Millgram,2018-03-09 This is a book about a book it is an in depth yet reader friendly analysis of the Book of Judges one of the most dramatic books of the Bible Against the commonly held view that this remarkable work is no more than a collection of hero tales stemming from Israel s earliest days in its land its Heroic Age so to speak this study makes the case that the Book of Judges is a unified composition with a single focused

message that it is the values held by a people and not its politics that determine its fate Further Judges contends that there is a direct connection between the kind of values people internalize and the level of violence that racks their society both inflicted from without and generated from within And not least that the presence of violence is a symptom that a society has abandoned the moral values of monotheism for the Machiavellian politics of a pagan worldview that worships power as the ultimate reality The larger than life heroes and heroines Ehud and Jael Deborah and Gideon Jephthah and Samson who people the pages of Judges serve by their example to illustrate the way this thesis works out in the world *Bible Study Guide: Isaiah Volume 1* Andrew J. Lamont-Turner, Step into the fierce brilliance of prophetic fire This verse by verse study of Isaiah chapters 1 to 20 opens the gates to one of Scripture s most powerful poetic and politically charged books With unapologetic clarity and prophetic urgency Isaiah confronts injustice exposes hollow religion and unveils the towering holiness of God Judah s sins are laid bare her leaders called to account and the surrounding nations warned divine judgment is not theoretical it s imminent But judgment is never the end of the story In the midst of oracles and woes flickers of hope burn with fierce promise a remnant will return A child will be born A ruler will come not with pomp but with righteousness wisdom and peace Assyria may crush empires but it is only a tool in the hands of the true King Egypt and Cush may tempt Judah s trust but salvation belongs to the Lord alone This in depth exposition walks readers line by line through every verse tracing Isaiah s warnings imagery historical setting and theology From courtroom indictments to throne room visions from the collapse of empires to the whisper of Immanuel each chapter peels back layers of ancient prophecy with modern relevance Whether you re a student of Scripture a preacher of the Word or a seeker of clarity in a world of confusion this study roots you in the unshakable reality of God s sovereignty holiness and grace **He Chose the Nails Bible Study Guide** Max Lucado, 2016-09-13 Every gift from God reveals his love but no gift reveals his love more than the gifts of the cross These gifts came not wrapped in paper but in passion They were not placed around a tree but around a cross They were not covered with ribbons but sprinkled with the blood that Christ shed on our behalf In this five session video Bible study Max Lucado explores the many gifts that Christ provided to us at his crucifixion These include not only the gift of the cross but also the gift of the thorns that pierced his brow The nails that tore his flesh The seamless robe that he removed for us The empty tomb where he forever defeated sin and death The hill of the cross is rich with the gifts of God s grace These were gifts he didn t have to give The only required act for our salvation was the shedding of blood yet God did so much more So as we unwrap these gifts we need to pause and listen for his voice As we do perhaps we will hear him whisper I did it just for you The He Chose the Nails Study Guide includes video discussion questions Bible exploration personal study and reflection materials for in between sessions and an additional session for churches and small groups using this study as part of Lent Session include He Chose to Be One of Us He Chose to Forgive Us He Chose to Invite Us into His Presence He Chose to Love Us Forever He Chose to Give Us Victory Designed for use with the He Chose the Nails DVD 9780310687849 sold
