1. Serene Waters

In waters cool, a world unfolds,
Where liquid dreams and stories are told.
Beneath the sun's warm, golden gleam,
I dive into this tranquil stream.

2. Dance of the Dolphins

Beneath the sky's expanse so wide,
Where waves and dreams coincide,
Dolphins leap in graceful glee,
A dance of joy, forever free.

3. The Mermaid's Song

Beneath the moon's enchanting light,
Where stars adorn the velvet night,
A mermaid's song echoes through,
Her secrets held in shades of blue.

Swimmer Poems

Swimmer Poems:

The Swimmer John Koethe, 2025-09-23 A searching new collection from America's philosopher poet John Koethe in his tenth volume of poetry investigates the capricious nature of everyday life the late night jazz great sex and all The human shit defining what we are His poems always dynamic and in process never static or complete luxuriate in the questions that punctuate the most humdrum of routines rendering a robust portrait of an individual complicated quotidian and resounding with truth The Swimmer argues that this energizes everything life's trivialities surprises and disappointments and the terrible feeling of being just about to fall

The Swimmer Susan G. Ludvigson, 1984-06-01 In The Swimmer Susan Ludvigson writes of the enveloping sensuality of swimming gliding beneath the waves basking in shimmering light on the surface drifting in the pleasure of the water In these poems swimming can be the perfect escape from life a sublime refuge from the cares and agonies that lie on the shore or wait at the edge of the pool Ludvigson begins with poems that speak of the griefs that punctuate life She writes of the fearsome mysteries of passion the agonies that can be reawakened by memory the sabotage of dreams the sadness of living in a world painfully contracted by the deaths of loved ones It's not the world I care about now but a few lives Yours Mine The friends who go on dying After Don after Anne I can hardly believe how it continues She then turns to poems that seek escape from grief in the dark humor of obscure news items Man Arrested in Hacking Death Tells Police He mistook Mother in Law for Raccoon and in the absorbing depths of art But these are escapes of the mind momentary transformations of identity that cannot finally bring calm to the spirit In the final section of the book Ludvigson returns to the lure of the water Under that starry sky you'll float in the shadows of shadows there might be no end to it just water darkening into night then slowly restoring itself to blue The silence will be a new entrance to dreams sleep a new way to breathe Sensual and moving these are poems of renewal and of loss poems that seek the moments of calm amid the jagged hours of daily life

Enter Water, Swimmer Mary Morris, 2022-07-28 These poems travel physically and emotionally addressing the human condition through evocative language Enter Water Swimmer and you will be steeped in various manifestations of this world and beyond daring to take on diverse realms of women belief culture and ethics Day One You slipped through me not by me How could I have known I would fall through these waters into the country of us

Swimming The Hellespont - Selected Poems: 1971-2001 Jesse Mavro Diamond, 2015-07-03 All good things take time says a fictionalized Pablo Neruda in the poem that opens this book which itself took many years to write Full of energy passion and telling detail Swimming the Hellespont is peopled with memorable characters Using a variety of forms ranging from prose poems reminiscent of Gertrude Stein to sonnets and imitation Sapphic stanzas Diamond creates a haunting record of one woman's journey through three politically charged and life changing decades Martha Collins
