

The Civil War Reconstruction

John Hope Franklin

The Civil War Reconstruction:

America's Reconstruction Eric Foner, Olivia Mahoney, 1997-06-01 One of the most misunderstood periods in American history Reconstruction remains relevant today because its central issue the role of the federal government in protecting citizens rights and promoting economic and racial justice in a heterogeneous society is still unresolved America s Reconstruction examines the origins of this crucial time explores how Black and white southerners responded to the abolition of slavery traces the political disputes between Congress and President Andrew Johnson and analyzes the policies of the Reconstruction governments and the reasons for their demise America s Reconstruction was published in conjunction with a major exhibition on the era produced by the Valentine Museum in Richmond Virginia and the Virginia Historical Society The exhibit included a remarkable collection of engravings from Harper s Weekly lithographs and political cartoons as well as objects such as sculptures rifles flags quilts and other artifacts An important tool for deepening the experience of those who visited the exhibit America s Reconstruction also makes this rich assemblage of information and period art available to the wider audience of people unable to see the exhibit in its host cities A work that stands along as well as in proud accompaniment to the temporary collection it will appeal to general readers and assist instructors of both new and seasoned students of the Civil War and its tumultuous aftermath Reconstruction Allen C. Guelzo, 2018 Allen C Guelzo s Reconstruction A Concise History is a gracefully written interpretation of Reconstruction as a spirited struggle to reintegrate the defeated Southern Confederacy into the American Union after the Civil War to bring African Americans into the political mainstream of American life and to recreate the Southern economy after a Northern free labor model **Texas After The Civil War** Carl H. Moneyhon, 2004 Moneyhon looks at the reasons Reconstruction failed to live up to its promise *The A to Z of the Civil War and Reconstruction* William L. Richter, 2009-07-24 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated There was a very real possibility that the union could have been sundered resulting in a very different American history and probably world history But the union was held together by tough and determined leaders and by the economic muscle of the North Following the end of the war the period of American history known as Reconstruction followed This was a period construed in many different ways While the states were once again united many of the postwar efforts divided different segments of the population and failed to achieve their goals in an era too often remembered for carpetbaggers and scalawags and Congressional imbroglios and incompetent government This one volume dictionary with more than 800 entries covering the significant events persons politics and economic and social themes in the U S Civil War and Reconstruction is a research tool for all levels of readers from high school and up The extensive chronology introductory essay dictionary entries and comprehensive bibliography introduce and lead the reader through the military and non military actions of one of the most pivotal events in American history *Historical Dictionary of the Civil War and Reconstruction* William L. Richter, 2004-05-17 The importance of the Civil War and Reconstruction in the

history of the United States cannot be overstated There was a very real possibility that the union could have been sundered resulting in a very different American history and probably world history But the union was held together by tough and determined leaders and by the economic muscle of the North While not always a period to be proud of it did have higher goals and compelling ends This one volume dictionary with more than 800 entries covering the significant events persons politics and economic and social themes in the U S Civil War and Reconstruction is a research tool for all levels of readers from high school and up The extensive chronology introductory essay dictionary entries and comprehensive bibliography introduce and lead the reader through the military and non military actions of one of the most pivotal events in American history Substantial coverage is given to the time that followed the Civil War Reconstruction This was a period construed in many different ways by the individuals involved many of whom had little concern for the impact of their acts on others and even fewer who were interested in the plight of the newly enfranchised blacks for whom the war had supposedly been fought While the states were once again united many of the postwar efforts divided different segments of the population and failed to achieve their goals in an era too often remembered for carpetbaggers and scalawags and Congressional imbroglios and incompetent government No matter how one looks at it the Civil War continues to affect the politics constitutionalism and societal norms of the United States in an irrevocable way and it probably always will It was a very personal war not fought by machines but by men affecting countless Americans who have one or more Civil War veterans hidden in their family trees It is a war modern enough to be relevant to today's military interests yet gentlemanly enough to be

Reconstruction Judith Peacock, 2000-09 A history of Reconstruction in the South from the end of the Civil War until 1877

The Great Task Remaining Before Us Paul Alan Cimbala, Randall M. Miller, 2010 An unusually strong collection of essays the scholarship is impeccable Gaines M Foster Louisiana State University Baton Rouge

Reconstruction After the Civil War John Hope Franklin, 1994 Ever since its original publication in 1961 Reconstruction after the Civil War has been praised for cutting through the controversial scholarship and popular myths of the time to provide an accurate account of the role of former slaves during this period in American history Now Franklin has updated his work to acknowledge the enormous body of research and scholarship that followed in the wake of the first edition New are Franklin's references to important later texts that enrich the original narrative In addition the extensive bibliography has been thoroughly revised What has not changed however is the foundation Franklin has laid Still compelling are his arguments concerning the brevity of the North's military occupation of the South the limited amount of power wielded by former slaves the influence of moderate southerners the flaws of the constitutions drawn up by the Radical state governments and the reasons for the downfall of Reconstruction

The A to Z of the Civil War and Reconstruction William L. Richter, 2009 The importance of the Civil War and Reconstruction in the history of the United States can not be overstated There was a very real possibility that the union could have been sundered resulting in a very different American and thus world history However the union was held together by

tough and determined leaders and by the economic muscle of the North While not always an era to be proud of there were higher goals and compelling ends The A to Z of the Civil War and Reconstruction with more than 800 entries covering the significant events persons politics and economic and social themes in the U S Civil War and Reconstruction period is a research tool for all levels of readers from high school and up The extensive chronology introductory essay and comprehensive bibliography introduce and lead the reader through the military and nonmilitary actions of one of the most pivotal events in American history Reconstruction the focus of this volume was a period

A Legal History of the Civil War and Reconstruction Laura F. Edwards, 2015-01-26 This book provides a succinct and accessible account of the critical role of legal and constitutional issues of the American Civil War
