therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that *Coming Out of Egypt* K.C. Stricker, 2008-03-15 Coming Out of Egypt is an exodus out of idolatry the idolatry of ancient Egypt and the idolatry that permeates the church today Its goal is to make the exodus come alive for the reader not to just read about the exodus but to experience the exodus not to just read about the Passover but to experience the Passover to catapult the reader back through time like a time traveler entering a time portal The goal of Coming Out of Egypt is to experience redemption not just to read about redemption to experience redemption from Pharaoh at the Reed Sea and witness Yeshua s resurrection **The Future of Biblical Archaeology** James Karl Hoffmeier, Alan Ralph Millard, 2004 In recent times Biblical archaeology has been heavily criticised by some camp who maintain that it has little to offer Near Eastern archaeology However some scholars carry on the fight to change people s views and this collection of essays continues the trend towards reassessing and reemphasising the link between the Bible and archaeology
