The Citizens Presidency Standards Of Choice And Judgment:

The Citizen's Presidency Bruce Buchanan,1987 **The Politics of the Presidency, Revised 8th Edition** Joseph A. Pika,John Anthony Maltese,2013-07-15 In the most up to date core text available on the presidency The Politics of the Presidency Revised Eighth Edition Joseph A Pika and John Anthony Maltese once again deliver their comprehensive and accessible analysis of the presidency Never losing sight of the foundations of the office the authors maintain a balance between historical context and contemporary scholarship on the executive A solid foundation for any presidency course the revised eighth edition features updated chapters including coverage of the 2012 election and a new chapter analyzing Obama s challenges as a second term president in an entrenched partisan environment **The Politics of the Presidency** Joseph A. Pika,John Anthony Maltese,Andrew Rudalevige,2017-07-06 This book analyses the change and continuity in the presidency during Barack Obama s two terms in an entrenched partisan environment discusses the competitive setting for the 2016 election and looks at the challenges and opportunities President Trump will face **The Politics of the Presidency** John Anthony Maltese,Andrew Rudalevige,Joseph A. Pika,2023-12-26 Get the most up to date coverage and analysis of the presidency with this comprehensive text Never losing sight of the foundations of the office The Politics of the Presidency maintains a balance between historical context and contemporary scholarship on the executive branch providing a solid foundation for any presidency course Now in its Eleventh Edition Maltese Rudalevige and Pika thoroughly analyze the change and continuity in Biden s first two and a half years in office and look forward to the competitive setting for the 2024 presidential race **What Does the American Presidency Mean?** Richard Holtzman,2025-06-27 What Does the American Presidency Mean The Need for Interpretation in Presidency Studies makes a compelling case for how interpretivism contributes to our understanding of the American presidency This brief book is accessible and inviting regardless of a reader s background in presidency studies or interpretivism Part I explores several dimensions of interpretivist and positivist methodologies Chapters discuss the characteristics of interpretivism genealogically trace positivism s dominance in presidency studies and identify how attributes of the presidency that raise methodological challenges for positivism are the same that make it fertile ground for interpretivism Part II explores a wide range of interpretive scholarship on the American presidency including studies of presidential meaning making the institution s historical political development presidential symbolism the construction of the presidency and the presidential spectacle It concludes with an interpretation of recent developments emphasizing the timeliness relevance and importance of methodological pluralism in presidency studies The book is written for anyone interested in the meaning of the presidency whether scholars or graduate students in American political science or those from other disciplines within and outside the United States It is appropriate for courses on the American Presidency Executive Politics Political Communication Rhetoric and Social Science Methods among others **The Rhetoric of Heroic Expectations** Justin S. Vaughn,Jennifer Mercieca,2014-02-15 Campaign rhetoric helps candidates to

get elected but its effects last well beyond the counting of the ballots this was perhaps never truer than in Barack Obama's 2008 campaign Did Obama create such high expectations that they actually hindered his ability to enact his agenda Should we judge his performance by the scale of the expectations his rhetoric generated or against some other standard The Rhetoric of Heroic Expectations Establishing the Obama Presidency grapples with these and other important questions Barack Obama's election seemed to many to fulfill Martin Luther King Jr's vision of the long arc of the moral universe bending toward justice And after the terrorism war and economic downturn of the previous decade candidate Obama's rhetoric cast broad visions of a change in the direction of American life In these and other ways the election of 2008 presented an especially strong example of creating expectations that would shape the public's views of the incoming administration The public's high expectations in turn become a part of any president's burden upon assuming office The interdisciplinary scholars who have contributed to this volume focus their analysis upon three kinds of presidential burdens institutional burdens specific to the office of the presidency contextual burdens specific to the historical moment within which the president assumes office and personal burdens specific to the individual who becomes president The Barack Obama Presidency J. Davis, 2011-11-07 Exploring the promise and peril associated with the opening two years of the presidency of Barack Obama this book is a comparative look at the various aspects of his presidential strategy including the impact of his legislative agenda his use of executive power and the burgeoning disillusionment within the African American community **Guide to Congress** CQ Press, 2012-08-10 The new edition of this comprehensive two volume reference has been thoroughly revised and expanded by expert CQ Press writers with years of experience covering Congress to offer a complete institutional history of Congress along with updated insight and analysis on the 2008 and 2010 shifts in power of the U S Senate and House of Representatives The 35 chapters of Guide to Congress Seventh Edition are divided into eight subject areas that cover all aspects of the U S Congress Origins and Development of Congress from the constitutional beginnings of the legislative branch to the histories of the House and Senate and their power shifts eras of partisanship and unity influential leaders and working relationships with presidents New coverage includes analysis of the tug of war between House Democrats and the George W Bush administration on Iraq war withdrawal timetables updates on criminal investigations of House members including William J Jefferson of Louisiana and Charles Rangel of New York and analysis of the Tea Party Movement and new Republican majority Powers of Congress including powers to tax spend and borrow to conduct foreign policy and investigations to confirm and impeach to regulate commerce to amend the Constitution and to select the president Updated material includes analysis of the George W Bush administration's use of immunity from questioning by congressional committees analysis of the signing of the new START treaty with Russia marking a cornerstone of U S relations with the country coverage of the War on Terror including the killing of bin Laden in a U S raid in Pakistan and perspective on the negotiations to raise the federal debt ceiling in 2011 Congressional Procedures detailing the party

Out of Touch Michael J. Towle, 2004 For the three cases observed growing out of touch did not cause declining public support but rather declining support led to the phenomenon of growing out of touch Relying on extensive use of material from presidential archives Towle examines how these administrations altered their interpretation of public opinion and how their motivations to consider public opinion changed over their terms He concludes that the modern presidential need for public support interferes with the ability of administrations to be responsive to public opinion Jacket

The Politics Of the Presidency, 7th Edition Joseph A Pika, John Anthony Maltese, 2008-02-06 Pika and Maltese deliver comprehensive and engaging analysis of the increasingly political nature of the presidency while artfully balancing the historical foundations of the office This fully updated seventh edition includes analysis of the accelerated 2008 nomination process further scrutiny of the wars on terror and in Iraq a close look at Bush's judicial appointments and a measured assessment of the president's impact on such pressing issues as

education global warming and illegal immigration
