Better Now Than Never Risel Buhler, 2014-07-14 Just as Bill and Dawn were enjoying their life and were free to do as they liked things changed in a blink of an eye Dawn was so devastated that she briefly lost her sense of direction This incident caused problems between her and her good friend Marie Dawn felt the best thing to do was for her and her young son to pack up and move to her cottage on the West coast This led to a new relationship but was it something else beside love that drew her to him When the past again raised its ugly head Dawn was frustrated and angry Could anything from the past be good Was it possible for her to truly love someone again **When Music Mattered** James Wierzbicki, 2022-04-27 This book examines the American Sixties and how that period's socio political essence was reflected and refracted in certain forms of the period's music Its five main chapters bear the names of familiar musical categories Folk Rock Jazz Avant Garde Classical But the book's real subject matter treated at length in the Prologue and the Epilogue but spread throughout all that comes between is the Sixties tangled mess of hopes and frustrations of hungers as much for self identity as for self indulgence of crises of conscience that bothered Americans of almost all ages and regardless of political persuasion

Merchant Vessels of the United States... United States. Coast Guard, 1976 *Final Night* Buthaina al Nasiri, 2008-03-01 Love and death and the passage between entry into the world and exit from it are the focus of this collection of short stories Buthaina Al Nasiri is an Iraqi author who has lived in Cairo since 1979 Despite this physical and temporal distance from her homeland much of her material derives from it and many of the stories in this collection reflect her deeply felt nostalgia for Iraq In contrast to many contemporary female writers she confesses to being less interested in the position of women in society than in that of people in general and the sufferings they experience between birth and the end of life None the less some of her best stories depict the many colored relationships that exist between the sexes Buthaina Al Nasiri's work has been widely translated into European languages but this is the first volume of her stories to appear in English for which renowned translator Denys Johnson Davies has selected work from a career of short story writing spanning some thirty years
