Christians' Two Chief Lessons Thomas Hooker, 2014-03-30 This Is A New Release Of The Original 1640 Edition The Christian's Two Chief Lessons Thomas Hooker, 1997-08 **Meet the Puritans** Joel R. Beeke, Fraser E. Jones, Randall J. Pederson, 2025-10-21 Whether you re meeting them for the first time or returning with questions this is the indispensable guide to the lives and works of the Puritans If your impression of the Puritans comes from grim portraits high collars and joyless sermons Meet the Puritans will surprise you in the best way Behind those caricatures lies a warm Christ centered spiritual tradition shaped by people who loved Scripture treasured grace and sought to glorify God in every part of life The Puritans took life seriously because they took God seriously Grace and guilt love and sacrifice heaven and hell weren t abstractions to them they were urgent realities Today when conviction of sin is dismissed as gloom when earnest faith is pitied and when diligent obedience is labeled as legalism we desperately need their witness If you hunger for depth for holiness for real communion with God open these pages Let these lives challenge you and these writings nourish you Take the time to meet the Puritans you ll find in them deep truths godly examples and an exalted Christ This New Edition Includes 45 New Biographies for a total of 190 English and American Puritans seventeenth century Scottish Presbyterians and Dutch Further Reformation divines 278 New Summaries of Puritan works with annotated bibliographies of modern reprints Comprehensive Revision of the entire previous edition 200 New Titles Added to the select bibliography of secondary sources New Expanded Glossary plus an updated expanded list of Puritan publishers The definitive reference for engaging the Puritan tradition praised by pastors scholars and serious readers alike Substantial enough for study accessible enough for devotional use Meet the Puritans is that rare kind of reference book that invites you to actually read it If you re serious about reading the Puritans or simply looking for a clear starting point this is the place to begin The Heart of Spiritual Warfare Darrin Lauder, 2011-02 The subject of Spiritual Warfare must become common place if unsuspecting souls are to avoid major disaster in the mind of this author Presently and at best this subject is designated peripheral and perhaps trivial and at worst hardly mentioned or dismissed as irrelevant This book presents a biblical view of this important subject with the thesis and conclusion that it deserves greater prominence in the life of every living soul This is because there are other crucial teachings tied so intricately to what effects all people like that of faith apostasy and perseverance While one could argue faith and apostasy are only matters for those who are religious everyone recognizes the need to persevere through life And people of faith realize the need to endure to attain life The emphasis of this author and those who have gone before him see good cause to review this topic of Spiritual Warfare and consider carefully whether it belongs in a daily practical sense with the essentials of the Christian faith Essentials have always been recognized as beliefs that effect ones salvation or eternal well being The Bible from beginning to end addresses a people who must battle to receive a portion and inheritance promised by God It is to those whom He calls to Himself and who show themselves to be His chosen people that He

designates overcomers The Scripture breaks down the whole of the human race into two major groups of people variously defined The seed of the woman and the seed of the serpent are the children of God and those of the devil The former are attacked by the latter and their only means of true spiritual defense is to trust the Lord and live out the will of God This activity not only sifts and seals the destiny of those who do so and those who deny God in the respective categories previously stated but this warfare shapes and distinguishes those worthy of a heavenly inheritance and an everlasting reward The author endeavors to present a compelling case that Spiritual Warfare is intricately tied to the soul s eternal destiny and thus deserves greater ascendancy in Christian teaching He claims because of its practical influence towards integrity and eternal salvation or its neglect to hypocrisy and Hell s unending fire Character matters and what one believes about eternity spiritual battles and the devil s part in the world pertaining to those things will find this book a true help *The christians two chief lessons* Thomas Hooker,1640 **Wallace's Farm and Dairy** ,1909 **The Canadian Baptist** ,1909 **The Illustrative Lesson Notes** John Heyl Vincent,Jesse Lyman Hurlbut,John Thomas McFarland,1895 **Zion's Herald** ,1909 The Christian Evangelist ,1903
