Handbook of the Theosophical Current, 2013-01-08 Few religious currents have been as influential as the Theosophical Yet few currents have been so under researched and the Brill Handbook of the Theosophical Current thus represents pioneering research A first section surveys the main people and events involved in the Theosophical Society from its inception to today and outlines the Theosophical worldview A second substantial section covers most significant religions to emerge in the wake of the Theosophical Society Anthroposophy the Point Loma community the I AM religious activity the Summit Lighthouse Movement the New Age theosophical UFO religions and numerous others Finally the interaction of the Theosophical current with contemporary culture including gender relations art popular fiction historiography and science are discussed at length *Monographs in Art and Archaeology* Fogg Art Museum, 1971 *Masters in Art a Series of Illustrated Monographs* Stuart, David, Bocklin, Sodoma, Constable, Metsu, Ingres, Wilkie, Ghirlandajo, Bouguereau, Goya Francia, 1906

Interpreter: A Journal of Mormon Scripture, Volume 24 (2017) Daniel C. Peterson, 2017-06-26 This is volume 24 of Interpreter A Journal of Mormon Scripture published by The Interpreter Foundation It contains articles on a variety of topics including Looking Back Almost Five Years On Deuteronomy 17 14 20 as Criteria for Book of Mormon Kingship Meeting Zoram Seers and Stones The Translation of the Book of Mormon as Divine Visions of an Old Time Seer Bare Record The Nephite Archivist The Record of Records and the Book of Mormon Provenance and By the Blood Ye Are Sanctified The Symbolic Salvific Interrelated Additive Retrospective and Anticipatory Nature of the Ordinances of Spiritual Rebirth in John 3 and Moses 6 **The Athenaeum**, 1907 **The Dissolution of the Monasteries** James G. Clark, 2022 The first account of the dissolution of the monasteries for fifty years exploring its profound impact on the people of Tudor England This is a book about people though not ideas and as a detailed account of an extraordinary human drama with a cast of thousands it is an exceptional piece of historical writing Lucy Wooding Times Literary Supplement Shortly before Easter 1540 saw the end of almost a millennium of monastic life in England Until then religious houses had acted as a focus for education literary and artistic expression and even the creation of regional and national identity Their closure carried out in just four years between 1536 and 1540 caused a dislocation of people and a disruption of life not seen in England since the Norman Conquest Drawing on the records of national and regional archives as well as archaeological remains James Clark explores the little known lives of the last men and women who lived in England's monasteries before the Reformation Clark challenges received wisdom showing that buildings were not immediately demolished and Henry VIII's subjects were so attached to the religious

houses that they kept fixtures and fittings as souvenirs This rich vivid history brings back into focus the prominent place of abbeys priories and friaries in the lives of the English people

Early English Performance: Medieval Plays and Robin Hood Games John Marshall, 2019-10-08 Covering a period of nearly 40 years work by the author this collection of essays in the Shifting Paradigms in Early English Drama Studies series brings the perspective of a Drama academic and practitioner of early English plays to the understanding of how medieval plays and Robin Hood games of the fifteenth and sixteenth centuries were performed It explores why where when and how the plays happened who took part and who were the audiences The insights are informed by a combination of research and the public presentation of surviving texts The research included in the volume unites the early English experiences of religious and secular performance This recognition challenges the dominant critical distinction of the past between the two and the consequent privileging of biblical and moral plays over secular entertainments What further binds rather than separates the two is that the destination of funds raised by the different activities maintained the civic and parochial needs of the institutions upon which the people depended This collection redefines the inclusive nature and common interests of the purposes that lay behind generically different undertakings They shared an extraordinary investment of human and financial resources in the anticipation of a profit that was pious and practical CS1081

Contested Hospitalities in a Time of Migration Synnøve Bendixsen, Trygve Wyller, 2019-10-28 This book explores the duality of openness and restriction in approaches to migrants in the Nordic countries As borders have become less permeable to non Europeans it presents research on civil society practices that oppose the existing border regimes and examine the values that they express The volume offers case studies from across the region that demonstrate opposition to increasingly restricted borders and which seek to offer hospitality to migrant One topic is whether these practices impact and transform the Nordic Protestant trajectory The book considers whether such actions are indicative of new sensibilities and values in which traditional categories and binaries are becoming less relevant It also discusses what these practices of hospitality indicate about the changing relationship between voluntary organizations and the Nordic welfare states in the time of migration As such it will appeal to scholars of sociology anthropology and religious studies with interests in migration civil society resistance and social values
