Sword And The Cross Two Men And An Empire Of Sand

Siddappa N.Byrareddy

Sword And The Cross Two Men And An Empire Of Sand:

The Sword and the Cross Fergus Fleming, 2007-12-01 A searing story of France's attempt to colonize the vast Sahara desert and of two unforgettable men who dedicated their lives to the effort Rob Mitchell The Boston Herald Whether writing of the Alps the high seas or the North Pole Fergus Fleming has won acclaim as one of today's most vivid and engaging historians of adventure and exploration The Sword and the Cross takes us to the Sahara at the end of the nineteenth century when France had designs on a hostile wilderness dominated by deadly Tuareg nomads Two fanatical adventurers Charles de Foucauld and Henri Laperrine rose to the cause of their country's national honor Abandoning his decadent lifestyle as a sensualist and womanizer Foucauld founded a monastic order so severe that during his lifetime it never had a membership of more than one Yet he remained a committed imperialist and from his remote hermitage continued to assist the military The stern career soldier Laperrine meanwhile founded a camel corps whose exploits became legendary During World War I the Sahara's fragile peace crumbled In the desert mountains Foucauld paid a tragic price for his role as imperial pawn Laperrine by then recalled to the Western Front returned to avenge his friend Fleming captures the hopelessness of the French efforts to conquer the Saharan expanse Provides a vital lesson about the limits of power Zachary Karabell Los Angeles Times

Going Places Robert Burgin, 2013-01-08 Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read alike with this detailed and expertly constructed guide Just as savvy travelers make use of guidebooks to help navigate the hundreds of countries around the globe smart librarians need a guidebook that makes sense of the world of travel narratives Going Places A Reader's Guide to Travel Narratives meets that demand helping librarians assist patrons in finding the nonfiction books that most interest them It will also serve to help users better understand the genre and their own reading interests The book examines the subgenres of the travel narrative genre in its seven chapters categorizing and describing approximately 600 titles according to genres and broad reading interests and identifying hundreds of other fiction and nonfiction titles as read alike and related reads by shared key topics The author has also identified award winning titles and spotlighted further resources on travel lit making this work an ideal guide for readers advisors as well a book general readers will enjoy browsing

Visualizing Empire Rebecca Peabody, Steven Nelson, Dominic Thomas, 2021-01-19 An exploration of how an official French visual culture normalized France's colonial project and exposed citizens and subjects to racialized ideas of life in the empire By the end of World War I having fortified its colonial holdings in the Caribbean Latin America Africa the Indian Ocean and Asia France had expanded its dominion to the four corners of the earth This volume examines how an official French visual culture normalized the country's colonial project and exposed citizens and subjects alike to racialized ideas of life in the empire Essays analyze aspects of colonialism through investigations into the art popular literature material culture film and exhibitions that represented celebrated or were created for France's colonies across the seas These studies draw from the rich documents and media photographs albums postcards maps posters advertisements

and children's games related to the nineteenth and twentieth century French empire that are held in the Getty Research Institute's Association Connaissance de l'histoire de l'Afrique contemporaine ACHAC collections ACHAC is a consortium of scholars and researchers devoted to exploring and promoting discussions of race iconography and the colonial and postcolonial periods of Africa and Europe

Charles de Foucauld's Reconnaissance au Maroc, 1883-1884 Rosemary A. Peters-Hill, 2020-09-25 Reconnaissance au Maroc is Charles de Foucauld's adventurous account of his Moroccan explorations. For eleven months in 1883-84 Foucauld travelled through a country then off limits to Europeans documenting its landscape and charting its waterways. He travelled in disguise as a Russian rabbi Joseph Aleman accompanied by the real rabbi Mardoché Aby Serour and sought hospitality in the mellahs Jewish quarters of villages along their route. Foucauld meticulously recorded every day of his time in Morocco and by the time his memoir was published in 1888 it had already garnered praise in France and the prestigious gold medal from the Société de Géographie de Paris. The book is more than merely a travel memoir however as an artefact of cultural and religious encounter and as a scientific compendium Reconnaissance au Maroc offers an extraordinary glimpse of the late nineteenth century French mentality toward North Africa as well as a cross section of Moroccan society in the pre-colonial era. Rosemary Peters-Hill's volume translates Foucauld's work into English for the first time situating Reconnaissance within the contexts of both late nineteenth century French writing about elsewhere other places and Foucauld's own journey through Morocco the other place where paradoxically he found his true self and calling

Decolonising Europe? Berny Sèbe, Matthew G. Stanard, 2020-04-01 Decolonising Europe Popular Responses to the End of Empire offers a new paradigm to understand decolonisation in Europe by showing how it was fundamentally a fluid process of fluxes and refluxes involving not only transfers of populations ideas and sociocultural practices across continents but also complex intra-European dynamics at a time of political convergence following the Treaty of Rome. Decolonisation was neither a process of sudden rapid changes to European cultures nor one of cultural inertia but a development marked by fluidity movement and dynamism. Rather than being a static process where Europe's former metropolises and their peoples at home reacted to the end of empire out there decolonisation translated into new realities for Europe's cultures societies and politics as flows ebbs fluxes and cultural refluxes reshaped both former colonies and former metropolises. The volume's contributors set out a carefully crafted panorama of decolonisation's sequels in European popular culture by means of in-depth studies of specific cases and media analysing the interwoven meaning momentum memory material culture and migration patterns of the end of empire across eight major European countries. The revised meaning of decolonisation that emerges will challenge scholars in several fields and the panorama of new research in the book charts paths for new investigations. The question mark in the title asks not only how European cultures experienced the end of empire but also the extent to which this is still a work in progress

Nearly Native, Barely Civilized Roy Dilley, 2014-01-02 Nearly Native Barely Civilized by Roy Dilley offers the first full length biography of Henri Gaden an

exceptional French colonial character who lived through some of the most radical transformations in West African history It provides an in depth intimate and rounded portrayal of the man his place in history and the contradictions tensions and ambiguities not only in his personal and professional life but also at the heart of the colonial enterprise Soldier ethnographer and linguist lover father administrator and Governor Henri Gaden 1867 1939 lived for 45 years in West Africa Faced with the chaos insecurity and insanity of colonial existence Gaden experienced a rich mosaic of human pain and passion of curiosity and intellectual endeavour of folly and failure

Literature and Development in North Africa Perri

Giovannucci,2008-04-15 A critique of modern development may be traced in the postcolonial and anti colonial literature about North Africa Works by Fanon Camus Djebbar Mahfouz El Saadawi Said and others offer a window upon contemporary modernization and related issues of identity independence and social justice

God in a Single Vision David

Brown,2016-05-26 In the ancient conversation between Western philosophy and Christian theology powerful contemporary voices are arguing for monologue rather than dialogue Instead of these two disciplines learning from and mutually informing each other both philosophers and theologians are increasingly disconnected from and thus unable to hear what the other is saying especially in Anglo American scholarship Some Christian philosophers are now found claiming methodological authority over doctrine while some Christian theologians even deny that philosophy has its own integrity as a separate discipline Against these trends David Brown has argued over the past thirty years that philosophy and theology are both necessary in order to grapple with the reality of divine mystery and Christian faith Neither discipline can be reduced to the other and each has its own contribution to make for a full understanding of what Brown describes as a single vision of God In this volume Brown addresses some key topics in philosophical theology including the created order experience and revelation incarnation and redemption and heaven and our communal destiny Combining analytic clarity doctrinal substance and historical depth this volume exemplifies Brown s project of truly integrating philosophy and theology It thus provides an ideal introduction to this vital conversation for undergraduate and postgraduate students as well as a connected argument of interest to specialists in both disciplines
