanding of how prisoners use faith in their everyday lives Religion long has been a tool for correctional treatment In the United States religion was the primary treatment modality in the first prisons Only since the 1980s however have social scientists begun to study the nature extent practice and impact of faith and faith based prison programs Bringing together the knowledge of scholars from around the world this single volume book offers readers a science and research based understanding of how prisoners use faith in everyday life examining the role of religion in prison correctional contexts from a variety of interdisciplinary and international viewpoints By considering the perspectives of professionals actually working in corrections or prison settings as well as those of scholars studying religion and or criminal justice readers of Finding Freedom in Confinement The Role of Religion in Prison Life can gain insight into the most contemporary research on religion in correctional contexts The book contains data driven conceptual and policy oriented essays that cover major religions such as Christianity Judaism and Islam within correctional environments It also addresses subject matter such as the roles of prison chaplains and correctional officers and the relationships between religion and common aspects of prison life such as drug abuse gangs violence prisoner identity rights of prisoners and rehabilitation

Boston's Wayward Children Peter C. Holloran,1989 This study explores the origin and development of the American social welfare system It demonstrates that the system of orphanages child placing agencies reformatories juvenile courts and child guidance clinics established in Victorian Boston was a foundation for the New Deal and remains the basis of contemporary social work with the young

Bisexuality: A Critical Reader Merl Storr,2013-04-03 Bisexuality A Critical Reader presents the essential primary texts on bisexuality from the last 100 years in an easy to read format Exploring

this often controversial concept from a range of perspectives this book places bisexuality in its historical and cultural context and explores its many meanings and uses Merl Storr's introductions give a straightforward overview of the texts included and sets them clearly in the context of debates on bisexuality This collection includes pieces by Henry Havelock Ellis Sigmund Freud Alfred C Kinsey Wardell B Pomeroy and Clyde E Martin and H l n Cixous Children's Folklore Brian Sutton-Smith, Jay Mechling, Thomas W. Johnson, Felicia McMahon, 2012-10-12 A groundbreaking collection of essays on a hitherto underexplored subject that challenges the existing stereotypical views of the trivial and innocent nature of children's culture this work reveals for the first time the artistic and complex interactions among children Based on research of scholars from such diverse fields as American studies anthropology education folklore psychology and sociology this volume represents a radical new attempt to redefine and reinterpret the expressive behaviors of children The book is divided into four major sections history methodology genres and setting with a concluding chapter on theory Each section is introduced by an overview by Brian Sutton Smith The accompanying bibliography lists historical references through the present representing works by scholars for over 100 years *Correctional Bookshelf* United States.
