Synge The Medieval And The Grotesque

J. M. Synge

Synge The Medieval And The Grotesque:

Synge, the Medieval and the Grotesque Toni O'Brien Johnson, 1982 J M Synge's plays have often been regarded as folk drama but this study considers them from a new literary perspective. It stresses the importance of the playwright's studies with two medievalists at the Sorbonne Professors Henri d'Arbois de Jubainville and Louis Petit de Julleville and makes for the first time a full examination of the various uses he made of medieval material. This is shown to contain grotesque motifs which accommodate both Synge's inclusive anti-thetical vision and the Rabelaisian note in Irish peasant life as he perceived it. Toni O'Brien Johnson also shows that the use of Hiberno-English language structures reinforces the clash inherent in the grotesque in Synge's plays. This book shows the operation of the dramatist's dualist aesthetic through the co-presence in his work of what is repulsive and sublime, cruel and noble, violent and heroic, pitiless and beautiful. It also emphasises the prominent role played by bodily life and the degenerative aspects of old age, death and decay in Synge's work.

Synge Mary Anthony O'Brien Johnson, 1982 *Thèse Lettres* 1979 *J M Synge the Passionate Playwright* Dr. Vayala Vasudevan Pillai, 2015-07-31 The book is an attempt at intensely evaluating the works of J M Synge the Irish Literary revivalist and experimental dramatist. The author Dr Vayala has meticulously appraised the entire dramatic and poetic content of Synge's writings and marvels at his innovative stage craft. Please refer for more details to the author's preface of the work. J. M. Synge Seán Hewitt, 2021-01-07 This book is a complete re-assessment of the works of J M Synge one of Ireland's major playwrights. The book offers the first complete consideration of all of Synge's major plays and prose works in nearly 30 years drawing on extensive archival research to offer innovative new readings. Much work has been done in recent years to uncover Synge's modernity and to emphasise his political consciousness. This book builds on this re-assessment undertaking a full systematic exploration of Synge's published and unpublished works. Tracing his journey from an early Romanticism through to the more combative modernism of his later work the book's innovative methodology treats text as process and considers Synge's reading materials his drafts letters diaries and journalism turning up exciting and unexpected revelations. Thus Synge's engagement with occultism pantheism socialism Darwinism and even a late reaction against eugenic nationalisms are all brought into the critical discussion. Breaking new ground in ascertaining the tenets of Synge's spirituality and his aesthetic and political idealization of harmony with nature the book also builds on new work in modernist studies arguing that Synge can be understood as a leftist modernist exhibiting many of the key concerns of early modernism but routing them through a socialist politics. Thus this book is valuable not only to considerations of Synge and the Irish Revival but also to modernist studies more broadly. The Cambridge Companion to J. M. Synge P. J. Mathews, 2009-11-19 Introduces students to the work of one of Ireland's most important playwrights. *Synge* Nicholas Grene, 1985-06-18

The Theatre of Marina Carr Cathy Leeney, Anna McMullan, 2003 This is the first collection of articles to be published on the theatre of Marina Carr a major contemporary Irish playwright whose work is highly acclaimed in Ireland and

internationally for its poetic energy and its remarkable theatrical imagination These essays examine Carr s highly original voice and place her plays in the context of current theatre in Ireland and abroad They raise lively debate on contemporary representation of Irishness on the stage on the current state of Irish theatre on the impact of female authorship on the canon of Irish theatre and on Carr s portrayal of characters who are fundamentally at odds with the world around them BOOK

JACKET The Name and Nature of Tragicomedy Verna A. Foster, 2017-03-02 Focusing on European tragicomedy from the early modern period to the theatre of the absurd Verna Foster here argues for the independence of tragicomedy as a genre that perceives and communicates human experience differently from the various forms of tragedy comedy and the drame serious drama that is neither comic nor tragic Foster posits that in the sense of the dramaturgical and emotional fusion of tragic and comic elements to create a distinguishable new genre tragicomedy has emerged only twice in the history of drama She argues that tragicomedy first emerged and was controversial in the Renaissance and that it has in modern times replaced tragedy itself as the most serious and moving of all dramatic genres In the first section of the book the author analyzes the name tragicomedy and the genre s problems of identity then goes on to explore early modern tragicomedies by Shakespeare Beaumont and Fletcher and Massinger A transitional chapter addresses cognate genres The final section of the book focuses on modern tragicomedies by Ibsen Chekhov Synge O Casey Williams Ionesco Beckett and Pinter By exploring dramaturgical similarities between early modern and modern tragicomedies Foster demonstrates the persistence of tragicomedy s generic markers and provides a more precise conceptual framework for the genre than has so far been available

The Playboy of the Western World and Other Plays J. M. Synge, 2008-11-13 J M Synge was one of the key dramatists in the flourishing world of Irish literature at the turn of the century This volume offers all of Synge s plays which range from racy comedy to stark tragedy all sharing a memorable lyricism The introduction sets Synge s work in the context of the Irish literary movement with special attention to his role as one of the founders of the Abbey Theatre and his work alongside W B Yeats and Lady Gregory Includes Riders to the Sea The Shadow of the Glen The Tinker s Wedding The Well of the Saints The Play of the Western World Deirdre of the Sorrows ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

The Irish Dramatic Revival 1899-1939 Anthony Roche, 2015-02-26 The Irish Dramatic Revival was to radically redefine Irish theatre and see the birth of Ireland s national theatre the Abbey in 1904 From a consideration of such influential precursors as Boucicault and Wilde Anthony Roche goes on to examine the role of Yeats as both founder and playwright the one who set the agenda until his death in 1939 Each of the major playwrights of the movement refashioned that agenda to suit their own very different dramaturgies Roche explores Synge s experimentation in the creation of a new

national drama and considers Lady Gregory not only as a co-founder and director of the Abbey Theatre but also as a significant playwright. A chapter on Shaw outlines his important intervention in the Revival. O'Casey's four ground-breaking Dublin plays receive detailed consideration as does the new Irish modernism that followed in the 1930s and which also witnessed the founding of the Gate Theatre in Dublin. The Companion also features interviews and essays by leading theatre scholars and practitioners: Paige Reynolds, P. J. Mathews and Conor McPherson who provide further critical perspectives on this period of radical change in modern Irish theatre.

Unveiling the Energy of Verbal Artistry: An Psychological Sojourn through **Synge The Medieval And The Grotesque**

In a global inundated with screens and the cacophony of instant interaction, the profound power and emotional resonance of verbal artistry frequently diminish into obscurity, eclipsed by the constant barrage of sound and distractions. However, set within the musical pages of **Synge The Medieval And The Grotesque**, a fascinating perform of fictional beauty that pulses with fresh emotions, lies an unique journey waiting to be embarked upon. Written with a virtuoso wordsmith, this interesting opus manuals visitors on a mental odyssey, gently revealing the latent possible and profound affect embedded within the complex web of language. Within the heart-wrenching expanse of this evocative examination, we shall embark upon an introspective exploration of the book is main styles, dissect its captivating writing model, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
