The Christian Prophet And His Work:

Discourses on Various Subjects Relative to the Being and Attributes of God, and His Works in Creation, Providence, and Grace Adam Clarke, 1831 **CHRISTIAN THEOLOGY** R. A. Torrey, Edward D. Andrews, 2022-07-17
Torrey and Andrews have taken deep theological subjects and made them easy to understand **CHRISTIAN THEOLOGY** What the Bible Teaches about God Jesus Christ the Holy Spirit Man Angels and Satan the Devil Torrey offers the readers a listing of propositions of what the Bible teaches in Theology and verses that support each statement while Andrews digs deeper into what the authors meant by their words *The Miscellaneous Works of Adam Clarke* Adam Clarke, 2025-09-28 Reprint of the original first published in 1836 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

The Oxford Handbook of the Book of Revelation Craig R. Koester, 2020 The Book of Revelation holds a special fascination for both scholars and the general public The book has generated widely differing interpretations yet Revelation has surprisingly not been the focus of many single volume reference works The Oxford Handbook of the Book of Revelation fills a need in the study of this controversial book Thirty essays by leading scholars from around the world orient readers to the major currents in the study of Revelation Divided into five sections Literary Features Social Setting Theology and Ethics History of Reception and Influence and Currents in Interpretation the essays identify the major lines of interpretation that have shaped discussion of these topics and then work through the aspects of those topics that are most significant and hold greatest promise for future research *The Fundamental Doctrines of the Christian Faith* Reuben Archer Torrey, 1918 The author of these sermons has had a feeling for a long time that the great need in our churches in this day is systematic indoctrination He put his theory into practice last winter in his own church and these sermons are the result We were having a great many accessions to our church In the two years of the church s history we had had something like six hundred accessions to the church and every month considerable numbers of new members were being added While many of these came by letter from other churches many of them were new converts and had had practically no systematic instruction in the fundamental truths of the Christian faith so we announced a series of sermons on *The Fundamental Doctrines of the Christian Faith* There was immediately a large increase in the attendance at the services where these addresses were given and this increase has kept up until on the last Lord s Day we had much the largest attendance we have ever had excepting on Easter Sunday Many have testified to the blessing received from these sermons and there has been a great demand that the sermons be printed for general circulation This request has come from ministers of various denominations Episcopalians Presbyterians Methodists Baptists and others It is hoped that this volume will be useful to other pastors in suggesting lines of teaching in their regular pastoral work and also that it may be used widely by pastors and others for circulation among Christians We live in a day in which many of our church members are all at sea as to what they believe on the fundamental

doctrines of the Christian faith These sermons have already helped many through their delivery It is hoped they will reach and help far more in the printed form **The Christian Prophet and His Work** Adam Clarke,2000-02-01 **Jesus**
