*Sociology* James K. Semones, 1990      *Sociology* James K. Semones, 1990      Sociology: Core Text James K. Semones, 1998-12      *Core Concepts in Sociology* J. Michael Ryan, 2018-08-20 An essential guide to the basic concepts that comprise the study of sociology with contributions from an international range of leading experts *Core Concepts in Sociology* is a comprehensive guide to the essential concepts relevant to the current study of the discipline and wider social science The contributing authors cover a wide range of concepts that remain at the heart of sociology including those from its academic founding and others much more recent in their development The text contains contributions from an international panel of leading figures in the field utilizing their expertise on core concepts and presenting an accessible introduction for students Drawing on the widest range of ideas research current literature and expert assessment *Core Concepts in Sociology* contains over 90 concepts that represent the discipline Coverage includes concepts ranging from aging to capitalism democracy to economic sociology epistemology to everyday life media to risk stigma and much more This vital resource Sets out the concepts that underpin the study of sociology and wider social science Contains contributions from an international panel of leading figures in the field Includes a comprehensive review of the basic concepts that comprise the foundation and essential development of the discipline Designed as a concise and accessible resource Written for students researchers and wider professionals with an interest in the field of sociology *Core Concepts in Sociology* offers a concise affordable and accessible resource for studying the underpinnings of sociology and social science      **Sociology** Leonard Broom, Charles M. Bonjean, Dorothy H. Broom, 1990 Almost every section is followed by an adaptation of works from classical and contemporary sociologists that illustrate social ideas and research findings includes works like Mills *Social Imagination* Durkheim's *Suicide* Wilson's *The Truly Disadvantaged* Rossi's studies on homelessness and recent sociological research on AIDS Cross cultural examples and comparisons throughout the book more than Landis      *Sociology* Michael D. Hughes, Carolyn J. Kroehler, James Wilfrid Vander Zanden, 2002 Highly respected for its quality scholarship and its focused straightforward approach to Sociology the sixth edition of *Sociology The Core* returns to the core concept with tighter briefer more accessible presentation and a very accessible price Michael Hughes of Virginia Polytechnic State University and Carolyn Kroehler a professional writer have revised the work of James Vander Zanden who is now Emeritus Professor of the Ohio State University As in the previous editions the functionalist conflict and interactionist perspectives are applied throughout the book allowing students to develop a solid understanding of the major sociological perspectives and their applications to the topics covered *Sociology The Core* seeks to make sociology come alive as a vital and exciting field to relate principles to real world circumstances and to attune students to the dynamic processes of our rapidly changing contemporary society The authors have kept this book completely up to date including data from the 2000 Census whenever possible and new student examples capitalizing on students desire to read about issues of interest to them      *Sociology* James M. Henslin, 2006

Adapted from Henslin's best selling comprehensive hardback text *Core Concepts* provides in depth coverage of ten high priority topics that are the foundation of many introductory sociology courses. This unique paperback offers a concise and economical format without sacrificing depth of coverage. Unlike a brief or essentials text, the ten chapters that make up *Core Concepts* are not edited down from a longer book. Instead, they provide full coverage of those topics that instructors emphasize the most in a one semester or one term introductory sociology course. And like Henslin's other texts, it features the author's familiar down to earth approach and personal writing style that highlight the sociology of everyday life. With wit, personal reflection, and illuminating examples, Henslin shares with readers a passion for sociology unmatched by any other introductory text.
