Sylvia Scarlett:

I Know Where I'm Going Charlotte Chandler, 2010-03-02 The private Hepburn in her own words Katharine Hepburn draws on a series of interviews Chandler conducted with the actress during the 1970s and 1980s Chandler also interviewed director George Cukor Hepburn co stars Cary Grant and James Stewart and Laurence Olivier Ginger Rogers and other screen luminaries A Hollywood icon unveiled Notoriously guarded Katharine Hepburn talks candidly with Chandler about her marriage her long affair with Spencer Tracy co stars and movies and the seminal event in her life the suicide of her brother whom she adored when they were both in their teens With her unprecedented access to Hepburn Chandler has written a biography completely different from all others including Hepburn s own guarded book about herself Mark of the Beast Alfredo Bonadeo, 1989-01-23 The First World War is a watershed in the intellectual and spiritual history of the modern world On the one hand it brought an end to a sense of optimism and decency bred by the prosperity of nineteenth century Europe On the other it brought forth a sense of futility and alienation that has since pervaded European thought That cataclysmic experience is richly reflected in the work of writers and artists from both sides of the conflict and this study provides a detailed analysis of two basic themes death and degradation that mark the literature about the war From their accounts most men entered the war lightheartedly filled with ideals of patriotism and glory but these generous feelings were soon quelled as the war settled into a stalemate its operations reduced to simply grinding away the opposing forces In these operations Alfredo Bonadeo shows men became mere aggregations thrown against one another wasted with no appreciable effects or gains save carnage itself This cheapening and disregard for human life and being Bonadeo finds rooted not only in the conditions of war but significantly in a contempt for the common man prevailing in European political and intellectual circles This attitude is revealed most plainly in his analysis of the Italian literature which hitherto has received little note Italian leaders saw the war as an opportunity to expiate a sense of national guilt and here the inconclusive campaigns made their futility all the greater Out of the torn fields of the First World War grew the seeds of a second greater conflict but Professor Bonadeo concludes the flowering of the seeds was aided by the degradation of man s spirit on those fields The grim focus of this book the dead voices it evokes leads to a new appreciation of the meaning of the Great War Uninvited Patricia White, 1999 Lesbian characters stories and images were barred from onscreen depiction in Hollywood films from the 1930s to the 1960s together with all forms of sex perversion Through close readings of gothics ghost films and maternal melodramas addressed to female audiences Uninvited argues that viewers are invited to make lesbian inferences Looking at the lure of some of the great female star personae in films such as Rebecca Pinky The Old Maid Queen Christina and The Haunting and at the visual coding of supporting actresses it identifies lesbian spectatorial strategies White s archival research textual analyses and novel theoretical insights make an important contribution to film lesbian and feminist studies Book jacket
