The Collected Essays Of Leslie Fiedler:

The Collected Essays of Leslie Fiedler Leslie A. Fiedler, 1971 **The Collected Essays of Leslie Fiedler: To the Gentiles: Prophet out of Israel** Leslie A. Fiedler, 1971 Performance Ethnography Norman K. Denzin, 2003-06-24 One of the world's most distinguished authorities on qualitative research establishes the connection of performance narratives with performance ethnography and autoethnography the linkage of these formations to critical pedagogy and critical race theory and the histories of these formations **The Image and Influence of America in German Poetry Since 1945** Gregory Divers, 2002 Examines the image of the US in German poetry and the reception and influence of American poetry in Germany since 1945 This book focuses on the image of the US in German poetry and the reception of American poetry in Germany since 1945 Gregory Divers examines poems by major figures in 20th century German literature Benn Brecht Bachmann Jandl and Grass among others and by other poets who shaped America's postwar image in Germany Divers traces America's postwar status in Germany from the prisoner of war poems of G nter Eich to the pop poetry of Rolf Dieter Brinkmann and Peter Handke Continuing he finds that although the 1960s protest poems of Erich Fried and others reflect the tarnishing of America's image due to Vietnam 1970s travel poems by Brinkmann Kunert and Kunze confirm the resiliency of that image Finally Divers looks at poems by Hartung Delius and Kling to illustrate the new heights reached by America's image within German literary circles during the 1980s and the status of America in Germany after reunification In charting these developments in postwar German poetry Divers also shows how American influences are crucial to its understanding not only surveying postwar German reception of Whitman Eliot Pound and William Carlos Williams but also examining the influence of such figures as Charles Olson and Robert Creeley Allen Ginsberg and the Beats Frank O Hara and John Ashbery and Robert Lowell and Sylvia Plath Gregory Divers is Assistant Professor of German at Saint Louis University Frontiers of Historical Imagination Kerwin Lee Klein, 2023-11-15 The American frontier a potent symbol since Europeans first stepped ashore on North America serves as the touchstone for Kerwin Klein's analysis of the narrating of history Klein explores the traditions through which historians philosophers anthropologists and literary critics have understood the story of America's origin and the way those understandings have shaped and been shaped by changing conceptions of history The American West was once the frontier space where migrating Europe collided with Native America where the historical civilizations of the Old World met the nonhistorical wilds of the New It was not only the cultural combat zone where American democracy was forged but also the ragged edge of History itself where historical and nonhistorical defied and defined each other Klein maintains that the idea of a collision between people with and without history still dominates public memory But the collision he believes resounds even more powerfully in the historical imagination which creates conflicts between narration and knowledge and carries them into the language used to describe the American frontier In Klein's words We remain obscurely entangled in philosophies of history we no longer profess and the very idea of America balances on history's shifting frontiers

The American frontier a potent symbol since Europeans first stepped ashore on North America serves as the touchstone for Kerwin Klein's analysis of the narrating of history Klein explores the traditions through which historians philosophers anthropologists

Love and Death in Lawrence and Foucault Barry Jeffrey Scherr, 2008 *Love and Death in Lawrence and Foucault* is the first full length study of Foucault and the Foucaultians not to look at them from a quasi hagiographical perspective The Lawrentian point of view employed here to deal with Foucault and his oeuvre is utterly unique imaginative and efficacious in explicating demystifying Foucaultian theory while at the same time promoting Barry J Scherr's courageous indefatigable project of restoring D H Lawrence to his rightfully and supremely high place in the pantheon of great British literature Rebellious and unconventional yet scholarly and mature *Love and Death in Lawrence and Foucault* is the bravest and most unorthodox study of Foucault to date It is a worthy addition to Scherr's previous literary cultural studies *D H Lawrence Today* and *D H Lawrence's Response to Plato* A supremely lively incisive lucid and profound critique *Love and Death in Lawrence and Foucault* is indispensable to students and scholars of Lawrence and Foucault alike
