The Colorado Gun:

The Colorado Gun Edwin Booth,1985-11-01 **The Colorado Gun** Edwin Booth,1981-01-01 Women and Guns Deborah Homsher,2015-05-20 This timely and provocative book looks at contemporary American women and their experiences with guns Scrupulously balanced this new paperback edition features a new appendix containing a wealth of primary source documents that help illuminate both the dangers and attractions of guns in our society *Guns in American Society* Gregg Lee Carter,2012-05-04 Thoroughly updated and greatly expanded from its original edition this three volume set is the go to comprehensive resource on the legal social psychological political and public health aspects of guns in American life The landmark 2002 edition of *Guns in American Society* An Encyclopedia of History Politics Culture and the Law was acclaimed for helping readers get beyond the sometimes overheated rhetoric and navigate the overwhelming amount of unbiased academic research on gun related issues Now in light of the steady rate of gun violence and several high profile shooting incidents this extraordinary three volume work returns in a timely and thoroughly updated edition With over 100 new entries the latest edition of *Guns in American Society* is the most current resource available on all aspects of the gun issue including rates of violence gun control gun rights regulations and legislation court decisions pro and anti gun organizations gun ownership hunters and collectors public opinion toward guns and much more With expert contributions from the fields of criminology history law medicine politics and social science it gives students journalists policymakers and researchers a foundation for their own investigations while helping readers of all kinds make decisions as family members potential gun owners and voters Under the Gun Cedric Dark,Seema Yasmin,2024-08-13 This work is a collection of stories from emergency medicine physicians as well as a brief surface level historical account of the intersection between emergency medicine science and policy Guns in America Donald J. Campbell,2021-08-09 This work provides readers with an authoritative resource for understanding the true extent and nature of gun violence in America examining the veracity of claims and counterclaims about mass shootings gun laws and public attitudes about gun control This work is part of a series that uses evidence based documentation to examine the veracity of claims and beliefs about high profile issues in American culture and politics Each book in the Contemporary Debates series is intended to puncture rather than perpetuate myths that diminish our understanding of important policies and positions to provide needed context for misleading statements and claims and to confirm the factual accuracy of other assertions This particular volume examines beliefs claims and myths about gun violence gun laws and gun rights in the United States Issues covered in the book include trends in firearm violence mass shootings the impact of gun ownership on rates and types of crime regulations and Supreme Court decisions regarding gun control and the Second Amendment and the activities and influence of organizations ranging from the National Rifle Association to Everytown for Gun Safety All of these topics are examined in individualized entries with objective responses grounded in up to date evidence Gun Violence in American Society Lisa A. Eargle,Ashraf Esmail,2015-11-17 Gun Violence

In American Society Crime Justice and Public Policy provides an in depth multidisciplinary investigation into one of society's major social public health and political concerns death injury and destruction from the use of firearms Contributors employ a variety of theoretical methodological and data analysis frameworks to address different gun violence issues They explore how gun violence is created and perpetuated in society as well as the various forms and social contexts in which it appears The impacts of gun violence on different social groups communities and social institutions are also delineated Moreover possible solutions to gun violence are presented Guns and College Homicide Stephen K. Boss,2019-01-28 At a time when mass shootings in schools and other public spaces have become commonplace it might seem surprising that American college campuses are not magnets for murderers but sanctuaries from them Because of remarkably effective gun safe policies deaths by firearms on college campuses are 1 000 times less frequent than in the U S public at large Drawing on crime data submitted in compliance with the Clery Act and public reports of those crimes this study inventories every documented homicide at a U S college or university between 2001 and 2016 making a compelling argument for using gun safe campuses as guides for broader public safety Firearms Legislation United States.
