Sweet End

Yohei Igarashi

Sweet End:

Commercial Relations of the United States ,1889 **Reports from the Consuls of the United States** ,1889 **The Literary Gazette and Journal of Belles Lettres, Arts, Sciences** ,1822 **Holy Bingo, the Lingo of Eden, Jumpin' Jehosophat and the Land of Nod** Les Harding,2006-01-25 Christianity abounds with fascinating little known trivia Gas station attendants for example enjoy their own patron saint So do stamp collectors truss makers and sailors in the Bolivian navy Jesus and Judas were common names in the biblical period and Jesus of Nazareth had a brother named Judas The forbidden fruit was more likely an apricot than an apple and Delilah hired a barber to cut Sampson s hair This dictionary of miscellany combs the annals of Christian esoterica offering the most intriguing facts that are often forgotten overlooked or ignored Departing from the standard subject matter this work serves as an unruly companion to the typical Bible dictionary Nearly 1500 entries range from Aaron s beard a popular name for Saint John s wort to zounds an antiquated Christian swear word Information is cross referenced and includes numerous quotations **Extra Virgin** Gabriele Corcos,Debi Mazar,2014-05-06 Debi Mazar and Gabriele Corcos hosts of the Cooking Channels s hit show Extra Virgin bring together food family and style in a celebration of the pleasures of the rustic Italian table with 120 recipes for simple yet exquisite meals that are accessible full of fresh flavor and easy to prepare Devi Mazar and Gabriele Corcos are ambassadors of contemporary Tuscan cooking In Extra Virgin Gabriele is a traditional Italian with a big heart and Debi is an outgoing brash New York City girl Their sassy and playful exchanges illuminate what s important in everyday life good food and a lot of love Ranging from traditional antipasti and soups to their spin on entrees pizzas and desserts recipes include Pecorino and Honey Dip a sweet and salty way to start a meal tangy luscious Grilled Apricots with Goat Cheese Ricotta inspired by wild Tuscan apricot trees and Sausage and Beans which offers hints of fennel in a Tuscan red sauce Here too are Braised Artichokes softened in guanciale infused oil Breakfast Pizza and Coffee Granita just as Italians make it So flag these recipes get sauce on them let splashes of olive oil mark the pages and invite Debi and Gabriele s charisma and passion for cooking to spill into your kitchen Greek Poems to the Gods Barry B. Powell,2022-08-09 The ancient Greek hymnic tradition translated beautifully and accessibly The hymn as poetry as craft as a tool for worship and philosophy was a vital art form throughout antiquity Although the Homeric Hymns have long been popular other equally important collections have not been readily accessible to students eager to learn about ancient poetry In reading hymns we also gain valuable insight into life in the classical world In this collection early Homeric Hymns of uncertain authorship appear along with the carefully wrought hymns of the great Hellenistic poet and courtier Callimachus the mystical writings attributed to the legendary poet Orpheus written as Christianity was taking over the ancient world and finally the hymns of Proclus the last great pagan philosopher of antiquity from the fifth century AD whose intellectual influence throughout western culture has been profound Greek Poems to the Gods distills over a thousand years of the ancient Greek hymnic tradition into a single volume Acclaimed translator

Barry B Powell brings these fabulous texts to life in English hewing closely to the poetic beauty of the original Greek His superb introductions and notes give readers essential context making the hymns as accessible to a beginner approaching them for the first time as to an advanced student continuing to explore their secrets Brilliant illustrations from ancient art enliven and enrich the experience of reading these poems *Shakespeare's Comedies, Histories, Tragedies, and Poems* William Shakespeare, 1858 *Shakespeare's Folktale Sources* Charlotte Artese, 2015-06-03 Shakespeare's Folktale Sources argues that seven plays *The Taming of the Shrew* *Titus Andronicus* *The Merry Wives of Windsor* *The Merchant of Venice* *All's Well that Ends Well* *Measure for Measure* and *Cymbeline* derive one or more of their plots directly from folktales In most cases scholars have accepted one literary version of the folktale as a source Recognizing that the same story has circulated orally and occurs in other medieval and early modern written versions allows for new readings of the plays By acknowledging that a play's source story circulated in multiple forms we can see how the playwright was engaging his audience on common ground retelling a story that may have been familiar to many of them even the illiterate We can also view the folktale play as a Shakespearean genre defined by source as the chronicle histories are that spans and traces the course of Shakespeare's career The fact that Shakespeare reworked folktales so frequently also changes the way we see the history of the literary folk or fairy tale which is usually thought to bypass England and move from Italian novella collections to eighteenth century French salons Each chapter concludes with a bibliography listing versions of each folktale source as a resource for further research and teaching Published by University of Delaware Press Distributed worldwide by Rutgers University Press

Arete Stephen G. Miller, 2012-09-01 From the informal games of Homer's time to the highly organized contests of the Roman world Miller has compiled a trove of ancient sources Plutarch on boxing Aristotle on the pentathlon Philostratos on the buying and selling of victories Vitruvius on literary competitions and Xenophon on female body building Arete offers readers an absorbing lesson in the culture of Greek athletics from the greatest of teachers the ancients themselves and demonstrates that the concepts of virtue skill pride valor and nobility embedded in the word arete are only part of the story from antiquity This bestselling volume on the culture of Greek athletics is updated with a new preface by leading scholar Paul Christesen that discusses the book's continued importance for students of ancient athletics *The Connected Condition* Yohei Igarashi, 2019-12-10 The Romantic poet's intense yearning to share thoughts and feelings often finds expression in a style that thwarts a connection with readers Yohei Igarashi addresses this paradox by reimagining Romantic poetry as a response to the beginnings of the information age Data collection rampant connectivity and efficient communication became powerful social norms during this period *The Connected Condition* argues that poets responded to these developments by probing the underlying fantasy the perfect transfer of thoughts feelings and information along with media that might make such communication possible This book radically reframes major poets and canonical poems Igarashi considers Samuel Taylor Coleridge as a stenographer William Wordsworth as a bureaucrat Percy Shelley amid social networks and John Keats

in relation to telegraphy revealing a shared attraction and skepticism toward the dream of communication Bringing to bear a singular combination of media studies the history of communication sociology rhetoric and literary history *The Connected Condition* proposes new accounts of literary difficulty and Romanticism Above all this book shows that the Romantic poets have much to teach us about living with the connected condition and the fortunes of literature in it

Fuel your quest for knowledge with is thought-provoking masterpiece, Explore **Sweet End** . This educational ebook, conveniently sized in PDF (*), is a gateway to personal growth and intellectual stimulation. Immerse yourself in the enriching content curated to cater to every eager mind. Download now and embark on a learning journey that promises to expand your horizons. .
