(xxth cent. poetry ser.).** John Walker, 1916 *A History of American Poetry* Richard Gray, 2015-03-02 A History of American Poetry presents a comprehensive exploration of the development of American poetic traditions from their pre Columbian origins to the present day Offers a detailed and accessible account of the entire range of American poetry Situates the story of American poetry within crucial social and historical contexts and places individual poets and poems in the relevant intertextual contexts Explores and interprets American poetry in terms of the international positioning and multicultural character of the United States Provides readers with a means to understand the individual works and personalities that helped to shape one of the most significant bodies of literature of the past few centuries *Sketches of Southport and Other Poems* Thomas Costley, 1899 [Desire and De-Scriptio](#) Zsófia Bán, 2023-12-28 This volume without negating Williams strong ties with modernism intends to dislodge this deeply ingrained critical positioning by presenting him as an overlooked figure in the emerging tradition of postmodernism The study advances the claim that Williams clearly recognized this nascent discourse and rather than pursuing his earlier mode of writing consciously sought a new language for a rapidly changing cultural context Drawing on wide ranging multidisciplinary critical texts this book will be of interest not only to Williams scholars but to all those who continue to be intrigued by the elusive boundaries between word and image as well as modernism and postmodernism [The Linguistic Moment](#) Joseph Hillis Miller, 2014-07-14 This series of readings explores the functioning of moments in poems when the medium language becomes an issue Originally published in 1985 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Names, Proverbs, Riddles, and Material Text in Robert Frost* T. O'Brien, 2010-07-19 This study examines several unexplored aspects of the poetry of Robert Frost one of the most widely read and studied American poets and shows how they contribute to the reader's experience and modernism in general [Sycamore](#) Kathy Fagan, 2017-07-17 These flinty well crafted poems abound with texture and verve

as the author explores nature love and mourning in a landscape all her own Publishers Weekly This collection of meditative poems by Kathy Fagan takes the sycamore as its inspiration and delivers precise luminous insights on lost love nature and the process of recovery It is the season of separation falling Away Fagan writes And so like the abundance of summer diminishing to winter and like the bark of the sycamore which sheds to allow the tree s expansion the speaker of these poems documents a painful loss and tenuous rebirth which take shape against a forested landscape Black walnuts fall where no one can eat or smell them Cottonwood sends out feverish signals of pollen And everywhere are sycamores informed by Fagan s scientific and mythological research Spellbinding and ambitious Sycamore is an important new work from a writer whose poems gleam like pearls or slowly burning stones Philip Levine A 2018 Kingsley Tufts Poetry Award Finalist **The Poems of Cunningham, and Goldsmith. [With the Life of Cunningham by Richard A. Davenport, and the Life of Goldsmith. With Plates.]** John Cunningham (Poet.),1822
