Society And The Dance The Social Anthropology Of Process And Performance:

Society and the Dance Paul Spencer, 1985 Presenting seven examples from Africa Southeast Asia Melanesia and Oceania this study attempts to further the anthropological understanding of dance s social significance and critical relevance by exploring it as a reflection of social forces ***Society and the Dance*** Paul Spencer, 1985 **Interpreting Japanese Society** Joy Hendry, 2002-09-11 First published in 1986 *Interpreting Japanese Society* became something of a classic in the field In this newly revised and updated edition the value of anthropological approaches to help understand an ancient and complex nation is clearly demonstrated While living and working in Japan the contributors have studied important areas of society Religion ritual leisure family and social relations are covered as are Japanese preconceptions of time and space often so different from Western concepts This new edition of *Interpreting Japanese Society* shows what an important contribution research in such a rapidly changing industrialised nation can make to the subject of anthropology It will be welcomed by students and scholars alike who wish to find refreshing new insights on one of the world s most fascinating societies

Popular Music: Music and society Simon Frith, 2004 Popular music studies is a rapidly expanding field with changing emphases and agenda This is a multi volume resource for this area of study **Ideological, Social and Cultural Aspects of Events** Omar Moufakkir, Tomas Pernecky, 2014-12-10 There is an ever growing importance of events in modern society and until now existing literature on events has been dominated by the economic perspective *Social and Cultural Aspects of Events* addresses the social and cultural side of events and explores the role they have in fostering change and community development It examines the transformatory function of events in the context of development studies as phenomena that can promote and facilitate human development including social societal and individual change This book provides vital and timely exploration and encourages the study of more diverse themes within event management **Tonga** Martin Daly, 2009-02-04 Praise for the first edition *Tonga* is unique among bibliographies in its perception and understanding and in its affection for Tonga and its people Daly s work stands on exceptionally sound foundations His summaries are excellent indeed but Daly writes always with the authority of first hand knowledge with a keen eye for the essential and the ability to interpret and clarify obscurities A trustworthy introduction to Tonga in all its diversity a splendid point de d part for all layman or scholar needing a reliable guide to the essential literature about this remarkable Polynesian kingdom *Bulletin of the School of Oriental and African Studies* The book is so arranged that it is easy to locate any of the items listed I found myself spending pleasant hours perusing Daly s comments on the different publications I hope the rumor of a second revised edition of this bibliography is true *Journal of the Polynesian Society* *Tonga* is a fascinating and subtle combination of a traditional Polynesian kingdom the only one to survive the impact of colonization in the nineteenth century and remain independent and a thoroughly Christian country This comprehensive bibliography is a selective guide to the most significant and accessible English language books papers and articles on every aspect of the kingdom s history culture arts politics environment and

economy It is a much updated and expanded edition of the original version that was published in 1999 as part of the World Bibliographical Series with the addition of more than 200 new entries Each of the approximately 600 described and annotated items is organized under broad subject headings and indexed by author title and subject In addition and new to this edition all known Ph D theses although not annotated are shown within their appropriate subject categories and indexed Also new is a section on the most important Tonga related websites A general introduction describes the Tongan kingdom its history and society and its current situation Tonga A New Bibliography will be an invaluable resource for anyone with a serious interest in Tonga and an indispensable volume for academic libraries reference collections and policy makers focused on the Pacific islands

African Dance Kariamu Welsh-Asante,1996 A collection of essays by distinguished writers critics and artists which addresses the discipline of African dance both on the continent and in the wider Diaspora Includes a contribution from the distinguished Jamaican choreographer Sir Rex Nettleford *How do we know? Evidence, Ethnography, and the Making of Anthropological Knowledge* Liana Chua,Casey High,2009-05-05 Since its inception modern anthropology has stood at the confluence of two mutually constitutive modes of knowledge production participant observation and theoretical analysis This unique combination of practice and theory has been the subject of recurrent intellectual and methodological debate raising questions that strike at the very heart of the discipline How Do We Know is a timely contribution to emerging debates that seek to understand this relationship through the theme of evidence Incorporating a diverse selection of case studies ranging from the Tibetan emotion of shame to films of Caribbean musicians it critically addresses such questions as What constitutes viable anthropological evidence How does evidence generated through small scale intensive periods of participant observation challenge or engender abstract theoretical models Are certain types of evidence inherently better than others How have recent interdisciplinary collaborations and technological innovations altered the shape of anthropological evidence Extending a long standing tradition of reflexivity within the discipline the contributions to this volume are ethnographically grounded and analytically ambitious meditations on the theme of evidence Cumulatively they challenge the boundaries of what anthropologists recognise and construct as evidence while pointing to its thematic and conceptual potential in future anthropologies

The Intestines of the State Nicolas Argenti,2008-09-15 The young people of the Cameroon Grassfields have been subject to a long history of violence and political marginalization For centuries the main victims of the slave trade they became prime targets for forced labor campaigns under a series of colonial rulers Today s youth remain at the bottom of the fiercely hierarchical and polarized societies of the Grassfields and it is their response to centuries of exploitation that Nicolas Argenti takes up in this absorbing and original book Beginning his study with a political analysis of

youth in the Grassfields from the eighteenth century to the present Argenti pays special attention to the repeated violent revolts staged by young victims of political oppression He then combines this history with extensive ethnographic fieldwork in the Oku chiefdom discovering that the specter of past violence lives on in the masked dance performances that have earned intense devotion from today's youth Argenti contends that by evoking the imagery of past cataclysmic events these masquerades allow young Oku men and women to address the inequities they face in their relations with elders and state authorities today

Step Dancing in Ireland Catherine E. Foley, 2016-04-01 For many people step dancing is associated mainly with the Irish step dance stage shows Riverdance and Lord of the Dance which assisted both in promoting the dance form and in placing Ireland globally But in this book Catherine Foley illustrates that the practice and contexts of step dancing are much more complicated and fluid Tracing the trajectory of step dancing in Ireland she tells its story from roots in eighteenth century Ireland to its diverse cultural manifestations today She examines the interrelationships between step dancing and the changing historical and cultural contexts of colonialism nationalism postcolonialism and globalization and shows that step dancing is a powerful tool of embodiment and meaning that can provoke important questions relating to culture and identity through the bodies of those who perform it Focusing on the rural European region of North Kerry in the south west of Ireland Catherine Foley examines three step dance practices one the rural Molyneux step dance practice representing the end of a relatively long lived system of teaching by itinerant dancing masters in the region two Rinceoir na R oichta a dance school representative of the urbanized staged competition orientated practice cultivated by the cultural nationalist movement the Gaelic League established at the end of the nineteenth century and practised today both in Ireland and abroad and three the stylized commoditized folk theatrical practice of Siamsa T re the National Folk Theatre of Ireland established in North Kerry in the 1970s Written from an ethnochoreological perspective Catherine Foley provides a rich historical and ethnographic account of step dancing step dancers and cultural institutions in Ireland

Dance and the Body Politic in Northern Greece Jane K. Cowan, 2016-09-29 Valued for their sensual and social intensity Greek dance events are often also problematical for participants giving rise to struggles over position prestige and reputation Here Jane Cowan explores how the politics of gender is articulated through the body at these culturally central yet until now ethnographically neglected celebrations in a class divided northern Greek town Portraying the dance event as both a highly structured and dynamic social arena she approaches the human body not only as a sign to be deciphered but as a site of experience and an agent of practice In describing the multiple ideologies of person gender and community that townspeople embody and explore as they dance Cowan presents three different settings the traditional wedding procession the Europeanized formal evening dance of local civic associations and the private party She examines the practices of eating drinking talking gifting and dancing and the verbal discourse through which celebrants make sense of each other's actions Paying particular attention to points of tension and moments of misunderstanding she analyzes in what ways these social

situations pose different problems for men and women *Dancing in the Muddy Temple* Eline Kieft, 2022-05-23 Drawing from nature experience dance anthropology and shamanism Dr Eline Kieft explores improvised movement as a pathway to insight healing transformation and direct interaction with source *Dancing in the Muddy Temple* takes the reader on a journey through multiple layers of embodied spirituality based in movement and embedded in the land Addressing existential questions outside of mainstream religions the book seeks possibilities for a spirituality that dances with the sacred life force within and all around us Starting within the body and always using movement as a way of knowing Kieft expands on further concrete and subtle layers of connection A sensorial immersion in the land develops into an expansion of consciousness and meeting intangible aspects of nature After exploring the role of ceremony in contemporary times the book concludes with an unexpected chapter on healing drawing together insights for a dynamic approach to health and wholeness as innate part of an embodied spirituality Moving seamlessly between her personal professional and academic background Kieft creates an unusual scholarship in which bodily and autobiographical narrative are neatly interwoven with interdisciplinary literature Its uniqueness lies in a radical integration of theory and practice which brings an aliveness to the material that stirs an inquisitive desire to move rooted in language that inspires confidence for personal inquiry into a rich and complex territory This inspiring book offers an intricate road map to explore and strengthen the interwovenness of various layers of self surroundings and the sacred distilling tools for a practical moving spirituality of the everyday **The SAGE International**
