The Christos:

Who Is This King of Glory? A Critical Study of the Christos-Messiah Tradition Alvin Kuhn, 2024-07-17 Alvin Kuhn's *Who Is This King of Glory: A Critical Study of the Christos Messiah Tradition* is a thought provoking and scholarly examination of the origins and evolution of the Christos Messiah concept. Kuhn, a distinguished philosopher and historian of religion, delves deeply into ancient texts, religious traditions, and historical contexts to unravel the complex and often misunderstood identity of the Messiah. Kuhn's book offers a comprehensive analysis of the Christos Messiah tradition, tracing its roots back to pre-Christian and pagan mythologies. He explores how ancient civilizations, including the Egyptians, Greeks, and Persians, influenced the development of the messianic figure that would later become central to Christian theology. Through meticulous research and critical insight, Kuhn sheds light on the syncretic nature of religious beliefs and the ways in which early Christian thinkers adopted and adapted existing myths and symbols. *Who Is This King of Glory* challenges conventional understandings of the Messiah by presenting a broader historical and cultural perspective. Kuhn examines the symbolic and allegorical meanings behind the Christ figure, emphasizing the spiritual and philosophical messages that transcend literal interpretations. His work encourages readers to consider the Christos not merely as a historical figure but as a universal archetype representing the divine potential within every human being. Kuhn's writing is both accessible and erudite, making complex ideas understandable for a wide audience. His critical approach invites readers to question traditional narratives and to explore the deeper spiritual truths that underpin religious traditions. The book is richly annotated with references to ancient texts, providing a valuable resource for further study. This compelling study not only enhances our understanding of religious history but also inspires a deeper appreciation for the timeless quest for spiritual enlightenment and the universal themes that connect humanity across cultures and epochs.

The New Way Herbert Coryn, Percy Leonard, 1928 **Redescribing Paul and the Corinthians** Society of Biblical Literature, 2011 This second volume of studies by members of the SBL Seminar on Ancient Myths and Modern Theories of Christian Origins reassesses the agenda of modern scholarship on Paul and the Corinthians. The contributors challenge the theory of religion assumed in most New Testament scholarship and adopt a different set of theoretical and historical terms for redescribing the beginnings of the Christian religion. They propose explanations of the relationship between Paul and the recipients of 1 Corinthians, the place of Paul's Christ myth for his gospel, the reasons for a

disinterest in and rejection of Paul's gospel and or for the reception and attraction of it and the disjunction between Paul's collective representation of the Corinthians in 1 Corinthians and the Corinthians own engagement with Paul in mythmaking and social formation including mutual mis translation and mis appropriation of the other's discourse and practices
