world's most famous athlete now associated less with the Masters and more with the strippers and with reality TV working around the clock to ensure the constitutional right of every man woman and child to fifteen minutes of fame Geist's business is thriving In his hilarious first book *American Freak Show* Geist takes the smart biting observation loved by his television audience to new satirical extremes The real life characters who now haunt our daily lives are cast as stars in completely made up scenes that frankly are not all that far from reality Geist treats us to the first look at President Sarah Palin's unconventional inaugural address performed live on WWE's Monday Night Raw after her renegade victory in the 2012 election We go inside the ballroom for a Dean Martin style welcome roast of Bernie Madoff upon his arrival in Hell with Pol Pot serving as sidesplitting roastmaster Geist provides us with never before seen FBI wiretap transcripts of the more mundane but equally profane telephone conversations of former Illinois governor Rod Blagojevich And George W Bush's batting cage and waterslide themed plans for a presidential library are laid out publicly for the first time From Obama to Oprah Afghanistan to Lohan and Snooki to the Salahis Willie Geist spares no one as our host of this wild *American Freak Show* You'll laugh out loud while weeping for the future of America **Make Me a Mixtape** Jennifer Whiteford, 2024-10-08
