Sweet and Savory Jaida Jewel,2022-06-10 Sweet but I still didn t feel fulfilled I kept getting this nagging feeling that it just wasn t enough that I need more The raw truth hurts sometimes which is one reason not so many people can truly deal with it or have it present in their lives I ve lost many people on my path and I could never wrap my head around it I am constantly looking for the why and forever needing a reason to keep on striving One day I realized that I was the only reason that mattered I was indeed the only person keeping me going This power I continued to search for outside of myself has always been within me If you ask a person if they re happy they ll proceed to tell you all of the external reasons why if they happen to say yes never touching on the intimate reasons what they have to tell themselves to keep going Self love is so far from the truth that society is custom too It would shock most to know the way I healed these deep wounds was by love listening to my own needs and listening to music that my spirit was calling me to that day As shocking as it may be to know that crying is one of the best antibiotics there is to release pain confusion jealousy egotistical habits and the need to self sabotage to be free of the old life you were stuck in to know you had the key all along is something you d never forget I hope

one day I m able to continue showering this world with love and gems of knowledge that I ve learned on my way We as a collective deserve better We deserve to heal I see so many people repeating the same patterns thinking they can t escape or that it s the only way We were meant to love on the next and spread fruits of wisdom to nourish our loved ones I understand it s a big responsibility to say I have something that can help change the world but with how I see it is I can start with one book at a time
