Swift And Carroll A Psychoanalytic Study Of Two Lives

Benjamin H. Ogden

Swift And Carroll A Psychoanalytic Study Of Two Lives:

Swift and Carroll Phyllis Greenacre, 1955 This is a psychological study of two men apparently very different in many respects nearly opposites Only Dr Greenacre s deep psychological investigation reveals the intrinsic likeness which exists in all opposites With care and thoroughness she examines the lives and characters of the two authors and relates them to the themes and characters of their writings which have become English classics Gulliver and Alice are immortal and Dr Greenacre also succeeds in offering an explanation of their universal appeal Based on many years of real experience fathoming the unconscious Dr Greenacre applies the pathographic method with tenderness thoroughness caution and a willingness to state possibility rather than to assert downright certainty The fact that both Swift and Carroll were particularly uncommunicative and reticent regarding their personal lives makes this study even more fascinating because Dr Greenacre provides the key which inevitably opens a broad view of the inner workings of the writers minds From publisher description

The Study of Lives Robert W. White, 2023-01-13 The Study of Lives reveals for the first time the extent of Henry A Murray s considerable influence on the study of personality Throughout his long and distinguished career he has either trained or strongly influenced some of the world s leading psychologists eighteen of whom have written fascinating essays for this book The range of topics presented here is as diverse and highly original as Murray s own ideas about personality Everyone concerned with the study of personality will find this book an excellent sampling of the best work being done in the field The study of lives is a phrase Henry A Murray has often used to describe his own work and it suggests his central conviction that living beings must be studied as living wholes Personality he has repeatedly pointed out is a dynamic process a constantly changing configuration of thoughts feelings and actions occurring in a social environment and continuing throughout life If small parts and short segments of human affairs have to be isolated for detailed scrutiny they must still be understood as parts of a patterned organic system and as segments of a lifelong process This has never meant for him that all research should take the form of collecting life histories although his contributions along this line have been outstanding It implies simply that isolating fragmenting and learning just a tiny bit about a lot of people tend to carry us away from what is most worth studying The essays in this book are grouped under headings that represent some of Murray s strongest interests His conception of personality as a dynamic process is reflected in Part I which deals with continuities and changes in the course of life His interest in devising procedures suitable for disclosing live feelings fantasies and adaptations and his insistence on the necessity for an adequate taxonomy of carefully discriminated carefully defined variables are represented in the papers of Part II His view that creativity is a central property of human nature has contributed to the reflections and researches that make up Part III Finally his concern with values the great blind spot of traditional science but so obviously a momentous problem for contemporary lives and societies has been taken up in several different ways by the authors of Part IV

Jonathan Swift and the Burden of the Future Alan D. Chalmers, 1995 Alan Chalmers s Jonathan Swift and the Burden of

the Future explores Swift's temporal apprehension in the context of the pertinent seventeenth and eighteenth century religious, scientific, and cultural debates. It also compares Swift's imaginative understanding of time with that of such other writers as Juvenal, Rabelais, Milton, Pope, Gray, and Whitman. **BOOK JACKET Title Summary** field provided by Blackwell North America Inc. All Rights Reserved **Fair Liberty Was All His Cry** A. Norman Jeffares, 1967-06-18 Beyond Psychoanalytic Literary Criticism Benjamin H. Ogden, 2018-04-17 Through a series of radical and innovative chapters, *Beyond Psychoanalytic Literary Criticism: Between Literature and Mind* challenges the tradition of applied psychoanalysis that has long dominated psychoanalytic literary criticism. Benjamin H. Ogden, a literary scholar, proposes that a new form of analytic literary criticism take its place, one that begins from a place of respect for the mystery of literature and the complexity of its inner workings. In this book, through readings of authors such as J. M. Coetzee, Flannery O'Connor, and Vladimir Nabokov, the mysteries upon which literary works rely for their enduring power are enumerated and studied. Such mysteries are thereafter interwoven into a series of pioneering studies of how the conceptions of thinking, dreaming, and losing become meaningful within the unique aesthetic conditions of individual novels and poems. Each chapter is a provisional solution to the difficult bridging problems that arise when literary figures work in the psychoanalytic space and when psychoanalysts attempt to make use of literature for analytic purposes. At every turn, *Beyond Psychoanalytic Literary Criticism: Between Literature and Mind* acts as a living example of the territory it explores: the space between two disciplines wherein the writer brings into being a form of psychoanalytic literary criticism of his own making. Forgoing traditional applied psychoanalysis and technical jargon, this highly accessible interdisciplinary work will appeal to psychoanalysts and psychoanalytic psychotherapists as well as literary critics and scholars. *Lemuel Gulliver's Mirror for Man* W. B. Carnochan, 2024-03-29 Satire, long the most neglected of literary genres, has begun to claim its share of critical attention. And no book in the satiric tradition has generated more controversy than *Gulliver's Travels*, since it was first published it has been the subject of an often passionate debate about its moral and esthetic value, a debate inseparable from the question of what Swift was really saying about us all, especially in Book IV. Despite the running controversy, this is the first extended study of the *Travels* to appear in over forty years. It places Swift's masterpiece in the perspective of its own age but also in relation to ours. First it reviews the philosophical doubts of the Augustans about the nature of man, doubts now recognized as a major force behind Swift's satire. It examines Augustan satiric theory and its Continental background, and coming to the *Travels*, treats them as one instance of a conventional form, the satire on man. On the vexed problem of Book IV, it argues that alternative views of Swift as a savage misanthrope and as a benign humanist are both inadequate and that, as in Swift's irony, generally what seem to be contradictory truths are simultaneously in force. The study is concerned throughout with the way values operate in a satiric context. What, for example, are we to make of Gulliver's pious attachment to truth-telling? In this connection, a speculative theory is proposed which relates Swift's satiric intentions to the epistemology of John Locke. Finally, an epilogue looks ahead.

to some modern writers Lewis Carroll Joyce Vladimir Nabokov whose habits throw a retrospective light on Swift's. The study broadly speaking is not only about Gulliver's Travels but also about the psychology of the satirist and about the mind's response whether the Augustans or our own at moments of intellectual crisis. This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact. Drawing on a backlist dating to 1893, Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology. This title was originally published in 1968.

The Miniaturists Barbara Browning, 2022-10-10. In *The Miniaturists* Barbara Browning explores her attraction to tininess and the stories of those who share it. Interweaving autobiography with research on unexpected topics and letting her voracious curiosity guide her, Browning offers a series of charming short essays that plumb what it means to ponder the minuscule. She is as entranced by early twentieth century entomologist William Morton Wheeler who imagined corresponding with termites as she is by Frances Glessner Lee the mother of forensic science who built intricate dollhouses to solve crimes. Whether examining Honey I Shrank the Kids the Schoenhut toy piano dynasty portrait miniatures diminutive handwriting or Jonathan Swift's and Lewis Carroll's preoccupation with tiny people, Browning shows how a preoccupation with all things tiny can belie an attempt to grasp vast even cosmic realities.

Hearing Voices Brendan Kelly, 2016-11-07. *Hearing Voices: The History of Psychiatry in Ireland* is a monumental work by one of Ireland's leading psychiatrists encompassing every psychiatric development from the Middle Ages to the present day and examining the far reaching social and political effects of Ireland's troubled relationship with mental illness. From the Glen of Lunatics said to cure the mentally ill to the overcrowded asylums of later centuries with more beds for the mentally ill than any other country in the world, Ireland has a complex unsettled history in the practice of psychiatry. Kelly's definitive work examines Ireland's unique relationship with conceptions of mental ill health throughout the centuries delving into each medical breakthrough and every misuse of authority both political and domestic for those deemed to be mentally ill. Through fascinating archival records Kelly writes a crisp and accessible history evaluating everything from individual case histories to the seismic effects of the First World War and exploring the attitudes that guided treatments spanning Brehon Law to the emerging emphasis on human rights. *Hearing Voices* is a marvel that affords incredible insight into Ireland's social and medical history while providing powerful observations on our current treatment of mental ill health in Ireland.

The Darkroom Anne Marsh, 2003. Anne Marsh's treatise on the art of photography traces its theoretical underpinning from the early debates between the rationalists and the fantasists through psychoanalytical interpretations to the theatre of desire. She investigates the role of photography in ghostly performances the masking of desire and high camp aesthetics through to performance art and the role of the photographer as a gender terrorist as in the work of Del LaGrace Volcano. The study concludes with notable examples of postmodern photography as they have occurred in the Australian context. This ground breaking work by a leading Monash University academic will

interest all students of photography and followers of recent trends in art and art theory Frederick Law Olmsted Melvin Kalfus, 1991-10 Frederick Law Olmsted is famous for his urban landscape designs Central Park in Manhattan Prospect Park in Brooklyn and Franklin Park in Boston Olmsted devoted much of his later life to this work What was the source of this creative energy and imagination in his fascinating years Melvin Kalfus is the first author to examine Olmsted's troubled sometimes tragic childhood and adolescence in a search for the inner sources of his creative imagination Kalfus argues that Olmsted's distressing early experiences fired his ambition and led him so obsessively to seek the world's esteem through his works Kalfus also looks at Olmsted's varied early career during which he worked as an apprentice merchant a seaman a farmer a manager of a mining plantation in California a journalist and author of three historically important books on slavery and as the General Secretary of the Civil War's Sanitary Commission and enormous project organized to provide medical aid to Union soldiers

Swift And Carroll A Psychoanalytic Study Of Two Lives Introduction

In today's digital age, the availability of Swift And Carroll A Psychoanalytic Study Of Two Lives books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Swift And Carroll A Psychoanalytic Study Of Two Lives books and manuals for download, along with some popular platforms that offer these resources. One of the significant

advantages of Swift And Carroll A Psychoanalytic Study Of Two Lives books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Swift And Carroll A Psychoanalytic Study Of Two Lives versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Swift And Carroll A Psychoanalytic Study Of Two Lives books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Swift And Carroll A Psychoanalytic Study Of Two Lives books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Swift And Carroll A Psychoanalytic Study Of Two Lives books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Swift And Carroll A Psychoanalytic Study Of Two Lives books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-

improvement. So why not take advantage of the vast world of Swift And Carroll A Psychoanalytic Study Of Two Lives books and manuals for download and embark on your journey of knowledge?

FAQs About Swift And Carroll A Psychoanalytic Study Of Two Lives Books

1. Where can I buy Swift And Carroll A Psychoanalytic Study Of Two Lives books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
