## **Socialism And Equality:**

*Socialism and Equality* Georgii Khosroevich Shakhnazarov, 1961      *Freedom and Equality (Routledge Revivals)* Keith Dixon, 2010-01-22 Unashamedly polemical this reissue of *Freedom Equality* first published in 1986 presents a strong and persuasively argued case for democratic socialism In contrast to many recent books justifying conservatism and varieties of Marxism Keith Dixon defends the two great principles underpinning democratic socialism freedom and equality He aims both to restore the idea of freedom to its proper place in the political vocabulary of the left and to defend a stark version of freedom as absence of constraint Only this version of freedom he argues is consistent with the proper defence of civil liberties Dixon also defends radical egalitarianism from its critics who either repudiate its full force or reject it out of hand He believes that freedom and equality are potentially realizable socialist goals that democratic socialism is not necessarily linked with fraternalism and above all that it should be based upon a firm and consistent conception of individuality

*Socialism and Equality* G. Shahnazarov, 1985      **Woman and Socialism** August Bebel, 2021-05-19 In *Woman and Socialism* August Bebel presents a pioneering examination of the intersection of gender and class within the socialist movement of the late 19th century This seminal work delves into the historical treatment of women analyzing societal structures that perpetuated their subjugation Bebel employs a blend of political rhetoric and personal narrative advocating for the emancipation of women as integral to the broader socialist agenda His literary style is marked by clarity and passion making complex ideas accessible while urging a revolutionary rethinking of gender roles in a rapidly industrializing society August Bebel a prominent German socialist and co founder of the Social Democratic Party was deeply influenced by the socio political upheavals of his time His commitment to social justice and equality particularly regarding women s rights stemmed from his belief that true socialism could only be realized through the liberation of all oppressed groups Bebel s own experiences as a progressive thinker in a patriarchal society shaped his arguments and intensified his call for reform in both social and economic spheres This work is essential for anyone seeking to understand the historical roots of feminist thought within the context of socialism Bebel s insights remain relevant today as they challenge readers to reconsider the relationship between gender and social justice making *Woman and Socialism* a crucial addition to the bookshelf of both scholars and activists alike In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read      *Why Not Socialism?* Gerald A.

Cohen, 2009-08-24 A compelling case for why it's time for socialism Is socialism desirable Is it even possible In this concise book one of the world's leading political philosophers presents with clarity and wit a compelling moral case for socialism and argues that the obstacles in its way are exaggerated There are times G A Cohen notes when we all behave like socialists On a camping trip for example campers wouldn't dream of charging each other to use a soccer ball or for fish that they happened to catch Campers do not give merely to get but relate to each other in a spirit of equality and community Would such socialist norms be desirable across society as a whole Why not Whole societies may differ from camping trips but it is still attractive when people treat each other with the equal regard that such trips exhibit But however desirable it may be many claim that socialism is impossible Cohen writes that the biggest obstacle to socialism isn't as often argued intractable human selfishness it's rather the lack of obvious means to harness the human generosity that is there Lacking those means we rely on the market But there are many ways of confining the sway of the market there are desirable changes that can move us toward a socialist society in which to quote Albert Einstein humanity has overcome and advanced beyond the predatory stage of human development

**Freedom and Equality** Keith Dixon, 2010 *Gender, Equality and Difference During And After State Socialism* R. Kay, 2015-12-17 Gender Equality and Difference During and After State Socialism examines gender as a socially and culturally constructed phenomenon which is influential in and influenced by state led policies and structures as well as social practices and relations and which shapes the experiences and lives of women and men

**The Breakdown of Capitalism & the Fight for Socialism in the United States** Socialist Equality Party (U.S.), 2010

**Justice as Equality** Anna Kasafi Perkins, 2010 Justice as Equality makes a unique contribution to the philosophical and intellectual tradition of the English speaking Caribbean by exploring the theory of justice underpinning the life work and writings of former Prime Minister of Jamaica and renowned Third World Statesman the late Michael Manley 1924-1997 Manley's singular Caribbean vision of justice was forged in a post colonial context that he described as being too radically disfigured by inequalities to be improved by mere tinkering This book posits that equality has become unfashionable in social analysis and contemporary politics in part due to the increased significance of values such as identity diversity and difference in tandem with a misunderstanding of the concept of equality It argues for a reclaiming of a multi faceted and complex way of understanding equality in light of Manley's thought Through an engagement with the norms of justice developed within the Catholic social teaching tradition this book examines clarifies and deepens Manley's Caribbean account of justice as equality Manley's theory is a deeply relational theory one of justice and equality that roots fundamental human equality in the relationship to divine transcendence It calls for the dismantling of all relationships of oppression and domination that result when the fundamental equality of all human beings is disregarded It takes account of the multiple dimensions of the human person and calls a society just when it allows for the flourishing of every member specifically through full participation in the life of the society

**Symposium on Markets and Equality Under Capitalism and Socialism** Symposium on Markets and Equality

under Capitalism and Socialism. 1991, Berlin, 1992

**The Pursuit of Equality in American History** Jack Richon Pole, Pole, Jack Richon Pole, Professor J R Pole, 1978-01-01 The author looks to the origins of equality in Greek thought and the idea's important in the eighteenth century to understand the tenacious attraction it has had for Americans over more than two hundred years of political, legal and social controversy

*Equal Shares* John E. Roemer, Richard J. Arneson, 1996 How is it possible to translate egalitarian ideals into practical policy In this second volume of the Real Utopias Project John Roemer proposes the creation of an economy which combines a functioning market with a commitment to equality Roemer's novel mechanism for achieving this end is the creation of two kinds of money one used for the purchase of goods and the other referred to as coupons for buying shares in companies All citizens on reaching the age of majority are given an equal number of coupons from which they derive ownership rights in companies including dividends and a vote in board elections Firms raise finance capital through the state which converts shareholders' coupons into money At death all shares and unspent coupons revert to the state for redistribution This scheme Roemer argues allows for a significant degree of government planning and equal distribution of property in the framework of a free market it is in short a working system of market socialism In the series of critiques which follow a range of distinguished thinkers engage in lively polemic concerning the practicality and effectiveness of Roemer's scheme The contributors are Richard Arneson Fred Block Harry Brighouse Michael Burawoy Joshua Cohen Nancy Folbre Andrew Levine Mieke Meurs Louis Putterman Joel Rogers Debra Satz Julius Sensat William Simon Frank Thompson Thomas Weisskopf and Erik Olin Wright

*Liberty, Equality, and Humbug* David Dwan, 2018-10-17 George Orwell is watching you and you're watching him Britain pays its respects in the form of the Orwell Prize the Orwell Lecture and more recently Orwell Day A statue of Orwell now stands outside Broadcasting House in London and he continues to tower over broadcast journalism His ghost is repeatedly summoned in the houses of Parliament and in schools across Britain In Europe and the US citizens confront the perennial question What would Orwell say Orwell is part of the political vocabulary of our times yet partly due to this popularity what he stands for remains opaque His writing confirms deep and widely shared intuitions about political justice but much of its enduring fascination derives from the fact that these intuitions don't quite add up David Dwan accounts for these inconsistencies by exploring the broader moral conflict at the centre of Orwell's work and the troubled idealism it yields Examining the whole sweep of Orwell's writings this book shows how literature can be a rich source of political wisdom

*The Breakdown of Capitalism and the Fight for Socialism in the United States* Socialist Equality Party (U.S.), 2012

**Justice of Marxism** Zhang Xiaomeng, 2023-10-11 This book analyzes Marxian theories of justice within the context of contemporary political philosophy and intellectual history Transcending perspectives from classical Marxism the author analyzes how Western Marxism has engaged with critically and responded to the theories of justice especially since the 1970s The nine chapters cover major intellectual movements and multi-dimensional frameworks of thought that critique and understand anew the idea of justice including anglophone debates on

Marxism and justice global distributive justice and viewpoints from analytical Marxism radical egalitarianism the Frankfurt School Marxian feminism and ecological Marxism The second part of the book returns to the classical texts of Marxism with a focus on historical materialism and a critique of capitalism to reinterpret basic tenets of justice in Marxism and to reconstruct Marxian theory of justice This title will be of value to scholars and students interested in theories of justice Marxian philosophy and political philosophy *Socialisms: Old and New* Tony Wright,2006-06-19 Endorsement and Foreword by Tony Blair will greatly assist the publicity for this book The academic turned MP author has a good track record and is a rising Blairite star in New Labour Citizens and Subjects received excellent reviews Clear and concise introduction to socialism First edition published by Oxford was very well received Other books on individual ideologies have done very well The Nature of Fascism and Green Political Thought **UGC NET Paper 2 \_ Public Administration Volume - 5** Mr. Rohit Manglik,2024-03-05 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels

**Equality a Socialist-radical Fallacy** Henry Strickland Constable,1897 *Politics and Left Politics* R. G. Williams,2025-04-17 This book is a study of the Left and its politics Through a series of connected essays it tries to outline the specific ideas which make up the politics of the modern Left the politics of Socialism Humanism and Emancipation The book is also an unapologetically political study It argues for the Left for a better Left for a Left that can change the world
